§ 90-21.91. Assurance that consent is freely given.

If a physician acting pursuant to this Article has reason to believe that a woman is being coerced into having an abortion, the physician or qualified professional shall inform the woman that services are available for the woman and shall provide the woman with private access to a telephone and information about, but not limited to, each of the following services:

(1) Rape crisis centers.
(2) Shelters for victims of domestic violence.
(3) Restraining orders.
(4) Pregnancy care centers. (2011-405, s. 1.)
