

§ 90-210.123. Licensing and inspection.

(a) Any person doing business in this State, or any cemetery, funeral establishment, corporation, partnership, joint venture, voluntary organization, or any other entity may erect, maintain, and operate a crematory in this State and may provide the necessary employees, facilities, structure, and equipment for the cremation of human remains, provided that the person or entity has secured a license as a crematory licensee in accordance with this Article.

(b) A crematory may be constructed on or adjacent to any cemetery, on or adjacent to any funeral establishment that is zoned commercial or industrial, or at any other location consistent with local zoning and environmental regulations.

(c) Application for a license as a crematory licensee shall be made on forms furnished and prescribed by the Board. The Board shall inspect the premises, facilities, structure, and equipment to be used as a crematory, confirm that the crematory manager's and crematory technician's educational certificate is valid, and issue a renewable license to the crematory licensee if the applicant meets all the requirements and standards of the Board and the requirements of this Article.

(d) Every application for licensure shall identify the crematory manager and all crematory technicians employed by the crematory licensee providing that nothing in this Article shall prohibit the designation and identification by the crematory licensee of one individual to serve as a crematory manager and crematory technician. Each crematory licensed in North Carolina shall employ on a full-time basis at least one crematory technician. Every application for licensure and renewal thereof shall include all crematory technicians' educational certificates. The crematory licensee shall keep the Board informed at all times of the names and addresses of the crematory manager and all crematory technicians. In the event a licensee is in the process of replacing its only crematory technician at the time of license renewal, the licensee may continue to operate the crematory for a reasonable time period not to exceed 180 days.

(d1) Crematory licensees that offer at-need cremation goods and services to the public shall comply with the standards set forth in Funeral Industry Practices, 16 C.F.R. § 453 (1984), as amended.

(e) All licenses and permits shall expire on the last day of December of each year. On or after February 1, a license or permit may be renewed by paying a late fee as provided in G.S. 90-210.132 in addition to the annual renewal fee. Licenses and permits that remain expired six months or more require a new application for renewal. Licenses and permits are not transferable. A new application for a license or permit shall be made to the Board within 30 days following a change of ownership of more than fifty percent (50%) of the business.

(f) No person, cemetery, funeral establishment, corporation, partnership, joint venture, voluntary organization, or any other entity shall cremate any human remains, except in a crematory licensed for this express purpose and operated by a crematory licensee subject to the restrictions and limitations of this Article or unless otherwise permitted by statute.

(g) Whenever the Board finds that an owner, partner, crematory manager, member, officer, or any crematory technician of a crematory licensee or any applicant to become a crematory licensee, or that any authorized employee, agent, or representative has violated any provision of this Article, or is guilty of any of the following acts, and when the Board also finds that the crematory operator or applicant has thereby become unfit to practice, the Board may suspend, revoke, or refuse to issue or renew the license, in accordance with Chapter 150B of the General Statutes:

- (1) Conviction of a felony or a crime involving fraud or moral turpitude.
- (1a) Denial, suspension, or revocation of an occupational or business license by another jurisdiction.
- (2) Fraud or misrepresentation in obtaining or renewing a license, in the practice of cremation, or in the operation of a licensee's business.

- (3) False or misleading advertising.
- (4) Solicitation of dead human bodies by the licensee, his agents, assistants, or employees; but this subdivision shall not be construed to prohibit general advertising by the licensee.
- (5) Employment directly or indirectly of any agent, assistant, or other person on a part-time or full-time basis or on commission for the purpose of calling upon individuals or institutions by whose influence dead human bodies may be turned over to a particular licensee.
- (6) The direct or indirect payment or offer of payment of a commission by the licensee or the licensee's agent, assistant, or employees for the purpose of securing business.
- (7) Gross immorality, including being under the influence of alcohol or drugs while performing cremation services.
- (8) Aiding or abetting an unlicensed person to perform services under this Article, including the use of a picture or name in connection with advertisements or other written material published or caused to be published by the licensee.
- (9) Failing to treat a dead human body with respect at all times.
- (10) Violating or cooperating with others to violate any of the provisions of this Article or of the rules of the Board or violation of Funeral Industry Practices, 16 C.F.R. § 453 (1984), as amended.
- (11) Violation of any State law or municipal or county ordinance or regulation affecting the handling, custody, care, or transportation of dead human bodies.
- (12) Refusing to surrender promptly the custody of a dead human body or cremated remains upon the express order of the person lawfully entitled to the custody thereof, except as provided in G.S. 90-210.131(e).
- (13) Indecent exposure or exhibition of a dead human body while in the custody or control of a licensee.
- (14) Practicing funeral directing, embalming, or funeral service without a license.
- (15) Allowing anyone other than a licensee of the Board or a crematory technician to perform a cremation.

In any case in which the Board is authorized to take any of the actions permitted under this subsection, the Board may instead accept an offer in compromise of the charges whereby the accused shall pay to the Board a penalty of not more than five thousand dollars (\$5,000).

(h) Where the Board finds a licensee is guilty of one or more of the acts or omissions listed in subsection (g) of this section but it is determined by the Board that the licensee has not thereby become unfit to practice, the Board may place the licensee on a term of probation in accordance with the procedures set out in Chapter 150B of the General Statutes. In any case in which the Board is entitled to place a licensee on a term of probation, the Board may also impose a penalty of not more than five thousand dollars (\$5,000) in conjunction with the probation. The Board may determine the length and conditions of any period of probation, suspension, revocation, or refusal to issue or renew a license.

(i) The Board may hold hearings in accordance with the provisions of this Article and Article 3A of Chapter 150B of the General Statutes. The Board is empowered to regulate and inspect crematories and crematory licensees and to enforce as provided by law the provisions of this Article and the rules adopted hereunder. Any crematory that, upon inspection, is found not to meet any of the requirements of this Article shall pay a reinspection fee to the Board for each additional inspection that is made to ascertain whether the deficiency or other violation has been corrected. The Board may obtain preliminary and final injunctions whenever a violation of this Article has occurred or threatens to occur. The Board may enforce compliance with the standards

set forth in Funeral Industry Practices, 16 C.F.R. § 453 (1984), as amended, and in accordance with subsection (d1) of this section.

In addition to the powers enumerated in Chapter 150B of the General Statutes, the Board shall have the power to administer oaths and issue subpoenas requiring the attendance of persons and the production of papers and records before the Board in any hearing, investigation, or proceeding conducted by it. Members of the Board's staff or the sheriff or other appropriate official of any county of this State shall serve all notices, subpoenas, and other papers given to them by the President of the Board for service in the same manner as process issued by any court of record. Any person who neglects or refuses to obey a subpoena issued by the Board shall be guilty of a Class 1 misdemeanor. (1989 (Reg.
