(2) Every dentist with a current North Carolina license residing or practicing in North Carolina shall be eligible to vote in elections of dentists to the Board. Every dental hygienist with a current North Carolina license residing or practicing in North Carolina shall be eligible to vote in elections of dental hygienists to the Board. The holding of such a license to practice dentistry or dental hygiene in North Carolina shall constitute registration to vote in such elections. The list of licensed dentists and dental hygienists shall constitute the registration list for elections to the appropriate seats on the Board.

(3) All elections shall be conducted by the Board of Dental Examiners which is hereby constituted a Board of Dental Elections. If a member of the Board of Dental Examiners whose position is to be filled at any election is nominated to succeed himself, and does not withdraw his name, he shall be disqualified to serve as a member of the Board of Dental Elections for that election and the remaining members of the Board of Dental Elections shall proceed and function without his participation.

(4) Nomination of dentists for election shall be made to the Board of Dental Examiners by a written petition signed by not less than 10 dentists licensed to practice in North Carolina and residing or practicing in North Carolina. Nomination of dental hygienists for election shall be made to the Board of Dental Examiners by a written petition signed by not less than 10 dental hygienists licensed to practice in North Carolina and residing or practicing in North Carolina. (5) Any person who is nominated as provided in subdivision (4) above may withdraw his name by written notice delivered to the Board of Dental Elections or its designated secretary at any time prior to the closing of the polls in any election.

(6) Following the close of nominations, there shall be prepared, under and in accordance with such rules and regulations as the Board of Dental Elections shall prescribe, ballots containing, in alphabetical order, the names of all nominees; and each ballot shall have such method of identification, and such instructions and requirements printed thereon, as shall be prescribed by the Board of Dental Elections. At such time as may be fixed by the Board of Dental Elections a ballot and a return official envelope addressed to said Board shall be mailed to each person entitled to vote in the election being conducted, together with a notice by said Board designating the latest day and hour for return mailing and containing such other items as such Board may see fit to include. The said envelope shall bear a serial number and shall have printed on the left portion of its face the following:

Serial No. of Envelope ____________________________
Signature of Voter ____________________________
Address of Voter ____________________________

(Note: The enclosed ballot is not valid unless the signature of the voter is on this envelope)."

The Board of Dental Elections may cause to be printed or stamped or written on said envelope such additional notice as it may see fit to give. No ballot shall be valid or shall be counted in an election unless, within the time hereinafter provided, it has been delivered to said Board by hand or by mail and shall be sealed. The said Board by rule may make provision for replacement of lost or destroyed envelopes or ballots upon making proper provisions to safeguard against abuse.

(7) The date and hour fixed by the Board of Dental Elections as the latest time for delivery by hand or mailing of said return ballots shall be not earlier than the tenth day following the mailing of the envelopes and ballots to the voters.

(8) The said ballots shall be canvassed by the Board of Dental Elections beginning at noon on a day and at a place set by said Board and announced by it in the notice accompanying the sending out of the ballots and envelopes, said date to be not later than four days after the date fixed by the Board for the closing of the balloting. The canvassing shall be made publicly and any licensed dentists may be present. The counting of ballots shall be conducted as follows: The envelopes shall be displayed to the persons present and an opportunity shall be given to any person present to challenge the qualification of the voter whose signature appears on the envelope or to challenge the validity of the envelope. Any envelope (with enclosed ballot) challenged shall be set aside, and the challenge shall be heard later or at that time by said Board. After the envelopes have been so exhibited, those not challenged shall be opened and the ballots extracted therefrom, insofar as practicable without showing the marking on the ballots,
and there shall be a final and complete separation of each envelope and its enclosed ballot. Thereafter each ballot shall be presented for counting, shall be displayed and, if not challenged, shall be counted. No ballot shall be valid if it is marked for more nominees than there are positions to be filled in that election: provided, that no ballot shall be rejected for any technical error unless it is impossible to determine the voter's choices or choice from the ballot. The counting of the ballots shall be continued until completed. During the counting, challenge may be made to any ballot on the grounds only of defects appearing on the face of the ballot. The said Board may decide the challenge immediately when it is made or it may put aside the ballot and determine the challenge upon the conclusion of the counting of the ballots.

(10) In the event there shall be required a second election, there shall be followed the same procedure as outlined in the paragraphs above subject to the same limitations and requirements: provided, that if the second election is between four candidates, then the two receiving the highest number of votes shall be declared elected.

(11) In the case of the death or withdrawal of a candidate prior to the closing of the polls in any election, he shall be eliminated from the contest and any votes cast for him shall be disregarded. If, at any time after the closing of the

(13) All envelopes enclosing ballots and all ballots shall be preserved and held separately by the Board of Dental Elections for a period of six months following the close of an election.

(14) From any decision of the Board of Dental Elections relative to the conduct of such elections, appeal may be taken to the courts in the manner otherwise provided by Chapter 150B of the General Statutes of North Carolina.

(15) The Board of Dental Elections is authorized to make rules and regulations relative to the conduct of these elections, provided same are not in conflict with the provisions of this section and provided that notice shall be given to all licensed dentists residing in North Carolina.
