§ 90-270.152. Injunctive authority.

The Board may apply to the superior court for an injunction to prevent violations of this Article or of any rules enacted pursuant thereto. The court is empowered to grant such injunctions regardless of whether criminal prosecution or other action has been or may be instituted as a result of such violation. (1983, c. 82, s. 6; 2020-82, s. 1(a).)
