§ 90-511. Employee assistance professional practice by members of other professional groups.

(a) Nothing in this Article shall be construed to prevent qualified members of other professional groups, as determined by the Board, including, but not limited to, licensed psychologists, licensed psychological associates, licensed clinical social workers, nurses, physicians, or members of the clergy, from doing or advertising that they perform the work of an employee assistance professional consistent with the accepted standards of their respective professions.

(b) Nothing in this Article shall be construed to prevent a staff member of a community mental health center from advertising, claiming, working, or in any other way representing that the member is an employee assistance professional consistent with the standards of a mental health center. (1995 (Reg. Sess., 1996), c. 720, s. 1.)
