The members of committee shall be appointed to serve terms as follows: one for a term of two years, one for a term of four years, and one for a term of six years. Upon the expiration of each term as above mentioned the Industrial Commission shall appoint a successor for a term of six years. Members of the committee shall devote to the duties of the office so much of their time as may be required in the conducting of examinations with reasonable promptness, and they shall attend hearings as scheduled by the Industrial Commission when their attendance is desired for the purpose of examining and cross-examining them respecting any report or reports made by them.

(c) Notwithstanding any other provision of this Article, the Industrial Commission, in its discretion, may designate a qualified physician who is not a member of the advisory medical committee to perform an examination of an employee who has filed a claim for benefits for asbestosis or silicosis. This physician shall file his reports in the same manner a member of the advisory medical committee files reports; and these reports shall be deemed reports of the advisory medical committee.
