These CDBG obligations comply with the appropriation language as set forth by the General Assembly. Due to U.S. HUD requirements for drawing down funds, the Division of Community Assistance provided unobligated funds to high demand areas such as the Housing Development, Community Revitalization and Infrastructure categories. In addition, funds were used to fund Capacity Building projects.

Enclosed with this transmittal is a listing of projects funded with 2009 funds. Please note that remaining 2009 CDBG funds will be awarded by October 13, 2010.

Sincerely yours,

A handwritten signature in blue ink, appearing to read "J. Keith Crisco".
