Mr. Mark Trogdon, Director
Fiscal Research Division
Suite 619, Legislative Office Building
Raleigh, NC 27603-5925

Dear Mr. Trogdon:

Section 122C-124.2(a) of the North Carolina General Statutes requires the Secretary of Health and Human Services to certify whether each, local management entity/managed care organization (LME/MCO) approved to operate the 1915(b)/(c) Medicaid Waiver is in compliance with the requirements of G.S. § 122C-124.2(b). Those certifications shall be made every six months, beginning August 1, 2013, and be based on an appropriate internal and external assessment.

Based upon (1) an internal review by an intradepartmental monitoring team comprised of individuals from the Division of Medical Assistance and the Division of Mental Health, Developmental Disabilities, and Substance Abuse Services, and (2) an external review by the Carolinas Center for Medical Excellence contractor HMS, thereby certifies that the following LME/MCOs are in compliance with the requirements of N.C.G.S. § 122C-124.2(b): Alliance, Cardinal Innovations, Eastpointe, Partners, Sandhills, VayaHealth, and Trillium.

While all of the LME/MCOs meet the requirements of the law, we do believe it is appropriate to revisit and refine the solvency standards. North Carolina's mental health landscape and the LME/MCO managed care system has evolved since its inception while measures and standards, including solvency requirements, are different today than when the legislation was passed. The department intends to work with the General Assembly and other stakeholders to review and adjust the financial measures to balance the solvency of the organizations and the need to reinvest in critical mental health initiatives.

Mandy Cohen, M.D., MPH
Secretary
North Carolina Department of Health and Human Services

Raleigh, NC 27699

Dear Secretary Cohen:

Pursuant to Session Law 2013-85, the Secretary of the Department of Health and Human Services shall complete a certification of compliance, in accordance with G.S. § 122C-124.2(a), for each local management entity/managed care organization that has been approved by the Department to operate the 1915(b)(c) Medicaid Waiver. The Secretary shall also provide a copy of the completed certification to the Senate Appropriations Committee on Health and Human Services, the House Appropriations Subcommittee on Health and Human Services, the Legislative Oversight Committee on Health and Human Services, and the Fiscal Research Division by no later than February 1, 2020.

Attached hereto, please find a summary report of the findings for fiscal solvency, clean claims payment, and HIPAA compliance for the following local management entities/managed care organizations: Alliance, Cardinal Innovations, Eastpointe, Partners, Sandhills, Vaya Health, and Trillium.

At this time, based on the attached records, the Division of Health Benefits (DHB) is attesting that all seven organizations are appropriate for certification. Additionally, the Intradepartmental Monitoring Team (including DHB and the Division of Mental Health, Developmental Disabilities and Substance Abuse Services staff) determines that all seven LME-MCOs have made adequate provisions against the risk of insolvency based on quarterly financial reports submitted to DHHS.

Sincerely,

Dave Richard
