The Honorable Joyce Krawiec, Chair
Joint Legislative Oversight Committee on
Health and Human Services
North Carolina General Assembly
Room 308, Legislative Office Building
Raleigh, NC 27603

Dear Chairmen:

North Carolina Session Law 2017-57, Section 11F.2.(c), requires the Department of Health and Human Services ("Department") to modify the monthly reporting package submitted by the Local Management Entities-Managed Care Organizations (LME-MCOs) to the Department to include revenues and expenditures for the State funding sources for single stream, intellectual and developmental disability, and substance abuse services on Schedule D2. Additionally, the Department is required to modify appropriate schedules in the LME-MCO monthly reporting package to include unduplicated recipients and encounters in the same level of detail included in each D schedule for each source of funding for the reporting for the current and previous year's month and year to date periods.

March's report includes information on the LME/MCO's Single Stream Fund expenditures through January 2021. The allocations and service expenditures below incorporate the \$88M in CARES Act funding allocated to DMHDDSAS for service provision in response to the COVID-19 pandemic. *See* Session Law 2020-97, Section 3.3 (114F) and Session Law 2020-88, Section 3(b). Although the pandemic has caused some disruptions in service spending, particularly at the beginning of the state fiscal year, we are actively working with the LMEMCOs to ensure North Carolinians continue to access needed behavioral health and I/DD services and that we are maximizing the impact of public service dollars.

Should you have any questions, please contact Kody Kinsley, Deputy Secretary for Behavioral Health and IDD, at 984-236-5000.

Sincerely,

Mandy Cohen, MD, MPH
Secretary

Notes: The NonUCR portion of Single Stream Earnings is based on unaudited self-report from LME/MCOs.

LME expenditure of State funds will always lag at beginning of year when Federal funds are pulled down; as Federal accounts are depleted, rate of State earnings increase.
