Dear Representative Avila and Senator Brock:

Session Law 2011-145, Section 6A.7.(b), requires that in coordination with the State Chief Information Officer (SCIO), the Department of Health and Human Services (DHHS) shall develop a plan to implement a single case management system throughout DHHS, beginning in SFY 2012-13. A report on initiatives to implement this system is to be submitted to the Joint Legislative Oversight Committee on Information Technology by February 1, 2012. Additional time is needed to complete the report, and we anticipate transmitting the final report no later than the end of April 2012.

If you have any questions regarding this report, please contact Karen Tomczak, Chief Information Officer for DHHS, at 919-855-3160.

Sincerely,
