Joint Legislative Oversight Committee on Mental Health.  
Developmental Disabilities and Substance Abuse Services  
North Carolina General Assembly  
Room 307-B1, Legislative Office Building  
Raleigh, NC 27603

Dear Representative Insko:

Session Law 2006-142, Section 2.(a)(c) requires the NC Division of Mental Health, Developmental Disabilities and Substance Abuse Services to report on the progress made in seven domains every six months. Under this legislation, the report is to be submitted to the Joint Legislative Oversight Committee on Mental Health, Developmental Disabilities and Substance Abuse Services.

In order to address this objective, there will be a delay in submission of the report as information is still being compiled. Our goal is to submit a report which provides substantive and extensive discussion of the findings and recommendations. We believe that the additional time will permit us to accomplish this goal. The report will be submitted by December 1, 2010.

Sincerely,

A handwritten signature in black ink, appearing to read "Lanier".
