Dear Chairmen:

The report shall include the amount of funding pursuant to this section that each county received for surveillance, detection, control, and prevention of communicable diseases, an explanation if the sum of the funding received by all counties under this section is not equivalent to the total funds appropriated each year, information on how the local health departments plan to use and subsequently did use these funds to address surveillance, detection, control, and prevention of communicable diseases. In addition, the report shall delineate funds other than those distributed in accordance with this section that were received by each county to address surveillance, detection, control, and prevention of communicable diseases. Pursuant to the provisions of law, the Department is pleased to submit the attached report.
