RE: G.S. §114-2.5; Report on Settlement Agreement for Obinna Oriaku,  
MD/Crown Clinic, P.A.

Dear Members:

Section 114-2.5 of the North Carolina General Statutes requires the Attorney General to report to the Joint Committee on Governmental Operations and the Chairs of the Appropriations Subcommittees on Justice and Public Safety regarding all settlements and court orders which result in more than \$75,000.00 being paid to the State. Pursuant to that statute, I am writing regarding the settlement of claims for Medicaid reimbursement to the state and federal governments in the above-referenced matter. Pursuant to federal law (42 C.F.R. § 433.320) recoveries in these cases are shared on a pro rata basis by the state and federal governments.

A settlement has been executed between Oriaku/Crown Clinic, P.A. and the State of North Carolina.

The settlement resolves allegations that from January 1, 2015 through April 4, 2019, Oriaku/Crown Clinic billed for CPT Code 99354 - (Prolonged evaluation and management or psychotherapy service(s) beyond the typical service time of the primary procedure), CPT Code 70150 - (Diagnostic Imaging Study of the Head and Neck), and CPT Code 78268 - (Urea Breath Test, C-14, Isotopic) that were not medically necessary, had no supporting clinical documentation and were performed in violation of Division of Health Benefits Clinical Coverage Policy.

Under the terms of North Carolina's settlement, the State of North Carolina will recover \$354,524.68. Of that amount the federal government will receive \$201,192.74 for North Carolina's federal portion of Medicaid recoveries. The North Carolina Medicaid Program will receive \$76,360.99 as restitution and interest. In addition, pursuant to Article IX, Section 7 of the North Carolina Constitution and G.S. § 115C-457.1, the penalty portion of the settlement in the amount of \$63,838.94 will be paid to the Civil Penalty Forfeiture Fund for the support of North Carolina public schools. Pursuant to G.S. § 115C-457.2 and G.S. § 1-608(c), the North Carolina Department of Justice will receive \$13,132.01 for investigative costs and costs of collection.

We will be happy to respond to any questions you may have regarding this report.

Sincerely,

A handwritten signature in black ink, appearing to read 'Seth Dearmin', followed by a horizontal line.

## **SETTLEMENT AGREEMENT**

This Settlement Agreement (“Agreement”) is entered into between the North Carolina Office of the Attorney General on behalf of the State of North Carolina (“North Carolina”) and both Obinna Oriaku, M.D., and Crown Clinic, P.A., a North Carolina corporation (collectively “Crown”), each of whom are North Carolina Medicaid Providers. Each of the above are hereafter referred to as “the Parties” through their authorized representative.

### **RECITALS**

A. Crown was a Medicaid Provider since 2010 and provides internal medicine and urgent care medical services to Medicaid beneficiaries in and around Charlotte-Mecklenburg County, North Carolina. Medicaid Providers may submit claims to the North Carolina Medicaid Program for services that are medically necessary for the care of Medicaid beneficiaries and which comply with Medicaid Clinical Policy. The State contends that it has certain civil claims against Crown arising from the following conduct, during the dates of January 1, 2015 through April 4, 2019, for Crown’s submission of claims to the North Carolina Medicaid Program for medical services, to wit, as follows:

(1) CPT 99354 – (Prolonged evaluation and management or psychotherapy service(s) beyond the typical service time of the primary procedure) in the office or other outpatient setting requiring direct patient contact beyond the usual service, which the State contends had insufficient supporting clinical documentation, were not medically necessary, and were performed in violation of Division of Health Benefits Clinical Coverage Policy; and

(2) CPT 70150 – (Diagnostic Imaging Study of the Head and Neck), which the State contends had insufficient supporting clinical documentation, were not medically necessary, and were performed in violation of the Division of Health Benefits Clinical Coverage Policy; and

(3) CPT 78268 – (Urea Breath Test, C-14, Isotopic), which the State contends had

insufficient supporting clinical documentation, were not medically necessary, and were performed in violation of the Division of Health Benefits Clinical Coverage Policy.

The conduct referenced in this paragraph is referred to below and throughout this Agreement as the “Covered Conduct.”

B. North Carolina contends that Crown’s submission of such claims for payment to the North Carolina Medicaid Program (Medicaid), Title XIX of the Social Security Act, 42 U.S.C. §§ 1396-1396v, violates the North Carolina False Claims Act, N.C.G.S. §§ 1-605, et seq., and the Medical Assistance Provider Claims Act, N.C.G.S. §§ 108A-70.10, et seq.

C. Crown denies the allegations in Paragraphs A. and B.

D. To avoid the delay, uncertainty, inconvenience, and expense of protracted litigation of the above claims, and in consideration of the mutual promises and obligations of this Agreement, the Parties agree and covenant as follows:
