RE: Compliance report reference Senate Bill 704/Session Law 2020-3, Section 4.38.(c).

Dear Members,

As required by North Carolina Session Law 2020-3, Section 4.38.(C), the North Carolina Criminal Justice Standards Division (Division) is reporting on behalf of the North Carolina Criminal Justice Education and Training Standards Commission (Commission), the delay of renewal certifications, and the delay of educational and examination requirements implemented by the Commission.

The Basic Law Enforcement Training (BLET) courses have the following requirement under **12 NCAC 09B .0202(b)(2)**:

"Schedule course presentation to include 12 hours of instruction each week during consecutive calendar weeks, except that there may be as many as three one-week breaks until course requirements are completed;"

Due to COVID-19, the Commission granted waivers for BLET courses to have a greater than three one-week breaks in their course. 49 BLET courses, being delivered by either agencies or community colleges, suspended their training for a period greater than three weeks. 48 of these courses have resumed their course, and 1 agency made the decision to cancel their course and start over from the beginning. Please see Attachment 01 for the list of these schools and/or agencies.

Speed Measurement Instrument (SMI) Operators have the following requirement under **12 NCAC 09B .0409(a)(4)**:

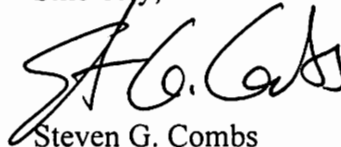

"present evidence showing prior North Carolina certification in a Commission-certified operator training course as prescribed in 12 NCAC 09B .0212 .0213, .0214, .0238, .0242, .0244 or present evidence showing prior certification which meets or exceeds North Carolina certification, or present evidence showing completion of 16 hours of supervised field practice

within 90 days after completing a Commission-certified radar operator training course as prescribed in 12 NCAC 09B .0212 .0213, .0242, .0244."

Due to COVID-19, the Commission granted waivers for SMI Operators to exceed the 90 days to complete the 16 hours of supervised field practice of the Commission-certified radar operator training course. 22 operators have been given a 6 month waiver to complete this training requirement. Please see Attachment 02 for the list of operators that have been granted this 6 month waiver.

Thank you for the opportunity to provide this information. I would be happy to respond to any questions that you may have regarding this report.

Sincerely,

A handwritten signature in black ink, appearing to read 'S.G. Combs', written over the printed name.
