Dear Dr. Oates:

We acknowledge receipt of the 2019-20 Individual Class Size Waiver Requests received from Southeast for **Bolivia Elementary**.

G.S. 115C-301(g) prohibits the State Board of Education from granting waivers for Kindergarten through third-grade individual class size overages except under the following circumstances:

- a) Emergencies, or acts of God that impact the availability of classroom space or facilities;
- b) An unanticipated increase in student population of an individual school in excess of two percent (2%) of the average daily membership of that school;
- c) Organizational problems in geographically isolated local school administrative units in which the average daily membership is less than one and one-half per square mile;
- d) Classes organized for a solitary curricular area; or
- e) A charter school closure.

Southeast requested waivers for the following schools based on an unanticipated increase in student population of an individual school in excess of two percent (2%) of the average daily membership of that school as stated above. Pursuant to the SBE and School Attendance and Student Accounting manual, the request for class size waivers is **denied** due to the student population of an individual school not being in excess of two percent of the ADM.

Bolivia Elementary has 4 first-grade class with 23 students (over by 1) and 6 third-grade class with 23 students (over by 1).

Should you have any questions, please contact the Division of School Business, Student Accounting at StudentAccounting@dpi.nc.gov.

Sincerely,

Mark Johnson
