REPORT ON USE OF FEDERAL GRANT FUNDS

SECTION 1.8.(a) The use of federal grant funds received under this Part shall be detailed in quarterly reports as provided in this subsection. A report required under this subsection shall include the amount of federal funds received; the amount of grant funds expended; how the funds were used, including program information such as number of people served and geographic distribution; the amount spent on administration; and the amount of funds that remained unspent. In addition, a report required under this subsection shall provide the number of full-time equivalent (FTE) positions established with funds received and, for each FTE position established, a position number, position status, date the position was established, hire date, and date on which the position is to be abolished. The requirement to submit a report under this subsection shall end upon submission of the final report from each entity that receives federal grant funds under this Part, which shall be no later than 90 days from the date the grant period ends for the relevant funds. The required quarterly report, the reporting entity, and the timing are as follows:

- (1) Each public school unit receiving federal grant funds under this Part, beginning April 1, 2021, and quarterly thereafter, shall submit the report to the Department of Public Instruction. The Department of Public Instruction, beginning May 1, 2021, and quarterly thereafter, shall collate and submit the reports into a single, consolidated report to the Joint Legislative Commission on Governmental Operations and the Fiscal Research Division.
- (2) Each State agency or department receiving federal grant funds under this Part, beginning April 1, 2021, shall submit the report to the Joint Legislative Commission on Governmental Operations and the Fiscal Research Division.
