**§ 115C-83.10. Accountability measures.**

(a) Each local board of education shall publish annually on a Web site maintained by that local school administrative unit and report in writing to the State Board of Education by September 1 of each year the following information on the prior school year:

- (1) The number and percentage of third grade students demonstrating and not demonstrating reading proficiency on the State-approved standardized test of reading comprehension administered to third grade students.
- (2) The number and percentage of third grade students who take and pass an alternative assessment of reading comprehension and the name of each alternative assessment used for this purpose with the number of students who passed it.
- (3) The number and percentage of third grade students retained for not demonstrating reading proficiency.
- (4) The number and percentage of third grade students exempt from mandatory third grade retention by category of exemption as listed in G.S. 115C-83.7(b).
- (5) The number and percentage of first grade students demonstrating and not demonstrating reading comprehension at grade level.
- (6) The number and percentage of second grade students demonstrating and not demonstrating reading comprehension at grade level.
- (7) For each grade level, the number and percentage of students eligible for priority enrollment in reading camp under G.S. 115C-83.11(b) and, for each grade level, the number and percentage of those students who attend reading camp.

(b) Each local board of education shall report annually in writing to the State Board of Education by September 1 of each year the following information on the prior school year:

- (1) A description of all literacy interventions provided to students who have been retained under G.S. 115C-83.7(a).
- (2) The number of first and second grade students attending a reading camp offered by the local board.
- (3) The license area or areas, years of licensed teaching experience, grade level assignment, and any other specific subject-area assignments of each teacher providing instruction at a reading camp.
- (4) The number and percentage of teachers providing instruction at a reading camp who were paid a reading performance bonus during the school year immediately preceding the reading camp and the grade level on which the bonus was based.
- (5) The number of kindergarten through third grade students with an Individual Reading Plan. **Begins 2022-2023.**

(b1) Each local board of education shall report annually in writing to the State Board of Education by November 15 of each year, for the prior school year, (i) the number and percentage of third grade students who did not demonstrate proficiency upon entering reading camp and who became proficient after completing reading camp and (ii) for each grade level, the number and percentage of first and second grade students who demonstrated difficulty with reading upon entering camp and who demonstrated reading comprehension at or above grade level after completing reading camp.

(b2) Each local board of education shall report annually in writing to the State Board of Education by November 15 of each year the number and percentage of retained third grade students placed in an accelerated reading class or transitional third and fourth class combination under G.S. 115C-83.8(b) in the prior school year who were (i) promoted midyear as provided in G.S. 115C-83.8(c) or (ii) promoted directly to fifth grade for the school year following the retention.

(c) The State Board of Education shall establish a uniform format for local boards of education to report the required information listed in subsections (a) and (b) of this section and shall provide the format to local boards of education no later than 90 days prior to the annual due date. The State Board of Education shall compile annually this information and submit a State-level summary to the Governor, the President Pro Tempore of the Senate, the Speaker of the House of Representatives, and the Joint

Legislative Education Oversight Committee by December 15, 2016, and annually thereafter. The State-level summary shall include, for each local school administrative unit, every component listed in subsections (a), (b), (b1), and (b2) of this section.

d) The State Board of Education and the Department of Public Instruction shall provide technical assistance as needed to aid local school administrative units to implement all provisions of this Part.

(e) Local boards of education shall fully complete all information required by this section in the uniform format provided by the State Board. (2012-142, s. 7A.1(b); 2014-115, s. 81; 2015-241, s. 8.48(c); 2017-102, s. 48(g); 2018-5, s. 7.24(a).)

**The accountability measures for school year 2021-2022 are listed on the following pages.**

State of North Carolina 2021-22 Read to Achieve Grades 1 and 2 End-of-Year (EOY) Results		G.S. §115C-83.10 requires "each local board of education to publish annually on a website maintained by that local school administrative unit and report in writing to the State Board of Education (SBE) by September 1 of each year the following information on the prior school year:"		
		Total Number of Students in EOY DIBELS 8 (denominator)	Number of Students	Percentage of Students
The denominator for calculating the required percentages for rows 1-4 is all students in membership at grades 1 and 2 for EOY DIBELS 8.				
1	The number and percentage of first-grade students demonstrating reading comprehension at grade level.	95,420	59,935	62.8%
2	The number and percentage of first-grade students not demonstrating reading comprehension at grade level and eligible for priority enrollment in reading camp.		35,485	37.2%
3	The number and percentage of second-grade students demonstrating reading comprehension at grade level.	99,351	56,685	57.1%
4	The number and percentage of second-grade students not demonstrating reading comprehension at grade level and eligible for priority enrollment in reading camp.		42,666	42.9%
The denominator for row 5 is the number of students eligible for priority enrollment in reading camp from row 2.				
5	The number and percentage of first-grade students eligible for priority enrollment who attended reading camp.		7,759	21.9%
The denominator for row 6 is the number of students eligible for priority enrollment in reading camp from row 4.				
6	The number and percentage of second-grade students eligible for priority enrollment who attended reading camp.		13,500	31.6%

Note: Privacy policies dictate that any group with less than ten students, the specific number and percentage should not be given. An \* indicates that the student population number and percentage is too small to report the value. The percentage and number of students are not shown if the percentage is greater than 95 percent (>95) or less than 5 percent (<5).

<b>State of North Carolina 2021-22 Read to Achieve Grade 3 End-of-Year (EOY) Results</b>		G.S. §115C-83.10 requires "each local board of education to publish annually on a website maintained by that local school administrative unit and report in writing to the State Board of Education (SBE) by September 1 of each year the following information on the prior school year:"	
		<b>Number of Students</b>	<b>Percentage of Students</b>
The denominator for calculating the required percentages for rows 1 and 2 is all students in membership at grade 3 for the first day of spring testing. The denominator for the state is 113,224.			
1	Demonstrated reading proficiency on the Beginning-of-Grade 3 (BOG3) Reading Test, the End-of-Grade (EOG) Reading Test, or the EOG Reading Retest (i.e., scored Level 3 or higher).	53,095	46.9%
2	Did <u>not</u> demonstrate reading proficiency on the BOG3 Reading Test, the EOG Reading Test, or the EOG Reading Retest	60,129	53.1%
The number and percentage of students exempt from mandatory retention in third grade by category of good cause. Students may be counted in only one of these categories. Denominator for each category in row 3 is row 2.			
3	a. Students who took and passed an alternative assessment approved by the SBE (i.e., State-approved formative and diagnostic assessment system (Amplify DIBELS 8), Read to Achieve Test, or locally determined SBE-approved alternative assessment).	18,695	31.1%
	b. English Learner students with less than two school years of instruction in an English as a Second Language [ESL] program.	*	<5%
	c. Students with disabilities whose current Individualized Education Program (IEP) indicates the use of the NCEXTEND1 alternative assessment, have at least a two school-year delay in educational performance, or have received intensive reading interventions for at least two school years.	7,991	13.3%
	d. Students who have been previously retained more than once in kindergarten, first, second, or third grades.	*	<5%
	e. Students who demonstrated reading proficiency appropriate for third-grade students through a reading portfolio.	*	<5%

<b>State of North Carolina</b> <b>2021-22</b> <b>Read to Achieve Grade 3 End-of-Year (EOY) Results</b>		G.S. §115C-83.10 requires "each local board of education to publish annually on a website maintained by that local school administrative unit and report in writing to the State Board of Education (SBE) by September 1 of each year the following information on the prior school year:"	
		<b>Number of Students</b>	<b>Percentage of Students</b>
The denominator for calculating the required percentages for rows 4 and 6 are all students in membership at grade 3 for the first day of spring testing. The denominator for the state is 113,224.			
4	The number and percent of students eligible for priority enrollment in reading camp. This number equals row 2 minus the total of rows 3a through 3e.	30,370	26.8%
The denominator for row 5 is the number of students eligible for priority enrollment in reading camp from row 4.			
5	The number and percentage of students eligible for priority enrollment who attended reading camp.	13,015	42.9%
6	Total number and percentage of students retained for not demonstrating reading proficiency on third-grade standards (students deemed proficient after reading camp are subtracted from this number). Students who are not proficient will be either: [1] retained in a third-grade class, [2] placed in a 3/4 transitional class with a retained label, or [3] placed in a fourth-grade accelerated class with a retained reading label.	28,400	25.1%
7	<b>Charter Schools Only:</b> Charter schools must indicate the number and percentage of retained students recorded in number 6 who do not return to the charter school for the upcoming school year.	171	6.8%

<sup>1</sup>The number of students who passed each alternative assessment is denoted in this column. If the approved alternative assessment was not used, N/A is shown. If the number of students who passed the alternative assessment is fewer than ten students, an asterisk (\*) is shown.

Note: Privacy policies dictate that for less than ten students, the specific number and percentage should not be given. An \* indicates that the student population number and percentage is too small to report the value. The percentage and number of students are not shown if the percentage is greater than 95 percent (>95) or less than 5 percent (<5).

<sup>1</sup> The denominator for calculating the required percentage is all students in membership at grade 3 for the first day of spring testing.

<sup>2</sup> The denominator for calculating the required percentage is the number of students who did not demonstrate reading proficiency.

<sup>3</sup> Beginning with the 2022–23 school year, Southside Ashpole has been transferred back to Public Schools of Robeson County from the Innovative School District. Therefore, Southside Ashpole is reported under the Public Schools of Robeson County using school code 295300. Questions regarding Southside Ashpole should be directed to Public Schools of Robeson County.

An \* indicates that the student population number is too small to report the value. The percentage and number of students are not shown if the percentage is greater than 95 percent (>95) or less than 5 percent (<5).

<sup>1</sup> The denominator for calculating the required percentage is all students in membership at grade 3 for the first day of spring testing.

<sup>2</sup> The denominator for calculating the required percentage is the number of students who did not demonstrate reading proficiency.

An \* indicates that the student population number is too small to report the value. The percentage and number of students are not shown if the percentage is greater than 95 percent (>95) or less than 5 percent (<5).
