Re: NC Department of Public Safety Participation in Demand Side Management as Required by HB589, Part IX. Demand Side Management for State-Owned Facilities Pilot Project Section 9 and Article 17 of Chapter 62 of the General Statutes § 62-351.

Please find herein the status of NCDPS' participation in demand side management as required by noted statute:

As required by Paragraphs (b) and (c), NCDPS through Central Prisons support and operation is successfully enrolled in a utility demand-side response program. This facility has been participating in this program since late spring 2013.

NCDPS continues to explore demand response opportunities at other sites.
