FROM: Erik A. Hooks, Secretary *Cassandra Skinner Hookstra on behalf of Secretary Erik A. Hooks*
Department of Public Safety

SUBJECT: Report on Availability of CDBG-DR Funds for Match

DATE: June 1, 2020

Pursuant to Session Law 2019-250 Section 3.5(a), the Department of Public Safety shall "notify the Director of the Budget, the Office of the Governor, the chairs of the House of Representatives and Senate Appropriations Committees, the chairs of the House of Representatives and Senate Appropriations Committees on Justice and Public Safety, the Fiscal Research Division, and any other State entities deemed necessary of the potential for using Community Development Block Grant-Disaster Recovery (CDBG-DR) funds to cover the nonfederal share of matching requirements for eligible programs at the following times:

- a. June 1 of each year.*
- b. Within five days of a presidential disaster declaration for the State of North Carolina."*

Pursuant to above stated Session Law, the Department of Public Safety is submitting the annual notification of possible availability of Community Development Block Grant-Disaster Recovery (CDBG-DR) funding for nonfederal match requirements.

The State of North Carolina may be required to provide nonfederal match for eligible federal disaster response or relief programs. Utilization of CDBG-DR funding for nonfederal match requirements will require US Department of Housing and Urban Development review and approval and inclusion in state action plans for funding implementation. The Department would like to note that utilization of CDBG-DR funding as nonfederal match will result in decreased available funds to support disaster survivors in North Carolina.
