RE: Annual Report on Positions Vacant 12 Months or More

DATE: February 01, 2018

Pursuant to G.S. 120-12.1, The Judicial Department, the Department of Justice, and the Department of Public Safety shall each report by February 1 of each year to the Chairs of the House and Senate Appropriations Committees and the Chairs of the House and Senate Appropriations Subcommittees on Justice and Public Safety on all positions within that department that have remained vacant for 12 months or more. The report shall include the original position vacancy dates, the dates of any postings or repostings of the positions, and an explanation for the length of the vacancies. (1998-212, s. 16.23; 2011-145, s. 19.1(g), (h); 2012-83, s. 42.)

As the State's largest governmental agency, employing approximately 35,000, the Department of Public Safety (DPS) has worked vigorously to reform and expedite the hiring process, and reclassify positions to reduce the number of vacancies.

The Department continues to work with OSBM and OSHR to reclassify or consolidate certain positions. Currently, DPS has 495 vacancies, 127 of which have been reallocated since July 2017. The Department will continue its efforts to reduce the number of vacant positions.

Below is a breakdown of all DPS Positions that have been vacant for 12 months or more as of February 01, 2018.
