**FROM:** Kyle Fay, SBI Business Manager

**SUBJECT:** Federal Grants Received January 1, 2023, through January 31, 2023

Pursuant to Section 5.4a of [S.L. 2021-180](#), the NC State Bureau of Investigation received two direct grants from the US Department of Justice in January of 2023. This project will not require any matching funds, although the grant does not pay for equipment that is not used exclusively for Cannabis Suppression and Eradication Missions. Equipment that is used for Eradication Missions and other field work will be billed proportionately so that only the percentage of use dedicated to Marijuana Eradication will be billed to the grant. The funding awarded will not support any construction costs or acquisition of any capital assets.

Project	Purpose	Amount	Funding Source	Period of Performance
FY 2023 Cannabis Suppression and Eradication Grant	Support the SBI's Marijuana Eradication Missions, including flight missions and equipment for surveillance and eradication on the ground.	\$50,000.00  Matching funds are not required for this project.	US Department of Justice, Drug Enforcement Administration (DEA)	October 1, 2022, through September 30, 2023.
