All hospitals comply with the mandated rates of two times Medicaid rate or seventy percent of prevailing rates. All claims were processed in a timely manner by PBGA.

2. The volume of scheduled and emergent services listed by hospital and, of that volume, the number of those services that are provided by contracted and noncontracted providers.

Figure 1 below indicates the number of hospitals and related facilities providing emergent services and observational services provided in 3rd quarter, 2023.
