NORTH CAROLINA SHERIFFS' ASSOCIATION

Statewide Misdemeanant Confinement Program

Monthly Status Report

November 2023

The Statewide Misdemeanant Confinement Program (SMCP) manages the housing, transportation and medical expenses of state inmates housed in a local jail who have been convicted of a misdemeanor crime with a sentence of 91 days or more and those convicted of a misdemeanor Driving While Impaired (DWI) offense. The North Carolina Sheriffs' Association (NCSA) provides a critical role in managing the day-to-day operations of the program. The Monthly Status Report is prepared by NCSA staff and then sent to all interested parties. The report includes the daily inmate population for the reported month, the number of volunteered beds in the program, the number of confinements in response to violations (CRV's) for the month, the number of DWI's for the month, roadway cleanup status for the reported month, and the SMCP reimbursement statement.

Pursuant to G.S. § 148-32.1 (b2) the North Carolina Sheriffs' Association must provide a monthly report on the status of the Statewide Misdemeanant Confinement Program to the Office of State Budget and Management and the Fiscal Research Division no later than the 15th day of each month.

NCSA staff continues to process entries into, and releases out of, the Statewide Misdemeanant Confinement Program. It should also be noted that the number of SMCP beds being utilized experienced a downward trend at the start of the pandemic due to a limited number of cases being brought before the court and the release of SMCP inmates. The downward trend eventually stabilized and current numbers seem to indicate a gradual increase in population is occurring when examining the past several months. However, when comparing current population data to periods before the pandemic, population numbers remain below average.

All counties holding SMCP inmates continue to receive reimbursements for housing and transportation costs. The NCSA staff continues to ensure reimbursements are calculated appropriately through a monthly reconciliation process. All reimbursements for the month of October 2023 were issued to counties on a timely basis, according to policy, on November 30, 2023.

The county map has been adjusted to differentiate between receiving counties (those with an active SMCP contract) and sending only counties. The map can be found on page 8 of the Monthly Status Report.

Total Number of Volunteered Beds			
	Male	Female	Total
Occupied Beds	625	115	740
Unoccupied Beds	148	24	172
Total Beds	773	139	912

* as of November 30, 2023

In the 2021 Regular Session, the North Carolina General Assembly enacted Senate Bill 105 [S.L. 2021 – 180] – the 2021 Appropriations Act. This bill included a provision that increased the reimbursement rate from \$40 per day to \$60 per day for all SMCP inmates in those counties that utilize SMCP inmate labor to perform at least 500 work hours of roadway cleanup per month.

The below table reflects the counties that used SMCP inmate labor for roadway cleanup in November 2023.

Roadway Cleanup Program Status as of November 30, 2023

County	Roadway Hours	Road Miles
Bladen	278	73
Moore	371.5	104.5
Northampton	560	18
Total	1,209.5	195.5

NCSA staff continues to evaluate and manage the operations of the SMCP as we progress through this period of uncertainty. NCSA staff are constantly evaluating ways to evolve and expand the capacity of the SMCP that are mutually acceptable among all stakeholders.
