Monthly Status Report

North Carolina Sheriffs' Association

March 2024

NORTH CAROLINA SHERIFFS' ASSOCIATION

Statewide Misdemeanant Confinement Program

Monthly Status Report

March 2024

The Statewide Misdemeanant Confinement Program (SMCP) manages the housing, transportation and medical expenses of state inmates housed in a local jail who have been convicted of a misdemeanor crime with a sentence of 91 days or more and those convicted of a misdemeanor Driving While Impaired (DWI) offense. The North Carolina Sheriffs' Association (NCSA) provides a critical role in managing the day-to-day operations of the program. The Monthly Status Report is prepared by NCSA staff and then sent to all interested parties. The report includes the daily inmate population for the reported month, the number of volunteered beds in the program, the number of confinements in response to violations (CRV's) for the month, the number of DWI's for the month, roadway cleanup status for the reported month, and the SMCP reimbursement statement.

Pursuant to G.S. § 148-32.1 (b2) the North Carolina Sheriffs' Association must provide a monthly report on the status of the Statewide Misdemeanant Confinement Program to the Office of State Budget and Management and the Fiscal Research Division no later than the 15th day of each month.

NCSA staff continues to process entries into, and releases out of, the Statewide Misdemeanant Confinement Program. It should also be noted that the number of SMCP beds being utilized experienced a downward trend at the start of the pandemic due to a limited number of cases being brought before the court and the release of SMCP inmates. The downward trend eventually stabilized and current numbers seem to indicate a gradual increase in population is occurring when examining the past several months. However, when comparing current population data to periods before the pandemic, population numbers remain below average.

All counties holding SMCP inmates continue to receive reimbursements for housing and transportation costs. The NCSA staff continues to ensure reimbursements are calculated appropriately through a monthly reconciliation process. All reimbursements for the month of February 2024 were issued to counties on a timely basis, according to policy, on March 31, 2024.

The county map has been adjusted to differentiate between receiving counties (those with an active SMCP contract) and sending only counties. The map can be found on page 8 of the Monthly Status Report.

Total Number of Volunteered Beds			
	Male	Female	Total
Occupied Beds	667	129	796
Unoccupied Beds	123	25	148
Total Beds	790	154	944

* as of March 31, 2024

In the 2021 Regular Session, the North Carolina General Assembly enacted Senate Bill 105 [S.L. 2021 – 180] – the 2021 Appropriations Act. This bill included a provision that increased the reimbursement rate from \$40 per day to \$60 per day for all SMCP inmates in those counties that utilize SMCP inmate labor to perform at least 500 work hours of roadway cleanup per month. In the 2023 Regular Session, the North Carolina General Assembly enacted House Bill 259 [S.L. 2023-134] – the 2023 Appropriations Act and provided additional funds to allow the increased reimbursement rate to continue through 2025.

The below table reflects the counties that used SMCP inmate labor for roadway cleanup in March 2024.

Roadway Cleanup Program Status as of March 31, 2024

County	Roadway Hours	Road Miles
Bladen	222	75
Columbus	516	23
Northampton	504	22
Yancey	508	34.7
Total	1,750	154.7

NCSA staff continues to evaluate and manage the operations of the SMCP. We are constantly evaluating ways to evolve and expand the capacity of the SMCP that are mutually acceptable among all stakeholders.
