State of North Carolina
Department of the Secretary of State

ELAINE F. MARSHALL
SECRETARY OF STATE

Each year, as we head into the season of giving, the North Carolina Department of the Secretary State issues the Charitable Solicitation Licensing (CSL) Division's Annual Report. This report includes financial information related to charities and nonprofits using a professional fundraiser and otherwise required by law to register with the Department of the Secretary of State's CSL Division.

I am pleased to report that this past year we saw not only an increase in overall donations collected by professional fundraisers licensed by the state, but a record-high aggregate percentage going directly to charities' programs.

Professional fundraisers raised $47,584,598.39 from North Carolinians between July 1, 2021 and June 30, 2022. This represents $13.5 million of growth in overall giving from the 2020-2021 report. Of this, $38,918,516.11 went directly to charities, resulting in an aggregate percentage of 81.79 going to charities' programming. That marks the highest aggregate percentage going to charities in the 22 years that the Secretary of State's Office has been compiling this report.

Data reported to our office from national solicitation campaigns that included North Carolina residents also saw growth in 2021-2022. Those multi-state or national campaigns reported raising $1,237,705,658.59, an increase of $193,873,556.13 over 2020-2021, with an aggregate percentage of 85.12 being netted by charities.

North Carolinians can make informed giving decisions by using this report to find the percentage of contributions actually going to the charity's purpose.

As North Carolina's top regulator for charitable solicitations, I hope you will find the information included in this report to be a valuable resource for you. I thank North Carolina's giving public for its continued generosity, and I thank charities that are continuing to work efficiently to make the most of every contribution.

Yours Truly,

Elaine F. Marshall

Section One:

Executive Summary of Professional Solicitor Activities

The Executive Summary serves as an overview of the percentage of contributions charities receive from professional fundraisers. This information has been entered from final accounting reports filed by the fundraisers with the Charitable Solicitation Licensing Division. Some final accounting reports filed with the Department reflect planned giving campaigns that may not immediately realize results.

This section of the Annual Report reflects two significantly different sets of data. The first set of data reflects reported solicitation activities and contributions solely from North Carolina citizens. The second set of data in this section reflects data reported for national solicitation campaigns that include North Carolina citizens. Individual final accounting reports provided by a filing organization should be consulted to obtain the most complete and thorough information.

To make the report the most useful to consumers it is provided in two versions. One is sorted by solicitor name and the other by charity name.

To obtain a copy of a final accounting report on record with the Charitable Solicitation Licensing Division, go to www.sosnc.gov, click on "Division", and then under "Charities" click on "Search Our Registry." In the Search box, enter the name of the professional solicitor whose financial information you seek. Once the "Search Results" page appears, scroll down, and under "Filings", click on "Campaign Final Reports". Go to the most recent year's filings by scrolling down to the last document, click on the "Doc ID Number. If a final accounting report is on file, it will appear in the filing under the title "Final Accounting." You will be able to view a PDF version of the final accounting report on file with the Department.

(Note: The information in this section does not include data representative of staff level fundraising professionals employed directly by charitable organizations in the State.)

Total Number of Charitable Organizations: 9181

Section Three:

Exempt Organizations

North Carolina General Statute Chapter131F provides for a number of exemptions from the licensure. To obtain an exemption, a charitable or sponsor organization may submit to the Department a written request for exemption with supporting documentation. Upon approval of the exemption request, the charitable organization will receive a letter of exemption from the Department. A charity may be exempt, but not be included in this Registry if it has not requested an exemption from the Department. The Department has the authority to review and/or cancel an exemption at any time for good cause.`

The following entities are exempt under the provisions of Chapter 131F-3. The following report of exempt organizations on file with the Department includes a column labeled "Exempt No." The numbers in that column correspond to the exemptions listed below.

131F-3(1)	Any person who solicits charitable contributions for a religious institution.
131F-3(2)	Solicitation of charitable contributions by the federal, State, or local government, or any of their agencies.
131F-3(3)	Any person who receives less than twenty-five thousand dollars ($25,000) in contributions in any calendar year and does not provide compensation to any officer, trustee, organizer, incorporator, fund-raiser, or solicitor. (*Note: This exemption requires an annual review of an organization's financial information by the Department.)*
131F-3(4)	Any educational institution, the curriculum of which, in whole or part, is registered, approved, or accredited by the Southern Association of Colleges and Schools or an equivalent regional accrediting body, and any educational institution in compliance with Article 39 of Chapter 115C of the General Statutes, any foundation or department having an established identity with any of these educational institutions, and any organization with a membership that is composed solely of 20 or more educational institutions as defined in this Chapter.

Exemptions under 131F Continued

131F-3(5)	Any hospital licensed pursuant to Article 5 of Chapter 131E or Article 2 of Chapter 122C of the General Statutes and any foundation or department having an established identity with that hospital if the governing body of the hospital, authorizes the solicitation and receives an accounting of the funds collected and expended.
131F-3(6)	Any noncommercial radio or television station.
131F-3(7)	A qualified community trust as provided in 26 C.F.R. § 1.170A-9(e)(10) through (e)(14).
131F-3(8)	A bona fide volunteer or bona fide employee or salaried officer of a charitable organization or sponsor.
131F-3(9)	An attorney, investment counselor, or banker who advises a person to make a charitable contribution.
131F-3(10)	A volunteer fire department, REACT (Radio Emergency Associated Communications Teams), rescue squad, or emergency medical service.
131F-3(11)	A Young Men's Christian Association or a Young Women's Christian Association.
131F-3(12)	A nonprofit continuing care facility licensed under Article 64 of Chapter 58 of the General Statutes.
131F-3(13)	Any tax exempt nonprofit fire or emergency medical service organization involved in the sale of goods or services that does not ask for a donation.

(Note: Some organizations in this list have an "SL" number in the License column rather than an "EX" number. This indicates the organization at one time had a charitable license but now qualifies for an exemption under N.C.G.S.§ 131F.)

Organizations Exempt Under 131F-3(3)

131F-3(3)	Any person who receives less than twenty-five thousand dollars ($25,000) in contributions in any calendar year and does not provide compensation to any officer, trustee, organizer, incorporator, fund-raiser, or solicitor. (*Note: This exemption requires an annual review of an organization's financial information by the Department.)*

The exemption granted under N.C.G.S. §131F-3(3) is based on annual financial information submitted by the organization. As a result, an organization's qualification for this exemption can vary from year to year, depending on fluctuations in the organization's contributions received. The organizations listed in this section of the report provided financial information documenting they qualified for the 131F-3(3) exemption in the 2020-2021 year covered by this Report.

Section Four:

Professional Fundraisers Registered in North Carolina to Act on Behalf of Charitable or Sponsor Organizations

A professional fundraiser generally is a person or organization that is paid by a charitable or sponsor organization to raise money on the charity's behalf. The for-profit business usually arranges a flat fee or charges the charity a percentage of the donations collected on the charity's behalf.

(Note: The information in this section does not include data representing fundraising/development staff members employed directly by charitable organizations. This data includes only fundraising professionals that are contracted by charitable or sponsor organizations and are not members of the charity's staff.)

The Charitable Solicitation Licensing Division maintains a registry of professional fundraisers licensed to act on behalf of organizations soliciting North Carolina residents using a charitable or civic appeal. There are two types of professional fundraisers defined by N.C.G.S.§131F.

A **Fundraising Consultant** is a professional who is paid to advise a charity or sponsor organization on its fundraising activities, but does not solicit contributions directly and does not at any time have custody or control of contributions.

A **Solicitor** is any person who, for compensation, does not qualify as a fundraising consultant and either: 1) performs any service, including the employment or engagement of other persons or services, to solicit contributions for a charitable organization or sponsor, or 2) plans, conducts, manages, consults, whether directly or indirectly, in connection with the solicitation of contributions for a charitable organization or sponsor. A solicitor in North Carolina is required to obtain a bond with a surety authorized to do business in North Carolina and to which the solicitor is the principal obligor.

The following list of those professional fundraisers who have a current license to conduct business with charities or sponsor organizations in North Carolina is divided into two sections: 1) Fundraising Consultants, and 2) Solicitors.

Contracts Submitted by Solicitors Conducting Solicitation Campaigns in North Carolina

Solicitors are required to file with the Department a copy of each contract with a charitable or sponsor organization along with a Final Accounting Report for the solicitation campaign.

The following is a list of submitted contracts indicating the fixed percentage of gross revenue the charitable organization will receive as a benefit from the campaign, or a reasonable estimate of the percentage of the gross revenue the charitable organization will receive as a benefit from the campaign, or the guaranteed minimum percentage of the gross revenue the charitable organization will receive as a benefit from the campaign.

In some cases, a charity has entered into more than one contract with the same solicitor in the time period covered in this report. In this instance, the reader will see multiple entries for the charity and the solicitor; however, the details of the contract may vary.

Section Six:

Charitable or Sponsor Organizations Filing an Optional Audited Financial Statement

Audited financial statements are not a requirement under N.C.G.S.§131F; however, they are strongly recommended. Such statements provide the public with a wealth of information that can be used to make knowledgeable and informed giving decisions. The Department includes in the Annual Report a list of those charitable or sponsor organizations opting to submit an audited financial statement or an audit with opinion prepared by an independent Certified Public Accountant.

To obtain a copy of an audited financial statement on record with the Charitable Solicitation Licensing Division, go to www.sosnc.gov, click on "Divisions", and then under "Charities" click on "Search Our Registry." In the Search box, enter the name of the Organization whose financial statement you seek. Once the "Search Results" page appears, under "Action", click on the folder symbol to access the file. Go to the most recent year's filings and click on the folder icon. If a financial statement is on file, it will appear in the filing under the title "Audit." You will be able to view a PDF version of the financial statement or audit on file with the Department.

The Charitable Solicitation Licensing Division of the North Carolina Department of the Secretary of State is charged with charitable solicitation licensing and enforcement under N.C.G.S. Chapter 131-F et. seq. (hereinafter referred to as "the Charitable Solicitation Act") and Title 18, Chapter 11 of the North Carolina Administrative Code.

For the FY 2022, charity regulators nationwide centered its focus on charities that received contributions to provide cancer-related services.

As of May 2022, the North Carolina Department of the Secretary of State's Charitable Solicitation Licensing Division along with the Federal Trade Commission (FTC), and other State and Agency Regulators are investigating the charitable activities of three (3) Cancer Related Charities for their alleged violation of the Charitable Solicitation Act in the respective jurisdictions.

This unified effort of various charity regulators has proven to be an effective manner to protect the public in their charitable giving, effectively pool limited enforcement resources, and increase the awareness of bad actors.

§ 131F-2. Definitions.

The following definitions apply in this Chapter:

(1) "Association" means any voluntary statewide organization of persons for common ends especially as in an organized group working together or periodically meeting because of common interests, beliefs, or professions. These associations may serve charitable organizations including environmental, health, educational, humane, patriotic, scientific, artistic, social welfare, and civic.

(9) "Federated fund-raising organization" means a federation of independent charitable organizations which have voluntarily joined together, including a united way, united arts fund, or community chest, for the purpose of raising and distributing contributions and where membership does not confer operating authority and control of the individual organization upon the federated group organization.

(10) "Fund-raising consultant" means any person who meets all of the following:

a. Is retained by a charitable organization or sponsor for a fixed fee or rate under a written agreement to plan, manage, conduct, consult, or prepare material for the solicitation of contributions in this State.

(16) "Person" means any individual, organization, trust, foundation, association, group, entity, partnership, corporation, society, or any combination of these acting as a unit.

(17) "Religious institution" means any church, ecclesiastical, or denominational organization, or any established physical place for worship in this State at which nonprofit religious services and activities are regularly conducted, and any bona fide religious groups that do not maintain specific places of worship. "Religious institution" includes any separate group or corporation that forms an integral part of a religious institution that is exempt from federal income tax under the provisions of section 501(c)(3) of the Internal Revenue Code, and that is primarily supported by funds solicited inside its own membership or congregation.

(18) "Solicitation" means a request, directly or indirectly, for money, property, financial assistance, or any other thing of value on the plea or representation that it will be used for a charitable or sponsor purpose or will benefit a charitable organization or sponsor. "Solicitation" may occur by any of the following methods:
   a. Any oral or written request.

d. Selling or offering or attempting to sell any good, service, chance, right, or any thing of value to benefit a charitable organization or sponsor.
e. Placing or maintaining a collection receptacle in public view for the purpose of collecting donated clothing, household items, and other items for resale.

The selling or offering or attempting to sell is a "solicitation" whether or not the person making the solicitation receives any contribution. It is not a "solicitation" when a person applies for a grant or an award to the government or to an organization that is exempt from federal income taxation under section 501(a) of the Internal Revenue Code and described in section 501(c) of the Internal Revenue Code.

(19) "Solicitor" means any person who, for compensation, does not qualify as a fund-raising consultant and does either of the following:
a. Performs any service, including the employment or engagement of other persons or services, to solicit contributions for a charitable organization or sponsor.
b. Plans, conducts, manages, consults, whether directly or indirectly, in connection with the solicitation of contributions for a charitable organization or sponsor.

(20) "Sponsor" means a person who is or holds out to others as soliciting contributions by the use of any name that implies affiliation with emergency service employees or law enforcement officers and who is not a charitable organization. "Sponsor" includes a chapter, branch, or affiliate that has its principal place of business outside the State, if this chapter, branch, or affiliate solicits or holds out to be soliciting contributions in this State.

(21) "Sponsor purpose" means any program or endeavor performed to benefit emergency service employees or law enforcement officers.

(22) "Sponsor sales promotion" means an advertising or sales campaign conducted by a coventurer who represents that the purchase or use of goods or services offered by the coventurer will be used for a sponsor purpose or donated to a sponsor. The provision of advertising services alone to a sponsor does not constitute a sponsor sales promotion.

(2) Solicitation of charitable contributions by the federal, State, or local government, or any of their agencies.

§ 131F-23. Enforcement.

(b) Subpoena Power. – The Department may issue and serve subpoenas and subpoenas duces tecum to compel the attendance of witnesses and the production of all books, accounts, records, and other documents and materials relevant to an examination or investigation. The Department, or its duly authorized representative, may administer oaths and affirmations to any person.

(c) Court Action. – In the event of substantial noncompliance with a subpoena or subpoena duces tecum issued or caused to be issued by the Department, the Department may petition the superior court of the county in which the person subpoenaed resides or has the principal place of business for an order requiring the subpoenaed person to appear and testify and to produce any books, accounts, records, and other documents as are specified in the subpoena duces tecum. The court may grant injunctive relief restraining the person from collecting contributions and any other relief, including the restraint by injunction or appointment of a receiver, or any transfer, pledge, assignment, or other disposition of the person's assets, or any concealment, alteration, destruction, or other disposition of subpoenaed books, accounts, records, or other documents and materials as the court deems appropriate, until the person or organization has fully complied with the subpoena or subpoena duces tecum and the Department has completed its investigation or examination. The court may also order the person to produce a financial statement that has been audited by an independent certified public accountant. Costs incurred by the Department to obtain an order granting, in whole or in part, a petition for enforcement of a subpoena or subpoena duces tecum shall be taxed against the subpoenaed person and failure to comply with the order shall be contempt of court.

(d) Violations. – The Department may enter an order imposing one or more of the penalties set forth in subsection (e) of this section if the Department finds that a charitable organization, sponsor, fund-raising consultant, or solicitor, or their officers, agents, directors, or employees have engaged in any of the following acts:

(b) Attorney General. – The Attorney General may conduct any investigation necessary to bring a civil action under this section, including administering oaths and affirmations, subpoenaing witnesses or material, and collecting evidence.

(c) Voluntary Compliance. – The Attorney General may terminate an investigation or an action upon acceptance of a person's written assurance of voluntary compliance with this Chapter. Acceptance of an assurance may be conditioned on commitment to reimburse donors or to take other appropriate corrective action. An assurance is not evidence of a prior violation of any of this Chapter. Unless an assurance has been rescinded by agreement of the parties or voided by a court for good cause, subsequent failure to comply with the terms of an assurance is prima facie evidence of a violation of this Chapter.

This list shall appear in order of percentages, from lowest to highest.

(d) Each year immediately following the submission of the report under subsection (c) of this section, the Secretary of State shall issue that report as a press release to all print and electronic news media that provide general coverage.
