AN ACT TO RENDER SECURE FROM DAMAGES AND NOTABLY SECURE FROM DAMAGE BY FIRES SUCH WOODLANDS IN NORTH CAROLINA AS ARE SITUATED ABOVE THE CONTOUR LINE OF 2,000 FEET AND AS MAY BE DECLARED TO BE STATE FORESTS OF NORTH CAROLINA.

Whereas the forests at the headwaters of the streams of North Carolina, and notably those situated at an altitude above sea level exceeding two thousand feet, are of the utmost importance to the commonwealth of North Carolina, directly as well as indirectly; and whereas the large majority of the lands of North Carolina situated above two thousand feet elevation are too steep and climatically too humid and too cold for successful agriculture; and whereas the main product of the said lands situated above contour line two thousand feet consists and must consist for all time hereafter in wood and timber; and whereas the reproduction of wood and timber in the regions named is handicapped only and solely by the prevalence of forests fires, preventing nature from reproducing the forests in the same manner in which they were reproduced by nature before the advent of the white man: therefore,

The General Assembly of North Carolina do enact:

SECTION 1. The Governor of the State, upon the written application of any owner or owners of wooded lands situated in North Carolina above contour line two thousand feet, may at his discretion declare the lands of such owner or owners, or such parts thereof as he may deem advisable, a "State forest of North Carolina."

SEC. 2. The declaration of the Governor shall be published, at the expense of the applicant, in three consecutive issues of any newspaper published in the county or counties wherein the lands declared a State forest reserve are situated, if there be one; if no paper is published in the county or counties, then in a paper published in an adjoining county; and after such publication the said lands shall be and are a State forest of North Carolina for the term of thirty years.

Agreement by owners.

SEC. 3. The owner or owners, when making such written application, shall agree in writing to treat in a conservative manner the proposed State forest described in the application, such manner to be in accordance with a working plan approved by the North Carolina Geological and Economic Survey; and the said owner or owners of such proposed State forest, when making such application, shall agree to pay annually into the school fund of the county wherein such proposed State forest or a part thereof is situated one-half cent for every acre of such proposed State forest situated within the county; and if the owner or owners thereafter shall fail to make such annual payment, then and in that case the declaration of the Governor establishing the said State forest shall be null and void to all intents and purposes.

Declaration nullified by failure to pay assessments.

Appointment of State forest wardens.

SEC. 4. The Governor shall appoint at his discretion, with the approval of the commissioners of the county wherein a State forest is situated, as State forest wardens such a man or men over twenty-one years of age as may be designated for appointment by the owner or owners of such State forest. Such State forest wardens are to receive no compensation other than that which the owner or owners of the State forest may pay to them.

Powers of State forest wardens.

SEC. 5. The State forest wardens thus appointed may make arrest on sight, without warrant, for any criminal offense set out in sections three thousand three hundred and forty-six, three thousand three hundred and forty-seven, three thousand four hundred and eighty, three thousand four hundred and eighty-one, three thousand six hundred and seventy-seven, three thousand six hundred and eighty-seven and three thousand six hundred and eighty-eight of the Revisal of one thousand nine hundred and five, or other crime relating to real estate committed within the said State forest, and they shall safeguard against trespass, and notably against fire, the State forest for which they have been appointed; and, as far as the enforcement of the provisions of this act is concerned, the State forest warden shall have all the powers, privileges and protection otherwise had by sheriffs under any act or law now in force.

Preamble.

Whereas Lower Creek, from a point near the corporate limits of the town of Lenoir, in Caldwell County, to or near its mouth at the Catawba River, in Burke County, has been filled up with decaying timber, mud, debris and other substances so near to the top of its banks in many places as to cause it to overflow whenever the usual heavy rains occur many acres of bottom land lying on both sides of said stream and render a large portion of the adjacent farms either totally uncultivable or much less productive than it was before said creek was filled up or would now be if said stream was deepened, straightened and cleared out; and whereas there is reason to believe that the overflowing of said stream is creating dangerous malaria and the bed of said stream is being filled up every year at the rate of two to eight inches, and that the overflow from natural causes and the consequent malaria engendered thereby are becoming greater every year: therefore,

AN ACT TO RELIEVE THE SURETY OF WILLIAM H. WORTH, LATE STATE TREASURER, FROM ANY FURTHER LIABILITY ON ACCOUNT OF HIS BONDS.

Preamble.

Whereas, from January, one thousand eight hundred and ninety-five, until January, one thousand nine hundred and one, William H. Worth was Treasurer of this State and had in his employ one W. H. Martin as institutional clerk; and whereas the said W. H. Martin embezzled a considerable sum of money belonging to said institutions, which was not discovered until after the said William H. Worth had ceased to be State Treasurer; and whereas, upon discovery of said defalcation, and not knowing the amount of the same, and in order that he might protect his bondsmen, the said William H. Worth and wife conveyed to H. W. Jackson, as trustee, all of their property, both real and personal, without reservation, to be sold, if necessary, to protect his said bondsmen; and whereas, after an investigation, the amount of the said defalcation was ascertained and the sum paid in full to the State by the said William H. Worth and his bondsmen; and whereas the said William H. mained unsold at the time of the settlement between the said William H. Worth and his bondsmen and the State, and the same was reconveyed to the said William H. Worth by the said H. W. Jackson, trustee, with the reservation that if further liability was imposed upon the surety they should have recourse to said property; and whereas more than seven years have now elapsed since the settlement of the said William H. Worth and his bondsmen and the State, and no further liability has been imposed and no further default discovered, and there appears to be no reasonable possibility that any further liability can be imposed; and whereas the reservation in the deed from the said H. W. Jackson, trustee, to the said William H. Worth, reconveying the property, is a cloud upon the title of the said William H. Worth and effectually prevents a sale of the same by him, which he desires to make; and whereas there is no reason why the State should longer hold the bondsmen of the said William H. Worth bound for matters settled more than seven years ago: now, therefore,

The General Assembly of North Carolina do enact:
