PREFACE

The Legislative Research Commission, established by Article 6B of Chapter 120 of the General Statutes, is a general purpose study group. The Commission is co-chaired by the Speaker of the House and the President Pro Tempore of the Senate and has five additional members appointed from each house of the General Assembly. Among the Commission's duties is that of making or causing to be made, upon the direction of the General Assembly, "such studies of and investigations into governmental agencies and institutions and matters of public policy as will aid the General Assembly in performing its duties in the most efficient and effective manner" (G.S. 120-30.17(1)).

At the direction of the 1987 General Assembly, the Legislative Research Commission has undertaken studies of numerous subjects. These studies were grouped into broad categories and each member of the Commission was given responsibility for one category of study. The Co-chairs of the Legislative Research Commission, under the authority of G.S. 120-30.10(b) and (c), appointed committees consisting of members of the General Assembly and the public to conduct the studies. Co-chairs, one from each house of the General Assembly, were designated for each committee.

The study of Campaign and Election Procedures was authorized by Section 2.1 of Chapter 873 of the 1987 Session Laws. That act states that the Commission may consider House Bill 1533 in determining the nature, scope and aspects of the study. Section 1 of House Bill 1533 reads in part: "The Legislative Research Commission may study the issue of campaign and election procedure." The relevant portions of Chapter 873 and House Bill 1533 are included in Appendix A. The Legislative Research Commission grouped this study in its State Regulation area under the direction of Senator Henson P. Barnes. The Committee was chaired by Senator Russell G. Walker and Representative Donald M. Dawkins. The full membership of the

Committee is listed in Appendix B of this report. A committee notebook containing the committee minutes and all information presented to the committee is filed in the Legislative Library.

COMMITTEE PROCEEDINGS

The Legislative Research Commission's Study Committee on Campaign and Election Procedures met four times.

First Meeting -- February 15

The first meeting of the Committee was held February 15, 1988 the State Legislative Building. Mr. Alex K. Brock, the State Director of Elections and Secretary of the State Board of Elections, brought several matters to the Committee's attention:

1. Straight-Ticket Single-Shot Voting in Multi-Seat Races. Mr. Brock said 14 counties had been put in a bind because of a complex of laws related to straight-ticket voting. The federal court case of Hendon v. Board of Elections stated that if a voter marks a straight-party ticket but then crosses over and votes for a candidate of the other party, then the crossover vote must be counted. If the crossover vote is in a multi-seat race, then only the individually marked vote in that race may be counted, the court said. The 1987 General Assembly, hoping to limit the impact of Hendon on the power of the straight-ticket vote, enacted G.S. 163-170.1, directing that if a voter marked a straight-party ticket but then came down in the same party column and marked an individual nominee of that party in a multi-seat race, then that single-shot vote would be disregarded and votes would be counted for all the party's nominees in that multi-seat race. Mr. Brock said the problem was that 14 counties, having geared their equipment to comply with the Hendon rule on crossover voting, were unable to adapt that equipment to the legislative dictate without incurring great expense. He asked for a solution to the problem.
2. Withdrawal of Primary Candidate After Filing Deadline. He said there had been disagreement over whether a candidate should be allowed to withdraw from a primary after the filing deadline. G.S. 163-106(e) clearly gave a primary candidate the right to withdraw his notice of candidacy until the filing deadline. The statute did not say, however, what would happen if a primary candidate sought to withdraw after the filing deadline: Would the candidate be refunded his filing fee? Would his name be on or off the ballot? Would votes cast for him be counted? Mr. Brock said the practice of the State Board of Elections was to allow a candidate to withdraw up to the time the ballot was printed, even if that occurred after the filing deadline. He requested some direction from the General Assembly.
3. Financial Reports From Low-Budget Campaigns. Mr. Brock said he thought it was more trouble for election offices to receive and process the required contribution/expense reports from low-budget campaigns than the reports were worth to the public. He suggested setting a figure, such as \$500, and exempting from the reporting requirement all campaigns that neither raised nor spent more than that amount.
4. Enforcement of Late Report Penalties. Mr. Brock said his office is often under pressure to waive the penalty for late filing of campaign reports. G.S. 163-278.34 sets that penalty as \$20 a day for up to five days. He said he

would like guidance as to whether the General Assembly supported his office's taking a hard line on penalties.

The Committee also heard from Mr. Gene Lucas of WRRZ Radio in Clinton, who was on the agenda at the request of Rep. Ed C. Bowen. Mr. Lucas urged the Committee to re-examine the requirement that county boards of elections use local newspapers to publicize elections. That reliance on newspapers is outdated, he said, since more people can be reached by radio.

In response to Mr. Brock's suggestions, the Committee directed the staff to draft bills dealing with withdrawal by primary candidates, exemption from reporting of candidates raising and spending less than \$500, and the repeal of 163-170.1 on straight-ticket/single-shot voting. Mr. Brock said he felt satisfied with the response of the Committee supporting his hard-line stance on late-penalties, and did not feel legislation was needed.

At the suggestion of Sen. Walker, the Committee directed the staff to draft a bill eliminating what was described as duplication of the Economic Interest Statements that legislators were required to file. The Legislative Ethics Act (Article 14 of Chapter 120 of the General Statutes) required all legislative candidates to file Statements of Economic Interest with their county boards of elections shortly after they file notice of candidacy, and the county board was required to forward copies of those Statements to the State Board of Elections. In addition, all elected legislators were required to file Statements of Economic Interest with the Legislative Services Office in Raleigh by January 15 after their election, and to update those reports every January 15 thereafter while in the General Assembly.

Second Meeting -- March 29, 1988

At the second meeting, the Committee voted to endorse the following bills for the 1988 Short Session of the General Assembly:

1. Straight-Ticket Single Shot Voting in Multi-Seat Races. The Committee endorsed leaving G.S. 163-170.1 in the statutes, but reversing the rule so that only the specifically marked candidate would be counted in a multi-seat race where the voter voted a straight-party ticket, but then marked an individual nominee of that party in the multi-seat race.
2. Withdrawal by Primary Candidate After Filing Deadline. The Committee endorsed a strict rule that no primary candidate may withdraw after the filing deadline. Under this approach, if he does not withdraw before the filing deadline, his filing fee is retained by the board of elections, his name stays on the ballot, and any votes cast for him are counted. At Mr. Brock's suggestion, the Committee endorsed changing the Economic Interest Statement law to close what he described as a loophole that allowed legislative candidates to withdraw. Under G.S. 120-98, the penalty for a legislative candidate's failing to file an Economic Interest Statement was disqualification of his candidacy; if the penalty was invoked, his filing fee was to be returned to him. Candidates could, in effect, withdraw after the filing deadline by refusing to file an Economic Interest Statement. The Committee endorsed changing the penalty so that a candidate who failed to file an

Economic Interest Statement could not have his nomination certified if he won the primary; his name, however, would not be removed from the primary ballot for failure to file the Statement, and his filing fee would not be refunded. In choosing this approach, the Committee rejected an alternative that would have handled the withdrawal of a candidate after the filing deadline in a manner similar to the treatment of the death of a candidate after the filing deadline: i.e., by reopening the filing period for a short time.

3. **Threshold of \$500 for Campaign Financial Reporting.** The Committee endorsed a bill that would excuse a candidate from making financial reports if he raises less than \$500 in his campaign and spends less than \$500 in his campaign. The candidate would qualify for the exemption if his treasurer filed a certification under oath that he did not intend to raise or spend more than \$500. The treasurer would be responsible for giving notice if the intent changed or the contribution or expenditure limit was exceeded--and for filing reports thereafter.
4. **Elimination of Duplication in Economic Interest Statements.** The Committee endorsed removing the requirement that members of the General Assembly file Economic Interest Statements with the Legislative Services Office by January 15 after their election and update those statements every succeeding January 15 while in office. Also endorsed was the removal of the requirement that each county board of elections forward the Economic Interest Statements filed with it to the State Board of Elections. The approach just described was a compromise reached after the Committee debated two alternative approaches for ending duplication: Alternative 1 would have eliminated the elected legislators' filing with the Legislative Services Office; Alternative 2 would have eliminated the legislative candidates' filing with the county board of elections. The compromise was to choose Alternative 1 and to eliminate the forwarding of the candidates' Statements to the county board of elections. It was mentioned in the discussion that later consideration might be given to having the county boards forward to the Legislative Services Office the Economic Interest Statements of candidates who are elected.

The Committee voted to endorse in concept the idea of requiring the Chairman of the county board of elections to consult with the Chairmen of the county parties before filling a mid-term vacancy in the office of precinct judge--following the same procedure required in naming a judge to a full term. No bill had been drafted at the time of the meeting.

It was stated that the four bills and the judge-vacancy proposal would be attached to House Bill 858, which was already eligible to be considered in the 1988 Short Session. The Campaign and Election Procedures Committee was not one of those whose authorization was such that its endorsement of a bill automatically made that bill eligible to be considered in the Short Session.

At the same meeting Mr. Brock gave his observations on the Super Tuesday presidential primary. (Appendix E)

Finally, the Committee heard a report from John Cheney, Assistant Secretary of State, on the computerized voter registration file that the 1987 General Assembly established in the Department of State. (Appendix F) He said the system received usable data from 63 of North Carolina's 100 counties on voter registration, but that it

was a once-a-year snapshot rather than a continually updated system. Mr. Cheney recommended that the General Assembly study the feasibility of a continually updated Statewide voter registration system involving all 100 counties. Such a system will be needed, he said, if federal legislation on election day voter registration passes. The Committee voted to ask the CoChairs to discuss the possibility of such a study with the leadership of the General Assembly.

1988 Short Session of the General Assembly

During the 1988 Short Session the General Assembly ratified House Bill 858 (Session Laws Chapter 1028 of the General Statutes), as modified by House Bill 1206 (Chapter 1081). Those bills (Appendices C and D) essentially embodied the five recommendations made at the March 29 meeting of the of Study Committee, plus two additional matters requested by Mr. Brock: the change of the filing deadline for the Annual ("cleanup") Campaign Finance Report, and the clarification of the appellate route for voter challenges.

Third Meeting -- November 23, 1988

At its third meeting, the Committee heard several suggestions for consideration from Ms. Yvonne Southerland, the Deputy State Director of Elections. (See Appendix for memo from Ms. Southerland to Mr. Brock. This memo was used by Ms. Southerland to present to the Committee the suggestions made by herself and Mr. Brock.) The Committee also heard a proposal from Senator Walker, one from Representative Ed C. Bowen, and several from Representative Charles M. Beall.

After deliberation, the Committee voted to endorse several proposals to the 1989 General Assembly. Where indicated in the list below, the Committee endorsed a draft bill. In other cases, also indicated in the list, the Committee endorsed a concept, more or less tentatively, pending the drafting of a bill. The endorsed proposals were:

1. Exclusion of Editorials From Definition of PAC. (See Legislative Proposal I.) The proposal would add a sentence to the definition of "political committee" (G.S. 163-278.6(14)) stating that no group shall be deemed a political committee simply because it makes an editorial endorsement. The background for the proposal was an allegation that the Charlotte Observer should be classified as a political committee, and therefore should be subject to reporting requirements, because of its editorial endorsements. The current definition of "political committee" requires a purpose to influence elections or the receipt/expenditure of funds to influence an election. Before endorsing the bill it did endorse, the Committee rejected the approach of changing the word "or" in the definition to "and." It was stated that such a two part requirement for a political committee would be too broad a change and might give too many organizations an argument that they are excluded from the reporting requirements.
2. Addition of Political Party Committees to the Exclusion From Campaign Reporting If Threshold is Not Exceeded. The Committee endorsed a bill (Legislative Proposal II) to add political party committees to the exemption from filing campaign finance reports that the 1988 General Assembly gave to candidates who

neither raise, spend, nor accept loans of more than \$500 in an election. The Committee rejected a proposal to increase the threshold amount to \$1,000; Sen. Walker stated that the threshold was too new in operation for the General Assembly to widen the exclusion.

3. **Technical Correction to Misdemeanor Penalty for Illegal Campaign Solicitations.** The Committee endorsed a bill (Legislative Proposal III) that would conform the misdemeanor penalty for illegal campaign solicitations to the standard penalty for misdemeanor election offenses that was enacted in 1987. That standard penalty is up-to-six-months' imprisonment or up-to-\$1,000 fine or both (G.S. 163-272.1).
4. **10% Limit on Administrative Support Parent Entity May Provide to PAC.** The Committee endorsed a bill (Legislative Proposal IV) suggested by Ms. Southerland that would limit the amount of administrative support a corporation, union, or professional association can give to its in house political committee to a fixed percentage of contributions to that political committee. Ms. Southerland said some parent organizations have been known to spend much more than "administrative support" for their PACs than the PAC received in contributions. The Committee chose the 10% figure after being told that Mr. Brock had suggested a range of 10-25%.
5. **Reminder to Candidates to Report Their Out-of-Pocket Expenditures as Contributions to Their Campaigns.** The Committee endorsed a bill (Legislative Proposal V), suggested by Ms. Southerland, to include statements in the statutes reminding candidates that they should include expenditures they make on behalf of their campaigns as contributions on their financial reports. Sometimes, she said, candidates do not do so, and their reports show large expenditures that are not balanced out by contributions.
6. **Reminder to Treasurers to Report In-Kind Contributions as Expenditures and Contributions.** The Committee endorsed a bill (Legislative VI), suggested by Ms. Southerland, to remind campaign treasurers to report in-kind contributions as both contributions and expenditures on their financial reports. The bill also defines "in-kind contributions" as any contribution other than cash.
7. **Forwarding of Economic Interest Statements to Legislative Services Office.** The Committee endorsed a bill (Legislative Proposal VI), proposed by Senator Walker, to augment the change made during the 1988 Session to Economic Interest Statements. The 1988 change removed the requirement that the county boards of elections forward legislative candidates' statements to the State Board of Elections, and removed all requirements that elected legislators file with the Legislative Services Office. Senator Walker noted that the press had criticised the change because it left no central place where all legislators' statements could be found. His proposal would direct the county boards of elections to forward the Statements of all successful legislative candidates to the Legislative Services Office upon their certification of election. That way, he said, the Statements of all candidates would be available in the locality during an election, the Statements of all legislators would be available in Raleigh during a legislative session, and legislators would have to make only one filing.
8. **Changes in Mandatory Recount Law.** The Committee endorsed a two-part proposal (See Legislative Proposal VIII), suggested by Ms. Southerland, to alter the 1987 law that allowed a candidate a mandatory recount if he came within 1% of victory.

First, the proposal would shorten the time after an election that multi-county candidates would have to wait before filing for a recount; they could file eight days after an election and not have to wait until after the Statewide canvass (held three weeks after the election). Second, the proposal would change the statewide trigger for a mandatory recount from 1% to 0.5% or 10,000 votes, whichever is less. The proposal was incorporated into a bill.

9. **Removal of Sunset From Write-In Law.** The Committee endorsed a bill (Legislative Proposal IX), proposed by Representative Beall, to remove the expiration date ("sunset") from a 1987 law limiting write-in voting in general elections. The law forbids the counting of write-in votes for any candidate who was defeated for the same office in the primary, or any other candidate who has not timely filed petitions and a declaration of intent. The expiration date was set at June 17, 1989, two years after ratification.
10. **Permit Election Announcements on Broadcast Stations as Well as in Newspapers.** The Committee endorsed a proposal, put forth by Representative Bowen, to allow boards of elections to make announcements on radio stations as well as in newspapers. The proposal was incorporated in a bill (Legislative Proposal X).
11. **Absentee Ballot Changes.** The Committee tentatively endorsed several proposals, put forth by Representative Beall, that were intended to make absentee voting easier. The proposals were:
 - a. The consolidation of the present four kinds of absentee ballot application forms into one form with check-off boxes for the four reasons for needing an absentee ballot.
 - b. A clarification that there is no requirement that a precinct registrar witness the new signature of an applicant for absentee ballot whose name had changed since registering. Mr. Beall said this requirement worked a hardship on women recently married.
 - c. The requirement that the two witnesses required for absentee voting respect the secrecy of the ballot and the privacy of the absentee voter.
 - d. The improvement of instruction sheets for absentee ballots issued by county boards of elections.
 - e. The creation of a special application policy for voters who have long-term disabilities that prevent their presence at a voting place. Instead of making a separate request for an absentee-ballot application and submitting a separate application for each election, long term invalids would be able to file one application for all the elections in a calendar year. If approved by the county board of elections, that application would entitle the voter to be mailed ballots for each election during the year. The application would require a physician's certification of the voter's long term incapacity.

At the Chair's direction, Proposals a-c were incorporated in one bill (See Legislative Proposal XI) and Proposal e was drafted into a separate bill (See Legislative Proposal XII).

The Committee rejected the idea, suggested for consideration by Ms. Southerland, that the limitation on campaign contributions per contributor be set at \$4,000 for each year other than the election year. Currently, the limit is \$4,000 per election, regardless of the number of years before elections.

Fourth Meeting -- December 2, 1988

At its fourth meeting, the Committee approved this report. In doing so, it made changes to its earlier proposal on editorials in the definition of "political committees" (see Legislative Proposal I), added to its Mandatory Recount Law proposals a provision clarifying who may call for a recount (see Legislative Proposal VIII), and approved draft bills on broadcast ads (Legislative Proposal X) and absentee ballots (Legislative Proposals XI and XII).

FINDINGS AND RECOMMENDATIONS.

I. Editorials.

FINDING: That it was never the intent of the General Assembly to require a newspaper to file as a political committee simply because it endorses a candidate on its editorial page. Nonetheless, formal complaints have been filed in attempts to use the wording of the Campaign Finance Act to force newspapers so to file.

RECOMMENDATION: That the wording of the definition of "political committee" be amended in the Campaign Finance Act to make clear that an endorsement by a daily or any variant of a weekly newspaper does not, by itself, make the newspaper a "political committee." (Legislative Proposal I)

II. Party Committees and Threshold.

FINDING: That many political party committees in small counties and districts raise and spend well under \$500 per campaign. Nonetheless, those committees must file all campaign finance reports. Paper proliferates. The 1988 Session exempted candidates who neither raise, borrow, nor spend less than \$500 in an election.

RECOMMENDATION: That the \$500 threshold for filing financial reports be extended to political party committees. (Legislative Proposal II)

III. Technical Correction on Misdemeanors.

FINDING: That the 1987 General Assembly intended to standardize all misdemeanor penalties in the election laws to a maximum of six months in prison or a maximum of \$1,000 fine or both. The penalty for illegal campaign solicitations was overlooked.

RECOMMENDATION: That the oversight be corrected. (Legislative Proposal III)

IV. Administrative Support for PACs.

FINDING: That a few corporations, unions, associations, etc., that are parent entities to in-house political committees have begun exploiting the loophole of "administrative support" by pouring large amounts of resources into PACs that are in theory supported only by contributions from the employees or members of the parent entities. The integrity of the ban on contributions to candidates by corporations, unions and associations may be threatened.

RECOMMENDATION: That administration support of an in-house PAC by its parent entity be limited to 10% of contributions made to the PAC. (Legislative Proposal IV)

V. Out-of-Pocket Contributions by Candidates.

FINDING: That sometimes a campaign treasurer will submit a financial report whose total for contributions does not balance with its total for expenditures

because out-of-pocket spending by a candidate for the campaign has not been listed on the report as a contribution.

RECOMMENDATION: That the statute should be reworded to reflect clearly what the State Board of Elections already regards the law to be-- that spending for the campaign by a candidate should be reported as a contribution to the campaign. (Legislative Proposal V)

VI. In-Kind Contributions.

FINDING: That sometimes a campaign treasurer will submit a financial report whose total for contributions does not balance with its total for expenditures because an "in-kind" contribution is not reported both as a contribution to the campaign and an expenditure by it.

RECOMMENDATION: That the statute should be reworded to reflect clearly what the State Board of Elections already regards the law to be-- that an "in-kind" contribution is any contribution other than cash, and that the accounting procedure for reporting such a contribution should be to report it both as a contribution and as an expenditure. (Legislative Proposal VI)

VII. Economic Interest Statements.

FINDING: That, in a constructive attempt to eliminate duplication in the filing of Economic Interest Statements by legislators and legislative candidates, the General Assembly in 1988 created a situation in which the Statements of legislators could not be found in one central place.

RECOMMENDATION: That the Economic Interest Statement statute be amended to require that county boards of elections forward to the Legislative Services Office in Raleigh the Statements of all successful legislative candidates once they are certified as elected. The result would be that each legislative candidate would file one Statement, to the county board of elections at the beginning of his candidacy. The Statement would be accessible to local citizens and media during the campaign. If that candidate is elected to the General Assembly, his Statement would be forwarded to Raleigh without his having to make a duplicate filing. There it would be accessible in the Legislative Library to those who make it their business to follow the General Assembly. (Legislative Proposal VII)

VIII. Automatic Recounts.

A. New Statewide Formula.

FINDING: That, when the 1987 General Assembly enacted a law entitling candidates to recounts if their margin of loss is 1% or less of the total vote, an unintended effect was to give recounts to some Statewide candidates who lose by up to 15,000 votes. A recount is unlikely to change 15,000 votes and would be a wasteful use of taxpayers' money.

RECOMMENDATION: That the Automatic Recount Law be amended so that a Statewide candidate is entitled to a recount only if his margin of loss is 0.5% or 10,000 votes, whichever is less. (Legislative Proposal VIII)

B. Shorter Deadline.

FINDING: That the Automatic Recount Law sets the deadline for multi-county candidates to demand a recount at two days after the canvass. The canvass for multi-county races is conducted three weeks after the election. The result is a long deadline that may needlessly leave a race unresolved for almost a month, even though the initial returns are already known.

RECOMMENDATION: That the Automatic Recount Law be amended to set the deadline for multi-county candidates to demand a recount at eight days after the election. (Legislative Proposal VIII)

C. The "Next Highest" Problem.

FINDING: The Automatic Recount Law was written so as to entitle the candidate with the "next highest number of votes" after an apparent winner to a recount if that candidate was within the 1% range. The situation has occurred in which a candidate below the "next highest" nonetheless came within the 1% range of a candidate with the winning number of votes. The General Assembly surely did not intend to prevent such a candidate from calling for a recount.

RECOMMENDATION: That the statute be clarified so that any candidate within the automatic-recount range be entitled to a recount, whether he is next highest or not. (Legislative Proposal VIII)

IX. Write-In Sunset Removal.

FINDING: That the 1987 act to require petitions and declarations of intent for write-in candidates was enacted with a two-year expiration date to give the act a trial run in the 1988 elections. The sunset date is June 17, 1989. That the new procedure was used without serious complications.

RECOMMENDATION: That the sunset be removed and the act made permanent. (Legislative Proposal X)

X. Broadcast Ads as Notice.

FINDING: That in several places the Election Law requires boards of elections to make public notices by advertising in a newspaper. That many people do not read newspapers, but get their information about the world by listening to broadcast stations. That some people who are fully qualified to vote are illiterate. That allowing the boards of elections to advertise on broadcast stations as well as in newspapers would serve the purpose of disseminating the information as well as the purpose of fairness to the different types of media.

RECOMMENDATION: That boards of elections be given the discretion to advertise on broadcast stations or in newspapers or both. (Legislative Proposal X)

XI. Absentee Ballot Amendments.

FINDING: That the procedure of voting by absentee ballots in North Carolina is cumbersome and confusing for the voter and for the local election official.

RECOMMENDATION: That the present four types of absentee-ballot application forms (Forms A, B, C, and OS) be consolidated into one standard application form with check off boxes for the types of absentee-ballot applications. (Legislative Proposal XI)

RECOMMENDATION: That the statute be clarified so that it is clear that a precinct registrar need not witness a voter's name change as a prerequisite for that voter to vote by absentee ballot under the new name. (Legislative Proposal XI)

RECOMMENDATION: That language be added to ensure that the two persons who must witness absentee voting shall at all times respect the secrecy of the ballot and the privacy of the absentee voter unless their assistance is requested. (Legislative Proposal XI)

RECOMMENDATION: That the State Board of Elections be urged to upgrade the clarity of instruction sheets that county boards distribute for absentee ballots.

XII. Long-Term Issuance of Absentee Ballots.

FINDING: That old age or infirmity may render some qualified voters unable over a long term to vote at a voting place. That it is a burden on such persons and their near relatives to have to make separate requests for applications and fill out separate applications for each election.

RECOMMENDATION: That special consideration be given to a qualified voter who because of old age or infirmity is unable over a long term to vote at a voting place. That such a qualified voter be allowed to certify to such condition. That a qualified voter who so certifies be mailed, on the strength of one application, absentee ballots for all the primaries and elections held in the calendar year when the application is submitted. (Legislative Proposal XII)

GENERAL ASSEMBLY OF NORTH CAROLINA
1987 SESSION
RATIFIED BILL

CHAPTER 873
HOUSE BILL 1

AN ACT TO AUTHORIZE STUDIES BY THE LEGISLATIVE RESEARCH COMMISSION, TO CREATE AND CONTINUE VARIOUS COMMITTEES AND COMMISSIONS, TO MAKE APPROPRIATIONS THEREFOR, AND TO AMEND STATUTORY LAW.

The General Assembly of North Carolina enacts:

"(e) Withdrawal of Notice of Candidacy. -- Any person who has filed notice of candidacy for an office shall have the right to withdraw it at any time prior to the date on which the right to file for that office expires under the terms of subsection (c) of this section. If a candidate does not withdraw before the filing deadline, except as provided in G.S. 163-112, his name shall be printed on the primary ballot, any votes for him shall be counted, and he shall not be refunded his filing fee."

To qualify for the exemption from those reports, the candidate's treasurer shall file a certification under oath that he does not intend to receive in contributions or expend more than \$500.00 to further his campaign. The certification shall be filed with the Board at the same time the candidate files his Organizational Report as required in G.S. 163-278.7, G.S. 163-278.9, and G.S. 163-278.40A. If the candidate's campaign is being conducted by a political committee which is handling all contributions and expenditures for his campaign, the treasurer of the political committee shall file a certification of intent to stay within the threshold amount. If the intent to stay within the threshold changes, or if the \$500.00 threshold is exceeded, the treasurer shall immediately notify the Board and shall be responsible for filing all reports required in G.S. 163-278.9 and 163-278.40B, 278.40C, 278.40D, and 278.40E; provided that any contribution or expenditure which would have been required to be reported on an earlier report but for this section shall be included on the next report required after the intent changes or the threshold is exceeded."

Sec. 11. Effective with respect to challenges made on or after the date of ratification of this act, G.S. 163-90.2 is amended by adding a new subsection to read:

"(d) A decision by a county board of elections on any challenge made under the provisions of this Article shall be appealable to the Superior Court of the county in which the offices of that board are located within 10 days. Only those persons against whom a challenge is sustained or persons who have made a challenge which is overruled shall have standing to file such appeal."

-----REPLACING OF REGISTRARS AND JUDGES.

Sec. 12. This section is effective upon ratification, except that if any person was appointed a registrar or judge of election during calendar year 1988 by the chairman of the county board of elections because a vacancy occurred, the term of office of the person appointed shall expire September 1, 1988, unless the successor was a person nominated by the chairman of the county political party of the vacating officer. G.S. 163-41(a) reads as rewritten:

"(a) Appointment of Registrar and Judges. -- At the meeting required by G.S. 163-31 to be held on the Tuesday following the third Monday in August of the year in which they are appointed, the county board of elections shall appoint one person to act as registrar and two other persons to act as judges of election for each precinct in the county. Their terms of office shall continue for two years from the specified date of appointment and until their successors are appointed and qualified. It shall be their duty to conduct the primaries and elections within their respective precincts. Persons appointed to these offices must be registered voters and residents of the precinct for which appointed, of good repute, and able to read and write. Not more than one judge in each precinct shall belong to the same political party as the registrar.

The term 'precinct official' shall mean registrars and judges appointed pursuant to this section, and all assistants appointed pursuant to G.S. 163-42, unless the context of a statute clearly indicates a more restrictive meaning.

No person shall be eligible to serve as a precinct official, as that term is defined above, who holds any elective office under the government of the United States, or of the State of North Carolina or any political subdivision thereof.

No person shall be eligible to serve as a precinct official who is a candidate for nomination or election.

No person shall be eligible to serve as a precinct official who holds any office in a state, congressional district, county, or precinct political party or political organization, or who is a manager or treasurer for any candidate or political party, provided however that the position of delegate to a political party convention shall not be considered an office for the purpose of this subsection.

The chairman of each political party in the county where possible shall recommend two registered voters in each precinct who are otherwise qualified, are residents of the precinct, have good moral character, and are able to read and write, for appointment as registrar in the precinct, and he shall also recommend where possible the same number of similarly qualified voters for appointment as judges of election in that precinct. If such recommendations are received by the county board of elections no later than the fifth day preceding the date on which appointments are to be made, it must make precinct appointments from the names of those recommended. Provided that if only one name is submitted by the fifth day preceding the date on which appointments are to be made, by a party for judge of election by the chairman of one of the two political parties in the county having the greatest numbers of registered voters in the State, the county board of elections must appoint that person.

If, at any time other than on the day of a primary or election, a registrar or judge of election shall be removed from office, or shall die or resign, or if for any other cause there be a vacancy in a precinct election office, the chairman of the county

board of elections shall appoint another in his place, promptly notifying him of his appointment. If at all possible, the chairman of the county board of elections shall consult with the county chairman of the political party of the vacating official, and if the chairman of the county political party nominates a qualified voter of that precinct to fill the vacancy, the chairman of the county board of elections shall appoint that person. In filling such a vacancy, the chairman shall appoint a person who belongs to the same political party as that to which the vacating member belonged when appointed. If the chairman of the county board of elections did not appoint a person upon recommendation of the chairman of the party to fill such a vacancy, then the term of office of the person appointed to fill the vacancy shall expire upon the conclusion of the next canvass held by the county board of elections under this Chapter, and any successor must be a person nominated by the chairman of the party of the vacating officer.

If any person appointed registrar shall fail to be present at the voting place at the hour of opening the polls on primary or election day, or if a vacancy in that office shall occur on primary or election day for any reason whatever, the precinct judges of election shall appoint another to act as registrar until such time as the chairman of the county board of elections shall appoint to fill the vacancy. If such appointment by the chairman of the county board of elections is not a person nominated by the county chairman of the political party of the vacating officer, then the term of office of the person appointed to fill the vacancy shall expire upon the conclusion of the next canvass held by the county board of elections under this Chapter. If a judge of election shall fail to be present at the voting place at the hour of opening the polls on primary or election day, or if a vacancy in that office shall occur on primary or election day for any reason whatever, the registrar shall appoint another to act as judge until such time as the chairman of the county board of elections shall appoint to fill the vacancy. Persons appointed to fill vacancies shall, whenever possible, be chosen from the same political party as the person whose vacancy is being filled, and all such appointees shall be sworn before acting.

As soon as practicable, following their training as prescribed in G.S. 163-80(d), each registrar and judge of elections shall take and subscribe the following oath of office to be administered by an officer authorized to administer oaths and file it with the county board of elections:

'I,, do solemnly swear (or affirm) that I will support the Constitution of the United States; that I will be faithful and bear true allegiance to the State of North Carolina, and to the constitutional powers and authorities which are or may be established for the government thereof; that I will endeavor to support, maintain and defend the Constitution of said State not inconsistent with the Constitution of the United States; that I will administer the duties of my office as registrar of (judge of elections in) precinct..... County, without fear or favor; that I will not in any manner request or seek to persuade or induce any voter to vote for or against any particular candidate or proposition; and that I will not keep or make any memorandum of anything occurring within a voting booth, unless I am called upon to testify in a judicial proceeding for a violation of the election laws of this State; so help me, God.'

Notwithstanding the previous paragraph, a person appointed registrar by the judges of election under this section, or appointed judge of election by the registrar under this section may take the oath of office immediately upon appointment.

Before the opening of the polls on the morning of the primary or election, the registrar shall administer the oath set out in the preceding paragraph to each

assistant, and any judge of elections not previously sworn, substituting for the words 'registrar of' the words 'assistant in' or 'judge of elections in' whichever is appropriate."

-----COUNTING OF VOTES IN MULTI-SEAT RACE WHERE VOTER MARKS STRAIGHT-TICKET, THEN MARKS LESS THAN A FULL SLATE OF THAT PARTY'S NOMINEES.

Section 13. Effective with respect to elections held on or after September 1, 1988, G.S. 163-170.1 reads as rewritten:

"§ 163-170.1. Counting of ballots in multi-seat races where voter votes straight-party ticket and for individual candidates of that party but not for individual candidates of another party.--Notwithstanding any other provision of this act, in the case of a multi-seat race, if a voter votes a straight-party ticket, and also votes for individual candidates of that party but not for individual candidates of another party, the ballot shall be counted for that office only for the individual candidates so marked ~~for all the candidates for that multi-seat race of the party whose straight ticket has been marked.~~ The State Board of Elections shall by ~~regulation~~ directive amend the instructions provided by this act, if necessary, to effectuate this section."

-----EFFECTIVE DATES.

SUPER TUESDAY - 1988:

AN ANALYSIS

The widely publicized Presidential Preference Primary conducted in North Carolina and fifteen other states (as shown on attached schedule) on March 8, 1988 was not the "wonder event" that many had speculated it might be. However, it was far from being an electoral failure!

In North Carolina we greatly increased the attention we received from the viable candidates who escaped being 'frozen' out of contention after the "winter olympics" in Iowa and New Hampshire. The media "over coverage" of these two events can be held accountable for the demise of quality candidates in both political parties. The results from both Iowa and New Hampshire should not have greatly altered the standing of any candidates. But in spite of the relatively few delegates involved in New Hampshire, the national news media established the perception (largely among themselves) that the winners in New Hampshire were 'ipso-facto' the decided front runners.

All of the networks moved into Iowa and New Hampshire and created the allusion of a must win situation. The many telephone calls received in our office from voters in North Carolina reflected the unbelievable attitude that "it's all over before we get to vote".

Having presented the picture of the Presidential primary exercises prior to Super Tuesday, it is important to look realistically at what the

Southern Regional Primary should have attracted. The candidates, by conventional campaign wisdom, should have been in our area during most of January and February with occasional stops in Iowa and New Hampshire. In other words, as far as 1988 is concerned, the wagon was pulling the horse. New Hampshire is not much larger than our capital county, but yet its mythical magic produces an extravaganza that could be compared only to the ridiculous solution to destroying a tiny ant hill by bringing in a herd of elephants to stamp them out. So, if the same myths continue to exist relative to the New Hampshire event, then our Southern Regional Primary will continue to play "second fiddle" --- not justifiably but nevertheless as a political fact.

It appears that North Carolina did benefit to a greater degree in 1988 than in 1984 and previous years -- only marginally -- but noticeably. One might say that in 1984 the candidates flew over the state and dropped leaflets from their respective airplanes, while in 1988 they were enticed to land their airplanes and hold news conferences on the airport tar macs.

I do believe that if the primary is continued we will improve the attention given by the candidates on a progressive basis over a period of time as the importance of the potential impact of such a primary is finally able to penetrate the political thinking of those custodians of planning and wisdom who call the shots from the national vantage point. In other words, over a period of time our primary would enjoy a prominent place, but not after only one experience. There could be a more insistent attitude on the part of both political parties to the candidates involved that North Carolina is going to listen to and give favorable consideration to those candidates who give of their time and come into the state and "solicit support from our people".

On the other hand, if it is the thinking of those who legislate that we need maximum attention and much broader coverage of our Presidential primary, then my recommendation is simple, brief and will guarantee equal, or greater, attention with New Hampshire ---- change the date of the Presidential primary to the third Tuesday in February !

Some statistical facts:

- (1) 679,958 Democrats voted on 3/8/88
representing a 32% turnout
- (2) 273,801 Republicans voted on 3/8/88
representing a 32.5% turnout

PRELIMINARY REPORT ON CVRF PROJECT FOR 1987-88

Submitted by

John L. Cheney, Jr.

Director of Publications, Department of the Secretary of State

OVERVIEW: The 1987 General Assembly enacted legislation directing the Secretary of State in conjunction with SIPS (State Information Processing Services) to create a master tape of all the registered voters in counties where a computerized voter registration system existed. Working with the Data Processing Section of the Center for Urban Studies and Community Services at North Carolina State University, a standardize format for the proposed file was created and sent to the counties during September, 1987. Counties were instructed on what to do and were informed that reimbursement of up to \$600.00 would be given them to defray all or part of the expenses associated with the conversion. By the end of January, 1988 the master tape was complete.

EVALUATION: The CVRF Project revealed the problems associated with the lack of a centralized and uniform system for registering voters in North Carolina. At the start of the project 73 counties in North Carolina had some type of automated system for the voter registration. The type of systems in place ran the full spectrum of available and out dated technology. Yadkin County is operating on a Radio Shack TRS80, Model 12 which proved useless in complying with the guidelines. The larger counties like Forsyth, Guilford, and Wake all have centralized computer systems serving the entire operations of county government. Unfortunately, voter registration and Board of Election projects do not have a very high priority except during an election period. This created a major problem and in many cases resulted in tapes having to be returned to counties because formating instructions had not been followed.

Of the 73 automated counties 63 were able to be copied to a mater file; nine counties submitted data that was unusable, even after several attempts. Nevertheless the numbers are still above what was estimated for the project by those of us working on the project. At the outset we hope for a 75% participation rate by applicable counties and hoped to have a master containing 70% of the registered voters in North Carolina. The actual results exceeded these estimates as 88% of the counties (63 or 73) became a part of master file representing 84% of the total registered voters in North Carolina (2,591,844 or 3,092,138) as of October 5, 1987.

Overall the project was a success. We have discovered two problems with the initial file format layout - the precinct field length proved too short and resulted in the truncation of precinct names which exceeded 15 characters and we grouped first and second primary participation in a single entry which helped record keeping, but hindered voter participation studies. These have

been corrected and should improve reporting for 1988. Expenses stayed well within budget figures on all but one area - costs billed by SIPS for creating the master file. Initial estimates indicated that development costs should be around \$7,500.00; however, the actual expenses turned out to be more than double this amount - most of which were directly attributed to correctable errors on the part of the counties. Failure to follow format guidelines and normally accepted DP practices were the cause of most problems. Reimbursement costs by the counties averaged just over \$525.00, well within the \$600.00 allotment. In addition to supplying the two political parties with copies as required in the law, seven copies of the master file tapes were sold at the designated fee of \$1000.00.

SUMMATION: The project should be continued with perhaps more flexibility as to what can be supplied to would-be purchasers. There is a very real need for more guidance for the counties in regards to automated voter registration. The lack of a required uniform format and the different software and hardware configuration is a problem. There is a serious need for a centralized voter registration system in North Carolina and every effort should be made to begin implementation within the next two years. We have begun doing a cursory examination of what other states are doing and evaluating what would be needed to implement such a system in our State; however, a complete feasibility study should be done in conjunction with the 1988-89 CVRF Project and a full report submitted to the 1989 General Assembly. Such a study could probably be done for under \$35,000.00.

6 "§ 163-33. Powers and duties of county boards of elections.

7 The county boards of elections within their respective

9 this Chapter, and they shall perform all the duties imposed upon
10 them by law, which shall include the following:

11 (1) To make and issue such rules, regulations, and

24 flags, cards of instruction, and other forms, papers, and
25 equipment used in registration, nominations, and elections; and
26 to cause the voting places to be suitably provided with voting
27 booths and other supplies required by law.

28 (8) To provide for the issuance of all notices, advertisements,
29 and publications concerning elections required by law. In
30 addition, the county board of elections shall give notice at
31 least 20 days prior to the date on which the registration books
32 or records are closed that there will be a primary, general or
33 special election, the date on which it will be held, and the
34 hours the voting places will be open for voting in that election.
35 The notice also shall describe the nature and type of election,

1 and the issues, if any, to be submitted to the voters at that

3 weekly during the 20-day period in a newspaper or on a broadcast
4 station or both having general circulation in the county and by
5 posting a copy of the notice at the courthouse door. This
6 subdivision shall not apply in the case of bond elections called
7 under the provisions of Chapter 159.

8 (9) To receive the returns of primaries and elections, canvass
9 the returns, make abstracts thereof, transmit such abstracts to

11 county officers and members of the General Assembly except those
12 elected in districts composed of more than one county.

13 (10) To appoint and remove the board's clerk, assistant clerks,

26 presidential registrants under the Voting Rights Act of 1965 as
27 amended, and any other voting equipment or similar records, books
28 or lists in any precinct or municipality over whose elections it
29 has jurisdiction or for whose elections it has responsibility."

30 Sec. 2. G.S. 163-41(a) reads as rewritten:

31 "(c) Publication of Names of Precinct Officials. -- Immediately
32 after appointing registrars, judges, and special registration
33 commissioners as herein provided, the county board of elections
34 shall publish the names of the persons appointed in some
35 newspaper or on a broadcast station or both having general

1 circulation in the county or, in lieu thereof, at the courthouse
2 door, and shall notify each person appointed of his appointment,
3 either by letter or by having a notice served upon him by the
4 sheriff."

5 Sec. 3. G.S. 163-78 reads as rewritten:

6 "§ 163-78. New registration; when permanent registration
7 certificates lost or destroyed.

8 If all of the permanent registration certificates, required by
9 G.S. 163-65, for any precinct, for the entire county, or for any
10 municipality, are, prior to 30 days preceding any primary,
11 general or special elections, lost or destroyed by theft, fire,
12 or other hazard, the county or municipal board of elections shall
13 promptly provide the precinct registrar of each affected precinct
14 with new loose-leaf registration books and new applications for
15 registration, and shall order a new registration of qualified
16 persons in each affected precinct. The new registration shall be
17 conducted at the times and places in the manner prescribed by
18 G.S. 163-67(a). The board of elections shall give notice that a
19 new registration is in process by advertisement in a newspaper or
20 on a broadcast station or both having general circulation in the
21 county and by posting notice at the courthouse door. The notice
22 shall state that a new registration is in process, and the
23 location of the voting place and the name of the registrar in
24 each affected precinct.

25 If the destruction or mutilation of the precinct registration
26 book occurs less than 30 days before any primary, general, or
27 special election, the board of elections shall, insofar as time
28 will permit, adhere to the provisions of the first paragraph of
29 this section. If the time available makes it impossible to
30 conduct a new registration in the affected precinct, each person
31 presenting himself to vote in the precinct on the day of the
32 ensuing general or special election shall be allowed to cast his
33 ballot after signing and delivering to the registrar an affidavit
34 in the following form:

1 "I,, do solemnly swear (or
 2 affirm) that I will support the Constitution of the United
 3 States, and the Constitution of the State of North Carolina not
 4 inconsistent therewith; that I have been a resident of the State
 5 of North Carolina and of this precinct or municipality for 30
 6 days; that I am at least 18 years of age; and that I have not
 7 registered to vote in any other precinct, county, municipality or
 8 state, so help me, God."

9 If the ensuing election is a primary rather than a general or
 10 special election, the following affidavit shall be used:

11 "I,, do solemnly swear (or
 12 affirm) that I will support the Constitution of the United
 13 States, and the Constitution of the State of North Carolina not
 14 inconsistent therewith; that I have been or will have been a
 15 resident of the State of North Carolina and of this precinct or
 16 municipality for 30 days by the date of the next general
 17 election; that I am at least 18 years of age or will be by the
 18 date of the next general election; and that I have not registered
 19 to vote in any other precinct, county, municipality, or state, so
 20 help me, God."

21 Persons permitted to vote under this procedure may be
 22 challenged in accordance with the provisions of G.S. 163-87 and
 23 G.S. 163-88. The registrar shall deliver all affidavits deposited
 24 with him to the board of elections on canvass day. The affidavits
 25 shall not be deemed to constitute a new record of registration
 26 for the precinct, county or municipality for subsequent primaries
 27 and elections.

28 Sec. 4. G.S. 163-128(a) reads as rewritten:

29 "(a) Each county shall be divided into a convenient number of
 30 precincts for the purpose of voting, and there shall be at least
 31 one precinct encompassed within the territory of each township;
 32 provided, however, that upon a resolution adopted by the county
 33 board of elections and approved by the Secretary-Director of the
 34 State Board of Elections voters from a given precinct within a
 35 township may be temporarily transferred, for the purpose of

1 voting, to a precinct in an adjacent township. Any such transfers
2 shall be for the period of time equal only to the term of office
3 of the county board of elections making such transfer. When such
4 a resolution has been adopted by the county board of elections to
5 assign voters from more than one township to the same precinct,
6 then the county board of elections shall maintain separate
7 registration and voting records, consistent with the procedure
8 prescribed by the State Board of Elections, so as to properly
9 identify the township in which such voters reside. There shall be
10 at least one voting place in each precinct.

11 Except as provided by Article 12A of this Chapter, the county
12 board of elections shall have power from time to time, by
13 resolution, to establish, alter, discontinue, or create such new
14 election precincts or voting places as it may deem expedient.
15 Upon adoption of a resolution establishing, altering,
16 discontinuing, or creating a precinct or voting place, the board
17 shall give 20 days' notice thereof prior to the date on which the
18 registration books or records next close pursuant to G.S. 163-67.
19 Notice shall be given by advertisement in a newspaper or on a
20 broadcast station or both having general circulation in the
21 county, by posting a copy of the resolution at the courthouse
22 door, and by mailing a copy of the resolution to the chairman of
23 every political party in the county."

24 Sec. 5. G.S. 163-210 reads as rewritten:

25 "**§ 163-210. Governor to proclaim results; casting State's vote**
26 **for President and Vice-President.**

27 Upon receipt of the abstracts prepared by the State Board of
28 Elections and delivered to him in accordance with G.S. 163-192,
29 the Secretary of State, under his hand and the seal of his
30 office, shall certify to the Governor the names of the persons
31 elected to the office of elector for President and Vice-President
32 of the United States as stated in the abstracts of the State
33 Board of Elections. Thereupon, the Governor shall immediately
34 issue a proclamation setting forth the names of the electors and
35 instructing them to be present in the old Hall of the House of

1 Representatives in the State Capitol in the City of Raleigh at
2 noon on the first Monday after the second Wednesday in December
3 next after their election, at which time the electors shall meet
4 and vote on behalf of the State for President and Vice-President
5 of the United States. The Governor shall cause this proclamation
6 to be published in the daily newspapers published in or on
7 broadcast stations serving the City of Raleigh or both.

8 On or before the date fixed for the meeting of the electors,
9 the Governor shall send by registered mail to the Administrator
10 of General Services, a certificate under the great seal of the
11 State setting forth the names of the persons chosen as
12 presidential electors for this State and the number of votes cast
13 for each. At the same time he shall deliver to the electors six
14 duplicate originals of the same certificate, each bearing the
15 great seal of the State. At any time prior to receipt of the
16 certificate of the Governor or within 48 hours thereafter, any
17 person elected to the office of elector may resign by submitting
18 his resignation, written and duly verified, to the Governor.
19 Failure to so resign shall signify consent to serve and to cast
20 his vote for the candidate of the political party which nominated
21 such elector.

22 In case of the absence, ineligibility or resignation of any
23 elector chosen, or if the proper number of electors shall for any
24 cause be deficient, those present at the required meeting shall
25 forthwith elect from the citizens of the State a sufficient
26 number of persons to fill the deficiency, and the persons chosen
27 shall be deemed qualified electors to vote for President and
28 Vice-President of the United States."

29 Sec. 6. G.S. 163-230 reads as rewritten:

30 "§ 163-230. Consideration and approval of applications and
31 issuance of absentee ballots.

32 The procedure to be followed in receiving applications for
33 absentee ballots, passing upon their validity, and issuing
34 absentee ballots shall be governed by the provisions of this
35 section.

1 (1) Record of Applications Received and Ballots Issued. -- Upon
2 receipt of a voter's written application for absentee ballots,
3 the chairman of the county board of elections shall promptly
4 enter in the register of absentee ballot application and ballots

6 entered there under the provisions of G.S. 163-227(4)
7 [163-227(b)(4)]:

11 b. Number of assigned voter's application when issued.

12 c. Precinct in which applicant is registered.

13 d. Address to which ballots are to be mailed, or that the voter

16 f. Date application for ballots is received by chairman.

17 g. The voter's party affiliation.

18 (2) Determination of Validity of Applications for Absentee
19 Ballots. -- The county board of election shall constitute the
20 proper official body to pass upon the validity of all
21 applications for absentee ballots received in the county; this
22 function shall not be performed by the chairman or any other
23 member of the board individually.

24 a. Required Meeting of County Board of Elections. -- During the
25 period commencing 50 days before an election, and until 30 days
26 before the election, in which absentee ballots are authorized,
27 the county board of elections shall hold one or more public
28 meetings each week on a day and at an hour to be determined by
29 the board for the purpose of action on applications for absentee
30 ballots. Each member of the board shall be notified in writing of
31 the day and hour such meetings shall be conducted. During the
32 period opening 30 days before an election in which absentee
33 ballots are authorized and closing at 5:00 P.M. on the Tuesday
34 before the election, the county board of elections shall hold
35 public meetings at 10:00 A.M. on Tuesday and Friday of each week,

1 and it shall also hold public meetings at 10:00 A.M. on the
2 eighth, sixth, fourth and first days immediately preceding
3 election day. These meetings shall be held at the county
4 courthouse or at the elections board's office at the hour fixed
5 by law. At these meetings the county board of elections shall
6 pass upon applications for absentee ballots.

7 Upon a majority vote, the county board of elections
8 may hold any such public meetings at an hour other than 10:00
9 A.M., and it may hold more than one session on each day it meets
10 and may set the hours of any additional sessions. If the board
11 desires to exercise either or both of the options granted by the

14 hours or dates fixed for the board's public meetings on absentee
15 ballot applications.

16 The chairman of the county board of elections shall
17 give notice to other board members of the schedule of meetings of
18 the board.

19 If the county board of elections changes the time of
20 holding its meetings or provides for additional meetings in
21 accordance with the terms of this subdivision, notice of the
22 change in hour and notice of the schedule of additional meetings,
23 if any, shall be published in a newspaper or on a broadcast
24 station or both circulated in the county, and a notice thereof
25 shall be posted at the courthouse door of the county, at least 65
26 days prior to the election. Similar notice shall also be given
27 of the dates and hours of the weekly meetings held until 30 days
28 before the election.

29 The county board of elections shall not be required
30 to hold any of the meetings prescribed by this subdivision
31 unless, since its last preceding meeting, it actually has
32 received one or more applications for absentee ballots which it
33 has not passed upon. When no meeting is to be held for this
34 reason, the chairman shall notify each of the other members of

1 the county board of elections that the scheduled public meeting
2 will not be held and state the reasons for its cancellation.

3 b. Procedure at Required Meeting; Making Determination. -- At
4 each public meeting of the county board of elections the chairman

6 the validity of all applications for absentee ballots received
7 since its last preceding public meeting held for that purpose. At
8 each such meeting any registered voter of the county shall be
9 heard and allowed to present evidence in opposition to, or in
10 favor of, the issuance of absentee ballots to any voter making
11 application for them.

12 The county board of elections may consider the registration
13 records as evidence of the voter's signature, if available, and
14 as any other evidence that may be necessary to pass upon such an
15 application, including the party affiliation of a voter seeking
16 to vote in a primary.

17 If the board finds that the applicant is a qualified
18 voter of the county, that he is registered in the precinct stated
19 in his application, that the assertions in his application are
20 true, and that his application is in proper form, it shall
21 approve his application for absentee ballots.

22 c. Record of Board's Determination; Decision Final. -- At the
23 time the county board of elections makes its decision on an
24 application for absentee ballots, the chairman shall enter in the
25 appropriate column in the register of absentee ballot
26 applications and ballots issued opposite the name of the
27 applicant a notation of whether his application was "Approved" or
28 "Disapproved".

29 The decision of the board on the validity of an
30 application for absentee ballots shall be final subject only to
31 such review as may be necessary in the event of an election
32 contest.

33 (3) Delivery of Absentee Ballots and Container-Return Envelope
34 to Applicant. -- When the county board of elections approves an
35 application for absentee ballots, the chairman shall promptly

1 issue and transmit them to the voter only, and not to his near
2 relative, in accordance with the following instructions:

3 a. On the top margin of each ballot the applicant is entitled
4 to vote, the chairman shall write or type the words "Absentee
5 Ballot No." and insert in the blank space the number
6 assigned the applicant's application in the register of
7 applications for absentee ballots and ballots issued. He shall
8 not write, type, or print any other matter upon the ballots
9 transmitted to the absentee voter.

10 b. The chairman shall fold and place the ballots (identified in
11 accordance with the preceding instruction) in a container-return
12 envelope and write or type in the appropriate blanks thereon, in
13 accordance with the terms of G.S. 163-229(b), the absentee
14 voter's name, his application number and the designation of the
15 precinct in which the voter is registered. The chairman shall
16 leave the container-return envelope holding the ballots unsealed.

17 c. The chairman shall then place the unsealed container- return
18 envelope holding the ballots together with printed instructions
19 for voting and returning the ballots, in an envelope addressed to
20 the applicant at the post office address stated in his
21 application, seal the envelope, and mail it at the expense of the
22 county board of elections, or deliver it to the applicant in
23 person: Provided, that in case of approval of an application
24 received after 5:00 P.M. on the Tuesday before the election under
25 the provisions of G.S. 163-227(b)(3), in lieu of transmitting the
26 ballots to the applicant in person or by mail, the chairman may
27 deliver the sealed envelope containing the instruction sheet and
28 the container-return envelope holding the ballots to a near
29 relative of the voter."

30 Sec. 7. G.S. 163-234 reads as rewritten:

31 "§ 163-234. Counting absentee ballots by county board of
32 elections.

33 All absentee ballots returned to the chairman or supervisor of
34 elections of the county board of elections in the

1 container-return envelopes shall be retained by the chairman to
2 be counted by the county board of elections as herein provided.

3 (1) Only those absentee ballots returned to the county board of
4 elections no later than 5:00 P.M. on the day before election day
5 in a properly executed container-return envelope shall be
6 counted.

7 (2) The county board of elections shall meet at 5:00 P.M. on
8 election day in the board office or other public location in the
9 county courthouse for the purpose of counting all absentee
10 ballots except those which have been challenged before 5:00 P.M.
11 on election day. Any elector of the county shall be permitted to
12 attend the meeting and allowed to observe the counting process,
13 provided he shall not in any manner interfere with the election
14 officials in the discharge of their duties.

15 Provided, that the county board of elections is authorized to
16 begin counting absentee ballots between the hours of 2:00 P.M.
17 and 5:00 P.M. upon the adoption of a resolution at least two
18 weeks prior to the election wherein the hour and place of
19 counting absentee ballots shall be stated. A copy of the
20 resolutions shall be published once a week for two weeks prior to
21 the election, in a newspaper or on a broadcast station or both
22 having general circulation in the county. The count shall be
23 continuous until completed and the members shall not separate or
24 leave the counting place except for unavoidable necessity. The
25 board shall not announce the result of the count before 7:30 P.M.

26 (3) The counting of absentee ballots shall not commence until a
27 majority and at least one board member of each political party
28 represented on the board is present and such fact is publicly
29 declared and entered in the official minutes of the county board.

30 (4) The county board of elections may employ such assistants as
31 deemed necessary to count the absentee ballots, but each board
32 member present shall be responsible for and observe and supervise
33 the opening and tallying of the ballots.

34 (5) As each ballot envelope is opened, the board shall cause to
35 be entered into a pollbook designated "Pollbook of Absentee

1 Voters" the name of the absentee voter. Preserving secrecy, the
2 ballots shall be placed in the appropriate ballot boxes, at least
3 one of which shall be provided for each type of ballot.

4 After all ballots have been placed in the boxes, the counting
5 process shall begin.

6 If a challenge transmitted to the board on canvass day by a
7 registrar is sustained, the ballots challenged and sustained
8 shall be withdrawn from the appropriate boxes, as provided in
9 G.S. 163-89(e).

10 As soon as the absentee ballots have been counted and the names
11 of the absentee voters entered in the pollbook as required
12 herein, the board members and assistants employed to count the
13 absentee ballots shall each sign the pollbook immediately beneath
14 the last absentee voter's name entered therein. The chairman
15 shall be responsible for the safekeeping of the pollbook of
16 absentee voters.

17 (6) Upon completion of the counting process the board members
18 shall cause the results of the tally to be entered on the
19 absentee abstract prescribed by the State Board of Elections. The
20 abstract shall be signed by the members of the board in
21 attendance and the original mailed immediately to the State Board
22 of Elections, Raleigh, North Carolina 27602.

23 (7) One copy of the absentee abstract shall be retained by the
24 county board of elections and the totals appearing thereon shall
25 be added to the final totals of all votes cast in the county for
26 each office as determined on the official canvass.

27 (8) In the event a political party does not have a member of
28 the county board of elections present at the 5:00 P.M. meeting
29 to count absentee ballots due to illness or other cause of the
30 member, the counting shall not commence until the county party
31 chairman of said absent member, or a member of the party's county
32 executive committee, is in attendance. Such person shall act as
33 an official witness to the counting and shall sign the absentee
34 ballot abstract as an "observer."

1 (9) The county board of elections shall retain all container-
2 return envelopes and absentee ballots, in a safe place, for at
3 least four months, and longer if any contest is pending
4 concerning the validity of any ballot."

5 Sec. 8. G.S. 163-281(a) reads as rewritten:

6 "(a) Registrars and Judges. -- At the meeting required by G.S.
7 163-280(c), the municipal board of elections shall appoint one
8 person to act as registrar and two other persons to act as judges
9 of election for each precinct in the city. Not more than one
10 judge in each precinct where there are registered voters of more
11 than one political party shall belong to the same political party
12 as the registrar, if the municipal elections are on a nonpartisan
13 or partisan basis. If the city and county precincts are identical
14 and the board so chooses, it may decline to exercise its power to
15 appoint precinct registrars and judges, in which event the
16 persons appointed by the county board of elections as precinct
17 registrars and judges in each precinct within the city shall
18 serve as such for municipal elections under authority and subject
19 to the supervision and control of the municipal board of
20 elections. Nothing herein shall prohibit a municipal board of
21 elections from using the registrars and judges of election
22 appointed by the county board of elections in those precincts
23 which are not identical provided the county board of elections
24 agrees, in writing, to such arrangement. Registrars and judges
25 shall be appointed for terms of two years. Except as modified by
26 this Article, municipal precinct registrars and judges shall meet
27 all of the qualifications, perform all the duties, and have all
28 of the powers imposed and conferred on county precinct registrars
29 and judges by G.S. 163-41(a), G.S. 163-47, and G.S. 163-48.
30 Municipal precinct registrars and judges shall not have the
31 powers and duties with respect to registration of voters
32 prescribed by G.S. 163-47(b). Immediately after appointing
33 registrars and judges as herein provided, the municipal board of
34 elections shall publish the names of the persons appointed in
35 some newspaper or on a broadcast station or both having a general

1 circulation in the city, or in lieu thereof, by posting at the
2 city hall or some other prominent place within the city, and
3 shall notify each person appointed of his appointment."

4 Sec. 9. G.S. 163-288.2 reads as rewritten:

5 "§ 163-288.2. Registration in area proposed for incorporation
6 or annexed.

7 (a) Whenever the General Assembly incorporates a new city and
8 provides in the act of incorporation for a referendum on the
9 question of incorporation or for a special election for town
10 officials or for both, or whenever an existing city or special
11 district annexes new territory under the provisions of Chapter
12 160A, Article 4A, or other general or local law, the board of
13 elections of the county in which the proposed city is located or
14 in which the newly annexed territory is located shall determine
15 those individuals eligible to vote in the referendum or special
16 election or in the city or special district elections. In
17 determining the eligible voters the board may, in its discretion,
18 use either of the following methods:

19 METHOD A. -- The board of elections shall prepare a list of
20 those registered voters residing within the proposed city or
21 newly annexed territory. The board shall make this list available
22 for public inspection in its office for a two-week period ending
23 on the twenty- first day (excluding Saturdays and Sundays) before
24 the day of the referendum or special election, or the next
25 scheduled city or special district election. During this period,
26 any voter resident within the proposed city or newly annexed
27 territory and not included on the list may cause his name to be
28 added to the list. At least one week and no more than two weeks
29 before the day the period of public inspection is to begin, the
30 board shall cause notice of the list's availability to be posted
31 in at least two prominent places within the proposed city or
32 newly annexed territory and may cause the notice to be published
33 in a newspaper or on a broadcast station or both of general
34 circulation within the county. The notice shall state that the
35 list has been prepared, that only those persons listed may vote

1 in the referendum or special election, that the list will be
2 available for public inspection in the board's office, that any
3 qualified voter not included on the list may cause his name to be
4 added to the list during the two-week period of public
5 inspection, and that persons in newly annexed territory should
6 present themselves so their registration records may be activated
7 for voting in city or special district elections in the newly
8 annexed territory.

9 METHOD B. -- The board of elections shall conduct a special
10 registration of eligible persons desiring to vote in the
11 referendum or special election or in the newly annexed territory.
12 The registration records shall be open for a two-week period
13 (except Sundays) ending on the twenty-first day (excluding
14 Saturdays and Sundays) before the day of the referendum or
15 special election or the next scheduled city or special district
16 election. On the two Saturdays during that two-week period, the
17 records shall be located at the voting place for the referendum
18 or special election or the next scheduled city or special
19 district election; on the other days it may, in the discretion of
20 the board, be kept at the voting place, at the office of the
21 board, or at the place of business of a person designated by the
22 board to conduct the special registration. At least one week and
23 no more than two weeks before the day the period of special
24 registration is to begin, the board shall cause notice of the
25 registration to be posted in at least two prominent places
26 within the proposed city or newly annexed territory and may cause
27 the notice to be published in a newspaper or on a broadcast
28 station or both of general circulation within the county. The
29 notice shall state the purpose and times of the special
30 registration, the location of the registration records, that only
31 those persons registered in the special registration may vote in
32 the referendum or special election, and that persons in newly
33 annexed territory should present themselves so their registration
34 records may be activated for voting in city or special district
35 elections in the newly annexed territory."
