A BILL TO BE ENTITLED

AN ACT TO CLARIFY THE PROCEDURE FOR SATELLITE-BASED  
MONITORING OF SEX OFFENDERS, AND TO MAKE OTHER CHANGES TO  
THE SEX OFFENDER LAWS.

The General Assembly of North Carolina enacts:

**SECTION 1.** G.S. 14-208.40 reads as rewritten:

"§ 14-208.40. **Establishment of program; creation of guidelines; duties.**

(a) The Department of Correction shall establish a sex offender monitoring program that uses a continuous satellite-based monitoring system and shall create guidelines to govern the program. The program shall be designed to monitor two categories of offenders as follows:

(1) Any offender who is convicted of a reportable conviction as defined by G.S. 14-208.6(4) and who is required to register under Part 3 of Article 27A of Chapter 14 of the General Statutes because the defendant is classified as a sexually violent predator, is a recidivist, or was convicted of an aggravated offense as those terms are defined in G.S. 14-208.6. ~~An offender in this category who is ordered by the court to submit to satellite based monitoring is subject to that requirement for the person's natural life, unless the requirement is terminated pursuant to G.S. 14-208.36.~~

(2) Any offender who satisfies all of the following criteria: (i) is convicted of a reportable conviction as defined by G.S. 14-208.6(4), (ii) is required to register under Part 2 of Article 27A of Chapter 14 of the General Statutes, (iii) has committed an offense involving the physical, mental, or sexual abuse of a minor, and (iv) based on the Department's risk assessment program requires the highest possible level of supervision and monitoring. ~~An offender in this category who is ordered by the court to submit to satellite based monitoring is subject to that requirement only for the period of time ordered by the court and is not subject to a requirement of lifetime satellite based monitoring.~~

1 (b) In developing the guidelines for the program, the Department shall require  
2 that any offender who is enrolled in the satellite-based program submit to an active  
3 continuous satellite-based monitoring program, unless an active program will not work  
4 as provided by this section. If the Department determines that an active program will  
5 not work as provided by this section, then the Department shall require that the  
6 defendant submit to a passive continuous satellite-based program that works within the  
7 technological or geographical limitations.

8 (c) The satellite-based monitoring program shall use a system that provides all of  
9 the following:

10 (1) Time-correlated and continuous tracking of the geographic location of  
11 the subject using a global positioning system based on satellite and  
12 other location tracking technology.

13 (2) Reporting of subject's violations of prescriptive and proscriptive  
14 schedule or location requirements. Frequency of reporting may range  
15 from once a day (passive) to near real-time (active).

16 (d) The Department may contract with a single vendor for the hardware services  
17 needed to monitor subject offenders and correlate their movements to reported crime  
18 incidents. The contract may provide for services necessary to implement or facilitate  
19 any of the provisions of this Part."

20 **SECTION 2.** Article 27A of Chapter 14 of the General Statutes is amended  
21 by adding a new section to read:

22 **"§ 14-208.40A. Determination of satellite-based monitoring requirement by**  
23 **court.**

24 (a) When an offender is convicted of a reportable conviction as defined by G.S.  
25 14-208.6(4), during the sentencing phase, the District Attorney shall present to the court  
26 any evidence that (i) the offender is a recidivist, (ii) the conviction offense was an  
27 aggravated offense, or (iii) the offense involved the physical, mental or sexual abuse of  
28 a minor. The District Attorney shall have no discretion to withhold any evidence  
29 required to be submitted to the court pursuant to this subsection.

30 The offender shall be allowed to present to the court any evidence that the District  
31 Attorney's evidence is not correct.

32 (b) After receipt of the evidence from the parties, the court shall determine  
33 whether the offender's conviction places the offender in one of the categories described  
34 in G.S. 14-208.33(a), and if so, shall make a finding of fact of that determination,  
35 specifying whether (i) the offender is a recidivist, (ii) the conviction offense was an  
36 aggravated offense, or (iii) the offense involved the physical, mental or sexual abuse of  
37 a minor.

38 (c) Upon finding that the offender is a recidivist, or has committed an aggravated  
39 offense, the court shall order the offender to enroll in a satellite-based monitoring  
40 program for life.

41 (d) Upon finding that the offender committed an offense that involved the  
42 physical, mental or sexual abuse of a minor, the court shall order that the Department do  
43 a risk assessment of the offender. The Department shall have a minimum of thirty days,  
44 but not more than sixty days, to complete the risk assessment of the offender and report  
45 the results to the court.

46 (e) Upon receipt of a risk assessment from the Department pursuant to subsection  
47 (d), the court shall determine whether, based on the Department's risk assessment, the  
48 offender requires the highest possible level of supervision and monitoring. If the court  
49 determines that the offender does require the highest possible level of supervision and  
50 monitoring, the court shall order the offender to enroll in a satellite-based monitoring  
51 program for a period of time to be specified by the court."

52 **SECTION 3.** Article 27A of Chapter 14 of the General Statutes is amended  
53 by adding a new section to read:

1 **"§ 14-208.40B. Determination of satellite-based monitoring requirement in**  
2 **certain circumstances; right to hearing.**

3 (a) The Department shall make a determination to require satellite-based  
4 monitoring for an offender who has been convicted of a reportable conviction as defined  
5 by G.S. 14-208.6(4), and who has not had a determination by a court on whether the  
6 offender shall be required to enroll in satellite-based monitoring.

7 (b) If the Department determines that the offender falls into one of the categories  
8 described in G.S. 14-208.33(a), the offender shall be required to enroll in satellite-based  
9 monitoring.

10 (c) After enrolling in satellite-based monitoring, the offender may file a petition  
11 with the court of the county in which the offender resides. Upon the receipt of the  
12 petition, the court shall hold a hearing within ten (10) days to determine if the offender  
13 falls into one of the categories described in G.S. 14-208.33(a). The court shall hold the  
14 hearing and make findings of fact pursuant to G.S. 14-208.33A.

15 If the court finds that (i) the offender is a recidivist, (ii) the conviction offense was  
16 an aggravated offense, or (iii) the offense involved the physical, mental or sexual abuse  
17 of a minor, the court shall order the offender to enroll in satellite-based monitoring for  
18 the appropriate period, as set forth in G.S. 14-208.33A.

19 If the court finds that the offender does not fall into one of the categories described  
20 in G.S. 14-208.33(a), the offender shall be released from the satellite-based monitoring  
21 program and the Department shall remove and receive all satellite-based monitoring  
22 equipment from the offender as soon as possible."

23 **SECTION 4.** Article 27A of Chapter 14 of the General Statutes is amended  
24 by adding a new section to read:

25 **"§ 14-208.40C. Requirements of enrollment.**

26 (a) Any offender required to enroll in satellite-based monitoring pursuant to G.S.  
27 14-208.33A that receives an active sentence shall be enrolled and receive the  
28 appropriate equipment prior to their release from the Division of Prisons.

29 (b) Any offender required to enroll in satellite-based monitoring pursuant to G.S.  
30 14-208.33A that receives an intermediate sentence, shall immediately upon sentencing  
31 report to the Division of Community Corrections for enrollment in the satellite-based  
32 monitoring program, and, if necessary, shall return at any time designated by that  
33 Division to receive the appropriate equipment. If the intermediate sentence includes a  
34 required period of imprisonment, the offender shall not be required to be enrolled in the  
35 satellite-based monitoring program during the period of imprisonment.

36 (c) Any offender required to enroll in satellite-based monitoring pursuant to G.S.  
37 14-208.33A that receives a community service sentence, shall immediately upon  
38 sentencing report to the Division of Community Corrections for enrollment in the  
39 satellite-based monitoring program, and, if necessary, shall return at any time  
40 designated by that Division to receive the appropriate equipment.

41 **SECTION 5.** Article 27A of Chapter 14 of the General Statutes is amended  
42 by adding a new section to read:

43 **"§ 14-208.40D. Notification of certain offenders.**

1 Any offender subject to this Article that is not under Department supervision at the  
2 time the Department determines that the offender must enroll in satellite-based  
3 monitoring shall be notified by the Department of the requirement that they enroll. The  
4 notification shall be sent by certified mail to the address provided by the offender  
5 pursuant to G.S. 14-208.7.

6 The notification shall inform the offender of the location the offender is required to  
7 appear to enroll in satellite-based monitoring and receive the appropriate equipment.  
8 The notification shall state that the offender must appear on a date certain. If the  
9 notification is received by the offender after the date provided in the notification, the  
10 offender shall appear at the designated location within ten days of receipt of the  
11 notification.

12 For purposes of this section, receipt of notification shall be presumed to be the date  
13 indicated by the certified mail receipt."

14 **SECTION 6.** G.S. 14-208.42 reads as rewritten:

15 "**§ 14-208.42. ~~Lifetime registration offenders required to submit to satellite-based~~**

21 reportable conviction as defined by G.S. 14-208.6(4), and orders the offender to enroll  
22 in a satellite-based monitoring program, the court shall also order that the offender,  
23 upon completion of the offender's sentence and any term of parole, post-release  
24 supervision, intermediate punishment, or supervised probation that follows the sentence,  
25 ~~continue to be enrolled in the satellite-based monitoring program for the offender's life~~  
26 ~~and~~ be placed on unsupervised probation and shall continue to be enrolled in the

29 offender is required to enroll pursuant to G.S. 14-208.34(b). The offender shall remain

41 (c) For purposes of this section, 'enroll' shall mean providing any necessary  
42 information to the Division, as well as appearing to receive the necessary equipment."

43 **SECTION 8.** G.S. 15A-1343(b) reads as rewritten:

44 "(b) Regular Conditions. – As regular conditions of probation, a defendant must:

45 (1) Commit no criminal offense in any jurisdiction.

47 permission to leave by the court or his probation officer.

2 by the officer and obtain prior approval from the officer for, and notify  
3 the officer of, any change in address or employment.

4 (4) Satisfy child support and other family obligations as required by the

30 would not be in the best interests of justice.

31 A defendant shall not pay costs associated with a substance abuse monitoring  
32 program or any other special condition of probation in lieu of, or prior to, the payments  
33 required by this subsection.

2 subject to the provisions of this subsection except the regular conditions contained in  
3 subdivisions (6), (8), and (11). Defendants placed on unsupervised probation pursuant to  
4 any other provision of law, are subject to the provisions of this subsection, except that

11 reportable conviction as defined in G.S. 14-208.6(4), or which involves the physical,  
12 mental, or sexual abuse of a minor, must:

- 13 (1) Register as required by G.S. 14-208.7 if the offense is a reportable  
14 conviction as defined by G.S. 14-208.6(4).
- 15 (2) Participate in such evaluation and treatment as is necessary to  
16 complete a prescribed course of psychiatric, psychological, or other  
17 rehabilitative treatment as ordered by the court.
- 18 (3) Not communicate with, be in the presence of, or found in or on the

- 20 (4) Not reside in a household with any minor child if the offense is one in  
21 which there is evidence of sexual abuse of a minor.
- 22 (5) Not reside in a household with any minor child if the offense is one in  
23 which there is evidence of physical or mental abuse of a minor, unless  
24 the court expressly finds that it is unlikely that the defendant's harmful  
25 or abusive conduct will recur and that it would be in the minor child's  
26 best interest to allow the probationer to reside in the same household  
27 with a minor child.
- 28 (6) Satisfy any other conditions determined by the court to be reasonably  
29 related to his rehabilitation.
- 30 (7) Submit to satellite-based monitoring pursuant to Part 5 of Article 27A

34 of Chapter 14 of the General Statutes, if the defendant is in the  
35 category described by G.S. 14-208.40(a)(2), and the Department of  
36 Correction, based on the Department's risk assessment program,  
37 recommends that the defendant submit to the highest possible level of  
38 supervision and monitoring.
- 39 (9) Submit at reasonable times to warrantless searches by a probation  
40 officer of the probationer's person and of the probationer's vehicle and  
41 premises while the probationer is present, for purposes specified by the  
42 court and reasonably related to the probation supervision, but the  
43 probationer may not be required to submit to any other search that  
44 would otherwise be unlawful. For purposes of this subdivision,

1 warrantless searches of the probationer's computer or other electronic  
2 mechanism which may contain electronic data, shall be considered  
3 reasonably related to the probation supervision. Whenever the  
4 warrantless search consists of testing for the presence of illegal drugs,  
5 the probationer may also be required to reimburse the Department of  
6 Correction for the actual cost of drug screening and drug testing, if the  
7 results are positive.

8 Defendants subject to the provisions of this subsection shall not be placed on  
9 unsupervised probation, except as provided in G.S. 14-208.42."

10 **SECTION 10.** G.S. 14-208.16(d) reads as rewritten:

11 "(d) Changes in the ownership of or use of property within 1,000 feet of a  
12 registrant's registered address that occur after a registrant establishes residency at the

14 this section. For purposes of this subsection, a residence is established when the  
15 registrant does any of the following:

23 grandparent, or legal guardian of the registrant."

24 **SECTION 11.** Section 2 of this act becomes effective December 1, 2007,  
25 and applies to sentences entered on or after that date. Section 7 of this act becomes  
26 effective December 1, 2007, and applies to offenses committed on or after that date.  
27 Sections 8 and 9 of this act become effective December 1, 2007, and apply to persons  
28 placed on probation on or after that date. The remainder of this act is effective when it  
29 becomes law.
