The General Assembly of North Carolina enacts:

All dentists licensed under G.S. 90-30 shall be required to attend Board-approved courses of study in subjects relating to dentistry. The Board shall determine the number of hours of study, not to exceed 5 hrs per year, within a particular period and the nature of course work required. The Board may provide exemptions or waivers from continuing education requirements where dentists are receiving alternate learning experiences or where they have limited practices.
