1	A BILL TO BE ENTITLED
2	AN ACT TO REQUIRE ANNUAL DEPARTMENT BUDGET REQUESTS TO
3	INCLUDE A SEPARATE LINE ITEM FOR ENERGY EXPENSES; TO
4	ESTABLISH THE STATE FACILITIES ENERGY CONSERVATION
5	PROGRAM; TO AUTHORIZE THE DEPARTMENT OF ADMINISTRATION TO
6	ENTER INTO ALTERNATIVE FINANCING AGREEMENTS FOR THE
7	PURCHASE OF ENERGY CONSERVATION PROJECTS; AND TO
8	AUTHORIZE THE ISSUANCE OF BONDS THAT ARE SECURED BY AN
9	INTEREST IN THE PROPERTY PURCHASED.
10	Whereas, energy conservation projects that substantially reduce energy use
11	provide an opportunity to save large sums of money by reducing utility bills; and
12	Whereas, energy conservation projects that substantially reduce energy use
13	benefit the environment by slowing the depletion of nonrenewable energy sources, by
14	lessening the need to construct more power plants, and reducing harmful emissions and
15	other negative side effects of energy use that harm the environment and the health of the
16	public; and
17	Whereas, the State should take a leadership role in energy conservation; and
18	Whereas, the positive impact on the State's budget and the positive impact on
19	the environment compel the State to implement energy conservation projects in State
20	facilities; Now, therefore,
21	The General Assembly of North Carolina enacts:

1	Secti	on 1. (G.S. 143-341(4) reads as rewritten:
2	"(4)	Real	Property Control:
3		a.	To prepare and keep current a complete and accurate inventory
4			of all land owned or leased by the State or by any State agency.
5			This inventory shall show the location, acreage, description,
6			source of title and current use of all land (including swamplands
7			or marshlands) owned by the State or by any State agency, and
8			the agency to which each tract is currently allocated. Surveys
9			may be made where necessary to obtain information for the
10			purposes of this inventory. Accurate plats or maps of all such
11			land may be prepared, or copies obtained where such maps or
12			plats are available.
13		b.	To prepare and keep current a complete and accurate inventory
14			of all buildings owned or leased (in whole or in part) by the
15			State or by any State agency. This inventory shall show the
16			location, amount of floor space and floor plans of every
17			building owned or leased by the State or by any State agency,
18			and the agency to which each building, or space therein, is
19			currently allocated. Floor plans of every such building shall be
20			prepared or copies obtained where such floor plans are
21			available, where needed for use in the allocation of space
22			therein.
23		C.	To obtain and deposit with the Secretary of State the originals
24		0.	of all deeds and other conveyances of real property to the State
25			or to any State agency, copies of all leases wherein the State or
26			any State agency is lessor or lessee, and certified copies of
27			wills, judgments, and other instruments whereby the State or
28			any State agency has acquired title to real property. Where an
29			original of a deed, lease, or other instrument cannot be found,
30			but has been recorded in the registry of office of the clerk of
31			superior court of any county, a certified copy of such deed,
32			conveyance, or instrument shall be obtained and deposited with
33			the Secretary of State.
34		d.	To acquire, whether by purchase, exercise of the power of
35		ч.	eminent domain, lease, or rental, all land, buildings, and space
36			in buildings for all State agencies, subject to the approval of the
37			Governor and Council of State in each instance. The Governor,
38			acting with the approval of the Council of State, may adopt
39			rules (i) exempting from any or all of the requirements of this
40			paragraph such classes of lease, rental, easement, and right-of-
41			way transactions as he deems advisable; and (ii) authorizing any
42			State agency to enter into and/or approve the classes of
43			transactions thus exempted from the requirements of this
44			paragraph; and (iii) delegating to any other State agency the

4		purposes of this Chapter, as personal property. Any contract
5		entered into or any proceeding instituted contrary to the
6		provisions of this paragraph is voidable in the discretion of the
7		Governor and Council of State.
8	d 1.	To require all State departments, institutions, and agencies to
9	41 .	use State-owned office space instead of negotiating or
10		renegotiating leases for rental of office space. Any lease entered
11		into contrary to the provisions of this paragraph is voidable in
12		the discretion of the Governor and the Council of State.
13		The Department of Administration shall report to the Joint
14		Legislative Commission on Governmental Operations and to
15		the Fiscal Research Division no later than May 1 of each year
16		on leased office space.
17	<u>d2.</u>	To finance the cost of modification, rehabilitation, renovation,
18		or improvement of existing buildings or facilities, or the
19		acquisition and installation of fixtures or equipment in existing
20		buildings or facilities, or any combination of the foregoing
21		pursuant to an energy conservation project under Part 2 of
22		Article 3B of Chapter 143 of the General Statutes, through
23		installment purchase, lease purchase, or other similar
24		installment financing agreements or the issuance of bonds of the
25		State in the manner and to the extent set forth in Article 8 of
26		Chapter 142 of the General Statutes.
27	e.	To make all sales of real property (including marshlands or
28		swamplands) owned by the State or by any State agency, with
29		the approval of the Governor and Council of State in each
30		instance. All conveyances in fee by the State shall be executed
31		in accordance with the provisions of G.S. 146-74 through 146-
32		78. Any conveyance of land made or contract to convey land
33		entered into without the approval of the Governor and Council
34		of State is voidable in the discretion of the Governor and
35		Council of State. The proceeds of all sales of swamplands or
36		marshlands shall be dealt with in the manner required by the
37		Constitution and statutes.
38	f.	With the approval of the Governor and Council of State, to
39		make all leases and rentals of land or buildings owned by the
40		State or by any State agency, and to sublease land or buildings
41		leased by the State or by any State agency from another owner,
42		where such land or building owned or leased by the State or by
43		any State agency is not needed for current use. The Governor,
44		acting with the approval of the Council of State, may adopt

1		rules (i) exempting from any or all of the requirements of this
2		paragraph such classes of lease or rental transactions as he
3		deems advisable; and (ii) authorizing any State agency to enter
4		into and/or approve the classes of transactions thus exempted
5		from the requirements of this paragraph; and (iii) delegating to
6		
		any other State agency the authority to approve the severance of
7		buildings and standing timber from State lands; upon such
8		approval of severance, the buildings and timber so affected
9		shall be treated, for the purposes of this Chapter, as personal
10		property. Any lease or rental agreement entered into contrary to
11		the provisions of this paragraph is voidable in the discretion of
12		the Governor and Council of State.
13	g.	To allocate and reallocate land, buildings, and space in
14	c	buildings to the several State agencies, in accordance with rules
15		adopted by the Governor with the approval of the Council of
16		State; provided that if the proposed reallocation is of land with
17		an appraised value of at least twenty-five thousand dollars
18		(\$25,000), the reallocation may only be made after consultation
19		with the Joint Legislative Commission on Governmental
20		
		Operations. The authority granted in this paragraph shall not
21		apply to the State Legislative Building and grounds or to the
22	1	Legislative Office Building and grounds.
23	h.	To require any State agency to make reports regarding the land
24		and buildings owned by it or allocated to it at such times and in
25		such form as the Department may deem necessary.
26	i.	To determine whether all deeds, judgments, and other
27		instruments whereby title to real estate has been or may be
28		acquired by the State or by any State agency have been properly
29		recorded in the county wherein the real property is situated, and
30		to make or cause to be made proper recordation of such
31		instruments. The Department may have previously recorded
32		instruments which conveyed title to or from the State or any
33		State agency or officer reindexed, where necessary, to show the
34		State of North Carolina or grantor or grantee, as the case may
35		be, and the cost of such reindexing shall be paid from the State
36		Land Fund.
30	;	
	J.	To call upon the Attorney General for advice and assistance in
38	1	the performance of any of the foregoing duties.
39	k.	None of the provisions of this subdivision apply to highway or
40		railroad rights-of-way or other interests or estates in land held
41		for the same or similar purposes, or to the acquisition or
42		disposition of such rights-of-way, interests, or estates in land.

		distribution system or by components of a central energy distribution system.
	(5)	<u>'Technical analysis' means a specialized engineering study conducted</u>
	<u>(</u> <u>)</u>	within a State facility to identify specific energy conservation projects,
		the implementation costs of these projects, and the expected energy
		and energy savings and energy cost savings after implementation.
	"§ 143-64.17A.	State Facilities Energy Conservation Program.
		General Assembly finds that:
	(1)	State government should take a leadership role in aggressively
	\ /	
		undertaking energy conservation in North Carolina.

1 2		<u>(2)</u>	After the implementation cost of the energy conservation project is paid, the State will save substantial sums of money in reduced utility
3			bills.
4		<u>(3)</u>	The actual energy savings that result from an energy conservation
5			project should offset, in whole or in part, the implementation cost of
6			the energy conservation project.
7		<u>(4)</u>	The State should undertake only those energy conservation projects
8			that are projected to require less than an aggregate of six years for the
9			recoupment of the implementation cost based on the projected energy
10			cost savings from implementing the energy conservation project, and
11			the term of the financing should not exceed the expected economic life
12			of the energy conservation project being financed.
13		<u>(5)</u>	The State should give highest priority to those energy conservation
14			projects that are projected to require less than an aggregate of two
15			years for the recoupment of the implementation cost of the energy
16			conservation project based on the projected energy cost savings of the
17			improvement.
18		<u>(6)</u>	It is in the best interest of the State to authorize financing of energy
19			conservation projects pursuant to Article 8 of Chapter 142 of the
20			General Statutes.
21	<u>(b)</u>	The	State Facilities Energy Conservation Program is established to more
22	efficient	ly use	energy resources in State facilities and to reduce the utility costs of the
23	State.	The E	nergy Division shall develop, administer, and coordinate the State
24	Facilities	s Energ	y Conservation Program.
25	<u>(c)</u>	The S	State Facilities Energy Conservation Program shall assist State agencies
26	<u>as follow</u>	<u>vs:</u>	
27		<u>(1)</u>	Serve as a source of technical support for energy conservation
28			management.
29		<u>(2)</u>	Identify sources of moneys for conducting technical analyses pursuant
30			<u>to G.S. 143-64.17C.</u>
31	<u>(d)</u>	The I	Energy Division shall:
32		<u>(1)</u>	When necessary to carry out its duties under this Part, enter into
33			contracts with State agencies and other qualified contractors.
34		<u>(2)</u>	Promulgate rules necessary to carry out the provisions of this Article.
35		<u>(3)</u>	Provide criteria for the selection of State projects or facilities to
36			participate in this Program and develop a format that comports with
37			these criteria.
38		<u>(4)</u>	Develop procedures for the technical analyses required under G.S.
39			143-64.17C and procedures for implementing energy conservation
40			projects.
41		<u>(5)</u>	Select, in order of priority and in consultation with the Department of
42			Administration, State projects or facilities to participate in this
			Administration, state projects of facilities to participate in this
43			Program.
43 44		<u>(6)</u>	

	1993 GENERAL ASSEMBLY OF NORTH CAROLINA
1 2 3	(7) Be responsible for considering the costs of the constituent fixtures or improvements over their economic life during the selection of projects or facilities to participate in this Program.
4	"§ 143-64.17B. Energy Technical Analysis Loan Fund.
5	(a) The Energy Technical Analysis Loan Fund is created. This Fund shall be a
6	nonreverting revolving loan fund to be administered by the Energy Division. This Fund
7	shall consist of moneys appropriated or allocated to it by the General Assembly and any
8	grants, fees, or other moneys paid to it. The interest accruing to the Fund shall be
9	credited to the Fund.
10	(b) The Energy Technical Analysis Loan Fund may be used for State
11	departments, institutions, or agencies for the cost of conducting a technical analysis
12	under G.S. 143-64.17C. The State department, institution, or agency for which the
13	technical analysis was conducted shall repay the Fund within 60 days of receiving
14	financing to implement an energy conservation project or within 180 days of
15	determining that no energy conservation project will be implemented under this Part.
16	" <u>§ 143-64.17C. Identification and implementation of energy conservation projects.</u>
17	(a) Each State project or facility that is selected shall undergo a technical analysis
18	conducted by an engineer qualified to conduct such analysis. When the Energy
19	Division enters into a contract with a State agency whereby the State agency is to select
20	and contract with an engineer to conduct the technical analysis of the agency's facilities,
21	the State agency shall select the engineer within 60 days of entering into the contract with the Energy Division. The Energy Division in consultation with the Department of
22 23	with the Energy Division. The Energy Division, in consultation with the Department of Administration, shall review all completed technical analyses. If the Energy Division
23 24	does not approve a technical analysis, the energy conservation project shall not be
2 4 25	implemented.
23 26	(b) Only those energy conservation projects identified by the technical analysis
27	that are economically practical and that are projected not to require more than an
28	aggregate of six years for the recoupment through energy cost savings of the estimated
29	implementation cost of the improvements may be implemented. Those energy
30	conservation projects identified by the technical analysis that are projected to not
31	require more than an aggregate of two years for the recoupment of the estimated
32	implementation cost of the improvements shall be given priority.
33	(c) <u>Selected energy conservation projects shall be financed pursuant to Article 8</u>
34	of Chapter 142 of the General Statutes.
35	(d) The Energy Division shall notify the Joint Legislative Commission on
36	Governmental Operations of any energy conservation project having a construction cost
37	greater than five thousand dollars (\$5,000) prior to executing the financing documents.
38	(e) <u>Selection of a designer for an energy conservation project shall occur within</u>
39	60 days of the Office of State Budget and Management certifying the availability of
40	funds for the project.
41	" <u>§ 143-64.17D. Grants; appropriations.</u>
42	Moneys appropriated by the General Assembly and any grants, fees, or other
43	moneys provided for the purpose of funding the cost of an energy conservation project
44	shall be applied to pay the cost of implementing such project, including the technical

1	-	ted in accordance with G.S. 143-64.17C, in a manner consistent with the
2	·	rticle 8 of Chapter 142 of the General Statutes.
3		Additional reporting requirements.
4		Division shall report on a quarterly basis to the Joint Legislative
5		Governmental Operations. This report shall include:
6	<u>(1)</u>	The technical analyses conducted in the previous quarter, including the
7		location of the State facilities subject to the analyses and the results of
8		the analyses.
9	<u>(2)</u>	The estimated implementation cost of each proposed project, the
10		projected energy savings, and the projected payback period for each
11		energy conservation project.
12	<u>(3)</u>	The energy conservation projects that were initiated during the
13		previous quarter, the terms of the financing, and the progress to date.
14	<u>(4)</u>	The energy conservation projects that were completed during the
15		previous quarter, including the actual cost of constructing each energy
16		conservation project.
17	<u>(5)</u>	The financings that were fully paid during the previous quarter,
18		including the amount of time required for the implementation cost of
19		each energy conservation project to be recouped, based on the energy
20		savings of the project.
21	<u>(6)</u>	Any other information requested by the Commission.
22		Scope of this Part.
23	-	ons of this Part apply to all State facilities, including facilities in the

1	(a) Whenever the State or any State agency intends to use special indebtedness to
2	finance capital facilities, the State or such State agency shall contact the Department of
3	Administration and the Director of the Budget. The State or such State agency shall
4	request authorization from the Director of the Budget to utilize funds appropriated for
5	energy expenses to be used for payments due through the creation of the special
6	indebtedness. In making such request the State or State agency shall convey to the
7	Director of the Budget the authority to transfer unencumbered money to appropriate
8	budgetary line items to permit these payments. If the Department of Administration
9	intends to use special indebtedness to finance such capital facilities, it shall provide
10	written notice to the State Treasurer advising the State Treasurer of its proposed intent.
11	The State Treasurer may require a preliminary conference with the Department of
12	Administration to consider the proposed financing.
13	After the filing of such notice and after such preliminary conference if one is
14	required, the State Treasurer shall consult with the Office of State Budget and
15	Management as to the revenues expected by said Office to be available to pay all sums
16	to come due on such special indebtedness during the term thereof. If, after consulting
17	with the Office of State Budget and Management, the State Treasurer determines by
18	written certificate that it may be desirable to use special indebtedness to finance such
19	capital facilities, the Department of Administration shall request the Council of State to
20	give its preliminary approval of the use of special indebtedness to finance such capital
21	<u>facilities. Copies of the notice and certificate required by this subsection (a)</u> of
22	this section shall be filed promptly with the Council of State.
23	(b) The Council of State, upon receipt of the items required by subsection (a) of
24	this section, shall adopt a resolution granting or denying preliminary approval of such
25	financing. A resolution granting preliminary approval may include such other terms,
26	conditions, and restrictions as the Council of State may deem necessary or desirable.
27 28	(c) <u>Council of State approval.</u>
28 29	(1) <u>Before any special indebtedness shall be incurred or issued pursuant to</u> this Article, the Council of State shall authorize by resolution:

35	maturity thereof and the interest rate or rates (or the equivalent
36	thereof) or maximum rate thereof of the special indebtedness to
37	be incurred or issued therefor.
38	Such resolution shall include such other matters as the Council of State
39	may determine including, without limitation, the adoption or approval
40	of documentation providing for the incurrence or issuance and sale of
41	special indebtedness and the making of such determinations or the
42	granting of such consents or approvals as may be authorized in G.S.

42		individual or entity advancing moneys or providing financing under an
43		alternative financing agreement; or
44	<u>(2)</u>	Payment of the principal of and interest on bonded indebtedness.

1 (b)Documentation relating to any special indebtedness may include provisions 2 requiring the Governor to submit in the Governor's budget proposal or any amendments 3 or supplements thereto appropriations necessary to make the payments required by any special indebtedness. 4 5 (c)Amounts payable by the State under an alternative financing agreement or 6 issue of bonded indebtedness during any biennium or fiscal year, each being called a 7 fiscal period for purposes of this subsection, shall be limited to funds appropriated for 8 such fiscal period by the General Assembly in its discretion. During any interim period 9 after the adoption by the General Assembly of appropriation legislation for a fiscal 10 period and prior to the adoption by the General Assembly of appropriation legislation for the next fiscal period, an alternative financing agreement or issue of bonded 11 12 indebtedness, the payment of which during such interim period has not been provided for by appropriation legislation, may be incurred or issued only if, in addition to 13 14 compliance with the other provisions of this Article, the Director of the Budget shall 15 have filed with the State Treasurer a certificate stating that sufficient unencumbered money is available to make the required payments during such interim period on such 16 17 alternative financing agreement or issue of bonded indebtedness. Such unencumbered 18 money shall become appropriated and reserved for making such payments upon execution of the alternative financing agreement or issuance of bonded indebtedness, 19 20 subject to the right of the General Assembly to modify or rescind such appropriations. 21 (d) No deficiency judgment shall be rendered against the State in any action for breach of any obligation contained in an alternative financing agreement or issue of 22 23 bonded indebtedness, and the taxing power of the State shall not be pledged directly or 24 indirectly to secure any moneys due under an alternative financing agreement or issue of bonded indebtedness. In the event that the General Assembly does not appropriate 25 sums sufficient to make payments required under an alternative financing agreement or 26 27 issue of bonded indebtedness, the net proceeds received from the sale or other disposition of the property subject to the lien or security interest shall be applied to 28 29 satisfy such payment obligations in accordance with the deed of trust, security 30 agreement, or other documentation relating to such lien or security interest, and such net proceeds are hereby deemed appropriated for the purpose of making such payments. 31 32 Any net proceeds in excess of the amount required to satisfy the obligations of the State 33 under an alternative financing agreement or issue of bonded indebtedness shall be paid to the State Treasurer for deposit to the General Fund. 34 35 (e) No alternative financing agreement or issue of bonded indebtedness may 36 contain a nonsubstitution clause that restricts the right of the State to: 37 Continue to provide a service or activity; or (1)38 (2)Replace or provide a substitute for any energy conservation project 39 financed or purchased thereby. An alternative financing agreement or issue of bonded indebtedness may 40 (f) 41 create a lien or security interest in any one or more or all of the energy conservation 42 projects being financed, and the estimated value of the energy conservation projects subject to the lien or security interest need not bear any particular relationship to the 43 44 principal amount of the agreement or issue.

1	(g) Nothing in this Article shall limit the right of the Council of State to grant		
2	multiple liens or security interests in an energy conservation project to the extent not		
3	otherwise limited by the terms of other special indebtedness.		
4	(h) Special indebtedness may contain such provisions for protecting and		
5	enforcing the rights and remedies of the lessor, seller, or other individual or entity		
6	advancing moneys or providing financing under an alternative financing agreement or		
7	the owners of bonded indebtedness as may be reasonable and proper and not in violation

10	and application of the revenues of the State, including taxes, the duties of the State with		
11	respect to the capital facilities financed, including, without limitation, the payment of		
12	the costs of insurance and maintenance of the capital facilities, the disposition of any		
13	charges and collection of any revenues and administrative charges, the terms and		
14	conditions of the issuance of additional special indebtedness, and the custody,		
15	safeguarding, investment, and application of all moneys.		
16	" <u>§ 142-66. Alternative financing agreement indebtedness.</u>		
17	(a) The State Treasurer, after consultation with the Department of		
18	Administration, shall approve all documentation providing for the incurrence of		
19	alternative financing agreement indebtedness.		
20	(b) Any alternative financing agreement may provide for payments thereunder to		
21	represent principal and interest components of the cost of the energy conservation		
22	project to be leased or acquired, such determination to be made by the State Treasurer.		
23	(c) Alternative financing agreements may be entered into pursuant to any		
24	applicable public or competitive bidding process or any private or negotiated process, to		
25	the extent required by applicable law, and if not so required, as may be determined by		
26	the Department of Administration after consulting with the State Treasurer.		
27	(d) All alternative financing agreements shall be executed on behalf of the State		
28	by the Department of Administration after having been approved by the State Treasurer.		
29	(e) If the State Treasurer determines that it is in the best interest of the State, the		
30	State Treasurer may arrange for the delivery of a credit facility to secure payment under		
31	any alternative financing agreement. The State Treasurer may also provide that		
32	payments by the State representing the interest component of the payments to be made		
33	under an alternative financing agreement may be calculated based upon a variable		
34	interest rate.		
35	(f) <u>All other conditions set forth elsewhere in this Article with respect to</u>		
36	alternative financing agreement indebtedness shall also be satisfied prior to incurring		
37	any alternative financing agreement indebtedness.		
38	(g) To the extent applicable as may be conclusively determined by the State		
39	Treasurer, the provisions of G.S. 142-69, 142-70, and 142-71 shall apply to alternative		
40	financing agreement indebtedness.		
41	" <u>§ 142-67. Additional requirements for certificates of participation indebtedness.</u>		
42	(a) The State Treasurer, after consultation with the Department of

44	connection with the delivery of certificates of participation by a special corporation.		

1993

1	(b) The documentation providing for the delivery and sale of certificates of		
2	participation shall be approved by the State Treasurer. The special corporation, if used,		
3	shall request the approval of the State Treasurer in writing and shall furnish such		
4	information and documentation relating to the delivery and sale of the certificates of		
5	participation as the State Treasurer may request. In determining whether such approval		
6	shall be granted, the State Treasurer shall consider the factors provided for in G.S. 142-		
7	$\frac{1}{64(d)}$, as well as the effect of the proposed financing upon any scheduled or proposed		
8	sale of debt obligations by the State or any State agency or by any unit of local		
9	government in the State.		
10	(c) Upon the filing with the State Treasurer of a written request of a special		
11	corporation to sell the certificates of participation, the certificates of participation may		
12	be sold by the State Treasurer in such manner, either at public or private sale, and for		
13	such price or prices as the State Treasurer shall determine to be in the best interest of the		
14	State and to effect the purposes of this Article, provided that the sale shall be approved

notes shall be signed on behalf of the State by the Governor or shall bear the Governor's 1 2 facsimile signature, shall be signed by the State Treasurer or shall bear the State 3 Treasurer's facsimile signature, and shall bear the Great Seal of the State or a facsimile of the Great Seal shall be impressed or imprinted on the bonds or notes. If bonds or 4 5 notes bear the facsimile signatures of the Governor and the State Treasurer, the bonds or 6 notes shall also bear a manual signature which may be that of a bond registrar, trustee, 7 paying agent, or designated assistant of the State Treasurer. Should any officer whose 8 signature or facsimile signature appears on bonds or notes cease to be the officer before 9 the delivery of the bonds or notes, the signature or facsimile signature shall nevertheless 10 have the same validity for all purposes as if the officer had remained in office until delivery of the bonds and notes, and bonds or notes may bear the facsimile signatures of 11 12 persons who at the actual time of the execution of the bonds or notes shall be the proper officers to sign any bond or note although at the date of the bond or note those persons 13 14 may not have been the officers. The form and denomination of bonds or notes, 15 including the provisions with respect to registration of the bonds or notes and any 16 system for their registration, shall be as the State Treasurer may determine in 17 conformity with this Article; provided, however, that nothing in this Article shall 18 prohibit the State Treasurer from proceeding, with respect to the issuance and form of the bonds or notes, under the provisions of Chapter 159E of the General Statutes, the 19 20 Registered Public Obligations Act, as well as under this Article. 21 (c) Manner of Sale; Expenses. – Subject to the approval by the Council of State as to the manner in which bonds or notes shall be offered for sale, whether at public or 22 private sale, whether within or without the United States of America, and whether by 23 24 publishing notices in certain newspapers and financial journals, mailing notices, inviting 25 bids by correspondence, negotiating contracts of purchase or otherwise, the State Treasurer may sell bonds or notes at one time or from time to time at such rate or rates 26 27 of interest, which may vary from time to time, and at the price or prices, including a 28 price less than the face amount of the bonds or notes, as the State Treasurer determines. 29 All expenses incurred in the preparation, sale, and issuance of bonds or notes shall be 30 paid by the State Treasurer from the proceeds of bonds or notes or other available 31 moneys. 32 Application of Proceeds. - The proceeds of any bonds or notes shall be used (d)solely for the purposes for which the bonds or notes were issued and shall be disbursed 33 in the manner and under such restrictions, if any, as the Council of State may provide in 34 35 the resolution authorizing the issuance of, or in any trust agreement securing, the bonds 36 or notes. Any additional moneys which may be received by means of a grant or grants from 37 38 the United States of America or any agency or department thereof or from any other 39 source to aid in financing the cost of an energy conservation project may be disbursed, to the extent permitted by the terms of such grant or grants, without regard to any 40 41 limitations imposed by this Article. Notes; Repayment. - By and with the consent of the Council of State. the 42 (e) State Treasurer may borrow money, and execute and issue notes of the State for the 43

1	borrowed mone	ey, but only in the following circumstances and under the following
2	conditions:	
3	<u>(1)</u>	For anticipating the sale of bonds the issuance of which the Council of
4		State shall have approved, if the State Treasurer shall deem it
5		advisable to postpone the issuance of the bonds;
6	<u>(2)</u>	For the payment of interest on or any installment of principal of any
7		bonds then outstanding, if there shall not be sufficient funds in the
8		State treasury with which to pay the interest or installment or principal
9		as they respectively become due;
10	<u>(3)</u>	For the renewal of any loan evidenced by notes herein authorized;
11	$\frac{(4)}{(5)}$	For the purposes authorized in this Article; and
12	<u>(5)</u>	For refunding bonds or notes or alternative financing agreement
13		indebtedness as authorized by this Article.
14	Funds deriv	ed from the sale of bonds or notes may be used in the payment of any

16		he payment of interest on or principal of bonds shall be used in paying
17		or principal of any notes and any renewals of any notes, the proceeds of
18	which shall hav	e been used in paying interest on or principal of the bonds.
19	(f) <u>Refu</u>	nding Bonds and Notes By and with the consent of the Council of
20		Treasurer may issue and sell refunding bonds and notes for the purpose
21	of refunding b	onds or notes or alternative financing agreement indebtedness issued
22	pursuant to this	s Article. The refunding bonds and notes may be combined with any
23	other issues of	State bonds and notes similarly secured. Refunding bonds or notes may
24	be issued at any	time prior to the final maturity of the debt or obligation to be refunded.
25	The proceeds f	rom the sale of any refunding bonds or notes shall be applied only as
26	<u>follows:</u>	
27	<u>(1)</u>	To the immediate payment and retirement of the obligations being
28		refunded; or
29	<u>(2)</u>	If not required for the immediate payment of the obligations being
30		refunded, the proceeds shall be deposited in trust to provide for the
31		payment and retirement of the obligations being refunded and to pay
32		any expenses incurred in connection with the refunding.
33	Money in ar	ny trust fund may be invested in:
34	<u>(1)</u>	Direct obligations of the United States government;
35	<u>(2)</u>	Obligations the principal of and interest on which are guaranteed by
36		the United States government;
37	<u>(3)</u>	To the extent then permitted by law, in obligations of any agency or
38		instrumentality of the United States government; or
39	<u>(4)</u>	Certificates of deposit issued by a bank or trust company located in the
40		State, if such certificates shall be secured by a pledge of any of said
41		obligations described in subdivision (1), (2), or (3) of subsection (e) of
42		this section having any aggregate market value, exclusive of accrued
43		interest, equal at least to the principal amount of the certificates so
44		secured.

3	matured and which shall not be presently redeemable, or if presently redeemable, shall		
4	not have been called for redemption.		
5	(g) Security. – Payment of the principal of and the interest on bonds and notes		
6	shall be secured as provided in G.S. 142-65.		
7	(h) <u>Trust Agreement. – In the discretion of the State Treasurer, any bonds and</u>		
8	notes issued under the provisions of this Article may be secured by a trust agreement by		
9	and between the State and a corporate trustee or by a resolution of the Council of State		
10	providing for the appointment of a corporate trustee. The corporate trustee may be, in		
11	either case, any trust company or bank having the powers of a trust company within or		
12	without the State. A trust agreement or resolution may provide for security, pledges,		
13	and assignments with respect to a trust agreement or resolution as may be permitted		
14	under this Article and further provide for the granting of a lien or security interest in the		
15	collateral authorized by G.S. 142-65. The trust agreement or resolution may contain		
16	those provisions for protecting and enforcing the rights and remedies of the owners of		
17	any bonds or notes issued thereunder as may be reasonable and proper and not in		
18	violation of law, including covenants setting forth the duties of the State in respect of		
19	the purposes to which bond or note proceeds may be applied, the disposition and		
20	application of the revenues or assets of the State, the duties of the State with respect to		
21	the energy conservation projects financed, the disposition of any charges and collection		
22	of any revenues and administrative charges, the terms and conditions of the issuance of		
23	additional bonds and notes, and the custody, safeguarding, investment, and application		
24	of all moneys. All bonds and notes issued under this Article shall be equally and ratably		
25	secured as provided in such trust agreement or resolution, without priority by reasons of		
26	number, or dates of bonds or notes, execution, or delivery, in accordance with the		
27	provisions of this Article and of such trust agreement or resolution; provided, however,		
28	that such trust agreement or resolution may provide that bonds or notes issued pursuant		
29	to this Article shall, to the extent and in the manner prescribed in such trust agreement		
30	or resolution, be subordinated and junior in standing, with respect to the payment of		
31	principal and interest and to the security of the bonds or notes, to any other bonds or		
32	notes. It shall be lawful for any bank or trust company that may act as depositary of the		
33	proceeds of bonds or notes, revenues, or any other money loaned under this Article to		
34	furnish any indemnifying bonds or to pledge such securities as may be required by the		
35	State Treasurer. Any trust agreement or resolution may set out the rights and remedies		
36	of the owners of any bonds or notes and of any trustee, and may restrict the individual		
37	rights of action by the owners. In addition, any trust agreement or resolution may		
38	contain any other provisions as the State Treasurer may deem reasonable and proper for		
39	the security of the owners of any bonds or notes. Expenses incurred in carrying out the		
40	provisions of any trust agreement or resolution may be treated as a part of the cost of		
41	any energy conservation project or as an administrative charge and may be paid from		
42	the proceeds of the bonds or notes or from any other available funds.

1	(a) In fixing the details of bonds and notes, the State Treasurer may provide that		
2	these bonds and notes may:		
3	<u>(1)</u>	Be made payable from time to time on demand or tender for purchase	
4		by the owner of the bonds or notes provided a credit facility supports	
5		the bonds or notes, unless the State Treasurer specifically determines	
6		that a credit facility is not required upon a finding and determination	
7		by the State Treasurer that the absence of a credit facility will not	
8		materially and adversely affect the financial position of the State and	
9		the marketing of the bonds or notes at a reasonable interest cost to the	
10		State:	
11	(2)	Be additionally supported by a credit facility;	
12	<u>(3)</u>	Be made subject to redemption or a mandatory tender for purchase	
13	(\mathbf{A})	prior to maturity;	
14	<u>(4)</u>	Bear interest at a rate or rates that may vary from such period or

36	" <u>§ 142-72. Tay</u>	<u>x exemption.</u>	
37	Bonds and	notes and alternative financing agreement indebtedness shall be exempt	
38	from all State,	county, and municipal taxation or assessment, direct or indirect, general	
39	or special, whether imposed for the purpose of general revenue or otherwise, excluding		
40	inheritance and gift taxes and income taxation on gain from the transfer thereof. The		
41	interest on bonds and notes and the interest component of payments made under		
42	alternative financing agreements, including the interest component of certificates of		
43	participation, shall not be subject to taxation as to income.		
44	" <u>§ 142-73. Inv</u>	estment eligibility.	

Bonds and notes and alternative financing agreement indebtedness are hereby made 1 securities or obligations in which all public officers, agencies, and public bodies of the 2 3 State and its political subdivisions, all insurance companies, trust companies, investment companies, banks, savings banks, savings and loan associations, credit 4 5 unions, pension or retirement funds, other financial institutions engaged in business in 6 the State, executors, administrators, trustees, and other fiduciaries may properly and 7 legally invest funds, including capital in their control or belonging to them. Bonds and 8 notes and alternative financing agreement indebtedness are hereby made securities or 9 obligations that may properly and legally be deposited with and received by any officer 10 or agency of the State or political subdivision of the State for any purpose for which the deposit of bonds, notes, or obligations of the State or any political subdivision is now or 11 12 may hereafter be authorized by law. "§ 142-74. Procurement of energy conservation projects. 13 The provisions of Articles 3, 3B, 3C, 3D, and 8 of Chapter 143 of the General 14 15 Statutes and any other laws or rules of the State that relate to the acquisition and 16 construction of State property shall apply to the financing of energy conservation 17 projects through the use of special indebtedness." 18 Sec. 6. Interpretation of act. (a) Additional method. The foregoing sections of this act shall be deemed to provide an additional and alternative method for the doing of 19 20 the things authorized thereby and shall be regarded as supplemental and additional to 21 powers conferred by other laws, and shall not be regarded as in derogation of any 22 powers now existing. 23 Liberal construction. This act, being necessary for the health and welfare of (b)24 the people of the State, shall be liberally construed to effect the purposes thereof. 25 (c)Inconsistent provisions. Insofar as the provisions of this act are inconsistent 26 with the provisions of any general laws, or parts thereof, the provisions of this act shall 27 be controlling. 28 (d)Severability. If any provision of this act or the application thereof to any 29 person or circumstance is held invalid, such invalidity shall not affect other provisions 30 or applications of the act which can be given effect without the invalid provision or 31 application, and to this end the provisions of this act are declared to be severable. 32 Sec. 7. The one million one hundred nineteen thousand six hundred fifty-two 33 dollars (\$1,119,652) that was received from the United States Department of Energy's 34 Stripper Well Litigation (MDL378), appropriated from the Special Reserve for Oil 35 Overcharge Funds to the Department of Economic and Community Development for the 1992-93 fiscal year, and allocated for energy conservation programs for hospitals 36 37 and schools shall be reallocated to the Department of Commerce for the 1993-94 fiscal 38 year for energy conservation programs for hospitals and schools and for energy 39 conservation projects for State facilities pursuant to Part 2 of Article 3B of Chapter 143 40 of the General Statutes, as enacted by Section 5 of this act. 41 Sec. 8. This act becomes effective July 1, 1993.
