SESSION 1993

S

SENATE BILL 95* State Personnel and State Government Committee Substitute Adopted 6/1/93 Third Edition Engrossed 6/9/93 Fourth Edition Engrossed 6/28/93

Short Title: State Energy Conservation Program.

(Public)

4

Sponsors:

Referred to: Appropriations.

February 9, 1993

1	A BILL TO BE ENTITLED
2	AN ACT TO ESTABLISH THE STATE FACILITIES ENERGY CONSERVATION
3	PROGRAM; TO AUTHORIZE THE DEPARTMENT OF ADMINISTRATION TO
4	ENTER INTO ALTERNATIVE FINANCING AGREEMENTS FOR THE
5	PURCHASE OF ENERGY CONSERVATION PROJECTS; AND TO
6	AUTHORIZE THE ISSUANCE OF BONDS THAT ARE SECURED BY AN
7	INTEREST IN THE PROPERTY PURCHASED.
8	Whereas, energy conservation projects that substantially reduce energy use
9	provide an opportunity to save large sums of money by reducing utility bills; and
10	Whereas, energy conservation projects that substantially reduce energy use
11	benefit the environment by slowing the depletion of nonrenewable energy sources, by
12	lessening the need to construct more power plants, and reducing harmful emissions and
13	other negative side effects of energy use that harm the environment and the health of the
14	public; and
15	Whereas, the State should take a leadership role in energy conservation; and
16	Whereas, the positive impact on the State's budget and the positive impact on
17	the environment compel the State to implement energy conservation projects in State
18	facilities; Now, therefore,
19	The General Assembly of North Carolina enacts:
20	Section 1. G.S. 143-341(4) reads as rewritten:
21	"(4) Real Property Control:

a. To prepare and keep current a complete and accurate inventory of all land owned or leased by the State or by any State agency. This inventory shall show the location, acreage, description, source of title and current use of all land (including swamplands or marshlands) owned by the State or by any State agency, and the agency to which each tract is currently allocated. Surveys may be made where necessary to obtain information for the purposes of this inventory. Accurate plats or maps of all such land may be prepared, or copies obtained where such maps or plats are available.

b. To prepare and keep current a complete and accurate inventory of all buildings owned or leased (in whole or in part) by the State or by any State agency. This inventory shall show the location, amount of floor space and floor plans of every building owned or leased by the State or by any State agency, and the agency to which each building, or space therein, is currently allocated. Floor plans of every such building shall be prepared or copies obtained where such floor plans are available, where needed for use in the allocation of space therein.

c. To obtain and deposit with the Secretary of State the originals of all deeds and other conveyances of real property to the State or to any State agency, copies of all leases wherein the State or any State agency is lessor or lessee, and certified copies of wills, judgments, and other instruments whereby the State or any State agency has acquired title to real property. Where an original of a deed, lease, or other instrument cannot be found, but has been recorded in the registry of office of the clerk of superior court of any county, a certified copy of such deed, conveyance, or instrument shall be obtained and deposited with the Secretary of State.

d. To acquire, whether by purchase, exercise of the power of eminent domain, lease, or rental, all land, buildings, and space in buildings for all State agencies, subject to the approval of the Governor and Council of State in each instance. The Governor, acting with the approval of the Council of State, may adopt rules (i) exempting from any or all of the requirements of this paragraph such classes of lease, rental, easement, and right-ofway transactions as he deems advisable; and (ii) authorizing any State agency to enter into and/or approve the classes of transactions thus exempted from the requirements of this paragraph; and (iii) delegating to any other State agency the authority to approve the severance of buildings and standing timber from State lands; upon such approval of severance, the

1993		GENERAL ASSEMBLY OF NORTH CAROLINA
1 2 3 4		buildings and timber so affected shall be treated, for the purposes of this Chapter, as personal property. Any contract entered into or any proceeding instituted contrary to the provisions of this paragraph is voidable in the discretion of the
5 6	d1.	Governor and Council of State. To require all State departments, institutions, and agencies to
7 8		use State-owned office space instead of negotiating or renegotiating leases for rental of office space. Any lease entered
9 0		into contrary to the provisions of this paragraph is voidable in the discretion of the Governor and the Council of State.
1 2		The Department of Administration shall report to the Joint Legislative Commission on Governmental Operations and to
3 4		the Fiscal Research Division no later than May 1 of each year on leased office space.
5 6	<u>d2.</u>	To finance the cost of modification, rehabilitation, renovation, or improvement of existing buildings or facilities, or the
7 8		acquisition and installation of fixtures or equipment in existing buildings or facilities, or any combination of the foregoing
9 20		pursuant to an energy conservation project under Part 2 of Article 3B of Chapter 143 of the General Statutes, through
21 22		installment purchase, lease purchase, or other similar installment financing agreements or the issuance of bonds of the
23 24		State in the manner and to the extent set forth in Article 8 of Chapter 142 of the General Statutes.
25 26	e.	To make all sales of real property (including marshlands or swamplands) owned by the State or by any State agency, with
27 28		the approval of the Governor and Council of State in each instance. All conveyances in fee by the State shall be executed
29 60		in accordance with the provisions of G.S. 146-74 through 146- 78. Any conveyance of land made or contract to convey land
51 52		entered into without the approval of the Governor and Council of State is voidable in the discretion of the Governor and
33 34		Council of State. The proceeds of all sales of swamplands or marshlands shall be dealt with in the manner required by the
65 66	f.	Constitution and statutes. With the approval of the Governor and Council of State, to
57 58		make all leases and rentals of land or buildings owned by the State or by any State agency, and to sublease land or buildings
9 40		leased by the State or by any State agency from another owner, where such land or building owned or leased by the State or by
41 42		any State agency is not needed for current use. The Governor, acting with the approval of the Council of State, may adopt
43 44		rules (i) exempting from any or all of the requirements of this paragraph such classes of lease or rental transactions as he

1		deems advisable; and (ii) authorizing any State agency to enter
2		into and/or approve the classes of transactions thus exempted
3		from the requirements of this paragraph; and (iii) delegating to
4		any other State agency the authority to approve the severance of
5		buildings and standing timber from State lands; upon such
6		approval of severance, the buildings and timber so affected
7		shall be treated, for the purposes of this Chapter, as personal
8		property. Any lease or rental agreement entered into contrary to
9		the provisions of this paragraph is voidable in the discretion of
10		the Governor and Council of State.
10	a	To allocate and reallocate land, buildings, and space in
11	g.	- · ·
12		buildings to the several State agencies, in accordance with rules
		adopted by the Governor with the approval of the Council of
14		State; provided that if the proposed reallocation is of land with
15		an appraised value of at least twenty-five thousand dollars
16		(\$25,000), the reallocation may only be made after consultation
17		with the Joint Legislative Commission on Governmental
18		Operations. The authority granted in this paragraph shall not
19		apply to the State Legislative Building and grounds or to the
20		Legislative Office Building and grounds.
21	h.	To require any State agency to make reports regarding the land
22		and buildings owned by it or allocated to it at such times and in
23		such form as the Department may deem necessary.
24	i.	To determine whether all deeds, judgments, and other
25		instruments whereby title to real estate has been or may be
26		acquired by the State or by any State agency have been properly
27		recorded in the county wherein the real property is situated, and
28		to make or cause to be made proper recordation of such
29		instruments. The Department may have previously recorded
30		instruments which conveyed title to or from the State or any
31		State agency or officer reindexed, where necessary, to show the
32		State of North Carolina or grantor or grantee, as the case may
33		be, and the cost of such reindexing shall be paid from the State
34		Land Fund.
35	j.	To call upon the Attorney General for advice and assistance in
36	5	the performance of any of the foregoing duties.
37	k.	None of the provisions of this subdivision apply to highway or
38		railroad rights-of-way or other interests or estates in land held
39		for the same or similar purposes, or to the acquisition or
40		disposition of such rights-of-way, interests, or estates in land.
41	1.	To manage and control the vacant and unappropriated lands,
42	1.	swamplands, lands acquired by the State by virtue of being sold
43		for taxes, and submerged lands of the State, pursuant to Chapter
43		146 of the General Statutes.
44		ואט טו וווב טבוובומו גומועובג.

	1993	GENERAL ASSEMBLY OF NORTH CAROLINA
1 2 3 4 5		m. To contract for or approve all contracts for all appraisals and surveys of real property for all State agencies; provided, however, this provision shall not apply to appraisals and surveys obtained in connection with the acquisition of highway rights-of-way, borrow pits, or other interests or estates in land
5 6 7		acquired for the same or similar purposes, or to the disposition thereof, by the Board of Transportation.
8 9 10	Sec. 2	 n. To petition for the annexation of state-owned lands into any municipality." 2. The title of Article 3B of Chapter 143 of the General Statutes reads as
11	rewritten:	. The file of Afficie 5D of Chapter 115 of the General Statutes feads as
12 13	Buildings. Cons	ervation in State Facilities."
14 15 16		3. Existing Article 3B of Chapter 143 of the General Statutes is art 1 of that Article, to be entitled "Energy Policy for State and State-
10		4. Article 3B of Chapter 143 of the General Statutes is amended by
18 19	adding a new Pa "PART 2. S	art to read: STATE FACILITIES ENERGY CONSERVATION PROGRAM.
20	" <u>§ 143-64.17. D</u>	
21 22	As used in th (1)	<u>'Energy Division' means the Energy Division of the Department of</u>
22	<u>(1)</u>	Commerce.
24 25	<u>(2)</u>	Energy conservation project' has the same meaning as set forth in G.S. <u>142-62.</u>
26 27 28	<u>(3)</u>	<u>'Implementation cost' means cost as defined in G.S. 142-62(6) plus the</u> <u>interest on special indebtedness incurred pursuant to Article 8 of</u> <u>Chapter 142 of the General Statutes to finance the project.</u>
29 30 31	<u>(4)</u>	<u>'State facility' means a building owned by the State or a group of</u> <u>buildings owned by the State which are served by a central energy</u>
31		distribution system or by components of a central energy distribution system.
33	<u>(5)</u>	<u>'Technical analysis' means a specialized engineering study conducted</u>
34		within a State facility to identify specific energy conservation projects,
35		the implementation costs of these projects, and the expected energy
36 37	"8 143 64 174	and energy savings and energy cost savings after implementation.
37 38		State Facilities Energy Conservation Program. General Assembly finds that:
39	(a) (1)	State government should take a leadership role in aggressively
40	<u>\</u> /	undertaking energy conservation in North Carolina.
41	<u>(2)</u>	After the implementation cost of the energy conservation project is
42 43		paid, the State will save substantial sums of money in reduced utility bills.

1 2	<u>(3)</u>	The actual energy savings that result from an energy conservation project should offset, in whole or in part, the implementation cost of
3		the energy conservation project.
4	<u>(4)</u>	
5	<u>(+)</u>	that are projected to require less than an aggregate of six years for the
5 6		
7		recoupment of the implementation cost based on the projected energy
		cost savings from implementing the energy conservation project, and the term of the financing should not exceed the expected economic life
8		the term of the financing should not exceed the expected economic life
9	(5)	of the energy conservation project being financed.
10	<u>(5)</u>	
11		projects that are projected to require less than an aggregate of two
12		years for the recoupment of the implementation cost of the energy
13		conservation project based on the projected energy cost savings of the
14		improvement.
15	<u>(6)</u>	
16		conservation projects pursuant to Article 8 of Chapter 142 of the
17		<u>General Statutes.</u>
18		e State Facilities Energy Conservation Program is established to more
19		e energy resources in State facilities and to reduce the utility costs of the
20		Energy Division shall develop, administer, and coordinate the State
21		rgy Conservation Program.
22		e State Facilities Energy Conservation Program shall assist State agencies

1	"§ 143-64.17B. Energy Technical Analysis Loan Fund.
2	(a) The Energy Technical Analysis Loan Fund is created. This Fund shall be a
3	nonreverting revolving loan fund to be administered by the Energy Division. This Fund
4	shall consist of moneys appropriated or allocated to it by the General Assembly and any
5	grants, fees, or other moneys paid to it. The interest accruing to the Fund shall be
6	credited to the Fund.
7	(b) The Energy Technical Analysis Loan Fund may be used for State
8	departments, institutions, or agencies for the cost of conducting a technical analysis
9	under G.S. 143-64.17C. The State department, institution, or agency for which the
10	technical analysis was conducted shall repay the Fund within 60 days of receiving
11	financing to implement an energy conservation project or within 180 days of
12	determining that no energy conservation project will be implemented under this Part.
13	"§ 143-64.17C. Identification and implementation of energy conservation projects.
14	(a) Each State project or facility that is selected shall undergo a technical analysis
15	conducted by an engineer qualified to conduct such analysis. When the Energy
16	Division enters into a contract with a State agency whereby the State agency is to select
17	and contract with an engineer to conduct the technical analysis of the agency's facilities,
18	the State agency shall select the engineer within 60 days of entering into the contract
19	with the Energy Division. The Energy Division, in consultation with the Department of
20	Administration, shall review all completed technical analyses. If the Energy Division
21	does not approve a technical analysis, the energy conservation project shall not be
22	implemented.
23	(b) Only those energy conservation projects identified by the technical analysis
24	that are economically practical and that are projected not to require more than an
25	aggregate of six years for the recoupment through energy cost savings of the estimated
26	implementation cost of the improvements may be implemented. Those energy
27	conservation projects identified by the technical analysis that are projected to not
28	require more than an aggregate of two years for the recoupment of the estimated
29 20	implementation cost of the improvements shall be given priority.
30	(c) <u>Selected energy conservation projects may be financed pursuant to Article 8</u> of Chapter 142 of the General Statutes only with the prior written consent of the State
31 32	of Chapter 142 of the General Statutes only with the prior written consent of the State
32 33	agency receiving the benefit of the energy conservation project to be financed. (d) The Energy Division shall notify the Joint Legislative Commission on
33 34	<u>Governmental Operations of any energy conservation project having a construction cost</u>
35	greater than five thousand dollars (\$5,000) prior to executing the financing documents.
36	(e) <u>Selection of a designer for an energy conservation project shall occur within</u>
37	60 days of the Office of State Budget and Management certifying the availability of
38	funds for the project.
39	"§ 143-64.17D. Grants; appropriations.
40	Moneys appropriated by the General Assembly and any grants, fees, or other
41	moneys provided for the purpose of funding the cost of an energy conservation project
42	shall be applied to pay the cost of implementing such project, including the technical
43	analysis conducted in accordance with G.S. 143-64.17C, in a manner consistent with the

1	" <u>§</u> 143-64.17E.	Additional reporting requirements.
2		Division shall report on a quarterly basis to the Joint Legislative
3		Governmental Operations. This report shall include:
4	<u>(1)</u>	The technical analyses conducted in the previous quarter, including the
5		location of the State facilities subject to the analyses and the results of
6		the analyses.
7	<u>(2)</u>	The estimated implementation cost of each proposed project, the
8		projected energy savings, and the projected payback period for each
9		energy conservation project.
10	<u>(3)</u>	The energy conservation projects that were initiated during the
11		previous quarter, the terms of the financing, and the progress to date.
12	<u>(4)</u>	The energy conservation projects that were completed during the
13		previous quarter, including the actual cost of constructing each energy
14		conservation project.
15	<u>(5)</u>	The financings that were fully paid during the previous quarter,
16		including the amount of time required for the implementation cost of
17		each energy conservation project to be recouped, based on the energy
18		savings of the project.
19	<u>(6)</u>	Any other information requested by the Commission.
20		Scope of this Part.
21	-	ons of this Part apply to all State facilities, including facilities in the
22	-	<u>forth Carolina System and State hospitals.</u> "
23		5. Article 8 is added to Chapter 142 of the General Statutes to read as
24 25	follows:	UADTICI E O
25 26		" <u>ARTICLE 8.</u> NERGY CONSERVATION PROJECTS FINANCE ACT.
20 27	"§ 142-60. Sho	
28		may be cited as the State Energy Conservation Projects Finance Act.
29		dings and purpose.
30		Assembly hereby finds as follows:
31	(1)	Energy conservation projects that substantially reduce energy use
32		provide an opportunity to save large sums of money by reducing utility
33		<u>bills.</u>
34	<u>(2)</u>	Energy conservation projects that substantially reduce energy use
35		benefit the environment by slowing the depletion of nonrenewable
36		energy sources, by lessening the need to construct more power plants,
37		and by reducing harmful emissions and other negative side effects of
38		energy use that harm the environment and the health of the public.
39	<u>(3)</u>	The State should take a leadership role in energy conservation.
40	<u>(4)</u>	The positive impact on the State's budget and the positive impact on
41		the environment compel the State to implement energy conservation
42		projects in State facilities.
43	" <u>§ 142-62. Def</u>	initions.

1	<u>Unless a dif</u>	ferent meaning is required by the context, the following definitions shall
2	apply throughou	at this Article:
3	<u>(1)</u>	'Alternative financing agreement' means an agreement entered into
4		pursuant to the provisions of this Article to finance an energy
5		conservation project, including a lease-purchase agreement, an
6		installment-purchase agreement, or any other similar installment-
7		financing agreements, but does not include a contract:
8		<u>a.</u> <u>Constituting an operating lease under generally accepted</u>
9		accounting principles;
10		b. Providing for the payment thereunder over its full term,
11		including periods that may be added to the original term
12		through the exercise of options to renew or extend, of an
13		aggregate principal amount not in excess of five thousand
14		dollars (\$5,000) or such greater amount as may be established
15		by the Council of State, in the event that the Council of State
16		determines (i) the aggregate amount to be paid under such
17		contracts will not have a significant impact on the State
18		budgetary process or the economy of the State and (ii) such
19		change will lessen the administrative burden on the State; or
20		c. That is executed and provides for the making of all payments
21		thereunder, including payment to be made during any period
22		that may be added to the original term through the exercise of
23		options to renew or extend, in the same fiscal year
24		that does not create a security interest in real property owned by the
25		State.
26	<u>(2)</u>	'Alternative financing agreement indebtedness' means indebtedness
27		incurred under an alternative financing agreement, including
28		certificates of participation indebtedness.
29	<u>(3)</u>	'Bonded indebtedness' means bonds and bond anticipation notes,
30		including refunding bonds and notes, authorized to be issued under this
31		<u>Article.</u>
32	<u>(4)</u>	'Certificates of participation' means certificates or other instruments
33		delivered by a special corporation evidencing the assignment of
34		proportionate undivided interests in rights to receive payments
35		pursuant to an alternative financing agreement.
36	<u>(5)</u>	<u>'Certificates of participation indebtedness' means alternative financing</u>
37		agreement indebtedness incurred by the State under a plan of finance
38		in which a special corporation obtains funds to pay the cost of an
39		energy conservation project to be financed through the delivery by
40		such special corporation of certificates of participation.
41	<u>(6)</u>	<u>'Cost' includes, but is not limited to:</u>
42		<u>a.</u> <u>The cost of construction, modification, rehabilitation,</u>
43		renovation, improvement, acquisition, or installation in
44		connection with an energy conservation project;

1		1.	The cost of engineering englitestural and other consulting
1		<u>b.</u>	The cost of engineering, architectural, and other consulting
2			services as may be required, including the cost of performing
3		_	the technical analysis in accordance with G.S. 143-64.17C;
4		<u>c.</u>	Finance charges, reserves for debt service, and interest prior to
5			and during construction, and, if deemed advisable by the State
6			Treasurer, for a period not exceeding two years after the
7		1	estimated date of completion of construction;
8		<u>d.</u>	Administrative expenses and charges;
9		<u>e.</u>	The cost of bond insurance, investment contracts, credit and
10			liquidity facilities, interest rate swap agreements, and other
11			derivative products, financial and legal consultants, and related
12			costs of the incurrence or issuance of special indebtedness, to
13			the extent and as determined by the State Treasurer;
14		<u>f.</u>	The cost of reimbursing the State for payments made for any
15			costs described in this subdivision; and
16		<u>g.</u>	Any other costs and expenses necessary or incidental to
17			implementing the purposes of this Article.
18	<u>(7)</u>		t facility' means an agreement entered into by the State Treasurer
19		-	pecial corporation on behalf of the State with a bank, savings and
20		<u>loan</u> a	association, or other banking institution; an insurance company,
21			rance company, surety company, or other insurance institution; a
22		<u>corpo</u>	ration, investment banking firm, or other investment institution;
23		or any	y financial institution or other similar provider of a credit facility,
24		which	provider may be located within or without the United States of
25		Amer	ica; such agreement providing for prompt payment of all or any
26		part	of the principal or purchase price (whether at maturity,
27		presei	ntment or tender for purchase, redemption, or acceleration),
28		<u>reden</u>	nption premium, if any, and interest on any special indebtedness
29			le on demand or tender by the owner in consideration of the
30		State	agreeing to repay the provider of the credit facility in accordance
31		with t	he terms and provisions of such agreement.
32	<u>(8)</u>	<u>'Depa</u>	rtment of Administration' means the North Carolina Department
33		of Ad	ministration, or should the Department be abolished or otherwise
34		divest	ted of its functions under this Article, the public body succeeding
35		it in i	its principal functions, or upon which are conferred by law the
36		<u>rights</u>	, powers, and duties given by this Article to the Department.
37	<u>(9)</u>	'Energ	gy conservation project' includes:
38		<u>a.</u>	Any modification, rehabilitation, renovation, or improvement of
39			existing State facilities;
40		<u>b.</u>	Any acquisition and installation of fixtures or equipment in
41			existing State facilities; or
42		<u>c.</u>	Any combination of the foregoing

	1993	GENERAL ASSEMBLY OF NORTH CAROLINA
1 2 3		that is intended to reduce energy costs or consumption or to allow the use of an alternative energy source and that may include integral
3 4	<u>(10)</u>	<u>control and measurement devices.</u> <u>'Fiscal year' means the fiscal year of the State beginning on July 1 of</u>
5	(11)	each calendar year and ending on June 30 of the next calendar year.
6 7	<u>(11)</u>	<u>'Par formula' means any provision or formula adopted by the State to</u> provide for the adjustment, from time to time, of the interest rate or
8		rates borne or provided for by any special indebtedness, including:
9 10		a. <u>A provision providing for such adjustment so that the special</u> indebtedness in the open market would be as close to par as
11		possible;
12		b. A provision providing for such adjustment based upon a
13 14		percentage or percentages of a prime rate or base rate, which percentage or percentages may vary or be applied for different
15		periods of time; or
16		c. Such other provision as the State Treasurer may determine to be
17 18		consistent with this Article and will not materially and adversely affect the financial position of the State and the
19		marketing of special indebtedness at a reasonable interest cost
20	(10)	to the State.
21 22	<u>(12)</u>	<u>'Special corporation' means a nonprofit corporation created under</u> Chapter 55A of the General Statutes for the purpose of facilitating the
23		incurrence of certificates of participation indebtedness by the State
24		under this Article or any private corporation or other entity issuing
25 26	(13)	<u>certificates of participation pursuant to this Article.</u> <u>'Special indebtedness' means alternative financing agreement</u>
20 27	(13)	indebtedness and bonded indebtedness.
28	<u>(14)</u>	'State' means the State of North Carolina.
29 30	<u>(15)</u>	<u>'State agency' means every agency, institution, board, commission,</u> bureau, council, department, division, officer, and employee of the
31		State, but does not mean counties, municipal corporations, political
32		subdivisions, county and city boards of education, and other local
33	(16)	public bodies. State feaility means State feaility as defined in G.S. 142-64-17
34 35	$\frac{(16)}{(17)}$	<u>'State facility' means State facility as defined in G.S. 143-64.17.</u> 'State Treasurer' means the incumbent Treasurer, from time to time, of
36	<u> </u>	the State.
37		horization of special indebtedness.
38 39		ay enter into, incur, or issue special indebtedness subject to the terms set forth in this Article for the purpose of financing the cost of energy
40		rojects in a principal amount not to exceed thirty million dollars
41	<u>(\$30,000,000)</u> a	•
42 43		<u>cedure for incurrence or issuance of special indebtedness.</u> State agency or the Energy Division, with the prior written consent of
43 44		y, shall contact the Department of Administration whenever such State

1	agency intends	to use special indebtedness to finance an energy conservation project. If
2		of Administration intends to use special indebtedness to finance such
3		, it shall provide written notice to the State Treasurer advising the State
4	-	s proposed intent. The State Treasurer may require a preliminary
4 5		the Department of Administration to consider the proposed financing.
5 6		ling of such notice and after such preliminary conference if one is
0 7		
8	-	State Treasurer shall consult with the Office of State Budget and
o 9	-	to the revenues expected by said Office to be available to pay all sums such special indebtedness during the term thereof. If, after consulting
10		of State Budget and Management, the State Treasurer determines by
11		te that it may be desirable to use special indebtedness to finance such
12		, the Department of Administration shall request the Council of State to
13	*	nary approval of the use of special indebtedness to finance such capital
14		es of the notice and certificate required by this subsection (a) of
15		1 be filed promptly with the Council of State.
16		Council of State, upon receipt of the items required by subsection (a) of
17		all adopt a resolution granting or denying preliminary approval of such
18	financing. A re	esolution granting preliminary approval may include such other terms,
19	conditions, and	restrictions as the Council of State may deem necessary or desirable.
20	(c) Coun	cil of State approval.
21	<u>(1)</u>	Before any special indebtedness shall be incurred or issued pursuant to
22		this Article, the Council of State shall authorize by resolution:
23		<u>a.</u> <u>The providing of a particular energy conservation project or, in</u>
24		general terms, the types or classifications of energy
25		conservation projects to be provided, and
26		b. The aggregate principal amount of such special indebtedness or
27		maximum principal amount thereof, the maturity or maximum
28		maturity thereof and the interest rate or rates (or the equivalent
29		thereof) or maximum rate thereof of the special indebtedness to
30		be incurred or issued therefor.
31		Such resolution shall include such other matters as the Council of State
32		may determine including, without limitation, the adoption or approval
33		of documentation providing for the incurrence or issuance and sale of
34		special indebtedness and the making of such determinations or the
35		granting of such consents or approvals as may be authorized in G.S.
36		<u>142-68 and G.S. 142-69.</u>
37	<u>(2)</u>	If the Council of State authorizes in general terms the types or
38		classifications of energy conservation projects to be financed, then the
39		particular energy conservation projects and the principal amount of
40		special indebtedness to be incurred or issued for each particular energy
41		conservation project shall be determined by the Department of
42		Administration after considering such factors as the Department shall
43		deem relevant in order to determine that the particular energy
44		conservation project to be provided is desirable for the efficient

	1993	GENERAL ASSEMBLY OF NORTH CAROLINA
1 2		operation of the State and its agencies and is in the best interest of the State.
3 4 5 6	<u>(3)</u>	In the discretion of the Council of State, the resolution required by subsection (b) of this section and the resolution required by subdivision (1) of this subsection may be adopted at the same time as one resolution.
7	(d) No s	pecial indebtedness shall be incurred or issued without the prior written
8	approval of the	State Treasurer. In determining whether such proposed financing shall
9		e State Treasurer may consider such factors as the State Treasurer shall
10		n order to find and determine that:
11	<u>(1)</u>	The amounts to become due under the special indebtedness, including
12	(2)	the interest component, are not excessive for the purpose proposed;
13 14	<u>(2)</u>	The increase, if any, in State revenues, including taxes, necessary to
14 15		pay the sums to become due under the special indebtedness are not excessive; and
15	(3)	<u>The special indebtedness can be incurred or issued on terms desirable</u>
17	<u>(5)</u>	to the State.
18	This approval	shall be in addition to any preliminary approval given pursuant to
19	subsection (a) o	
20		e absence of a determination by the Council of State, the State Treasurer,
21	. ,	on with the Department of Administration, shall determine whether the
22	financing shall	be effected by alternative financing agreement indebtedness, certificates
23	of participation	indebtedness, bonded indebtedness, or some combination thereof.
24	<u>(f)</u> <u>The</u>	State Treasurer, after consultation with the Department of
25		shall develop appropriate documents for use under this Article, and the
26		shall employ and designate the financial consultants, underwriters, and
27		to be associated with the incurrence or issuance of special indebtedness.
28		urity; other requirements.
29		ial indebtedness shall create a security interest in all or any part of the
30		ation projects financed by such special indebtedness, and in the case of
31 32		n, rehabilitation, renovation, or improvement of existing facilities, in all of such facilities, to secure:
32 33	(1)	Lease or installment payments to be made to the lessor, seller, or other
33 34	(1)	individual or entity advancing moneys or providing financing under an
35		alternative financing agreement; or
36	(2)	Payment of the principal of and interest on bonded indebtedness.
37		mentation relating to any special indebtedness may include provisions
38		overnor to submit in the Governor's budget proposal or any amendments
39		thereto appropriations necessary to make the payments required by any
40	special indebted	lness.
41	<u>(c)</u> <u>Amo</u>	unts payable by the State under an alternative financing agreement or
42	issue of bonded	d indebtedness during any biennium or fiscal year, each being called a
43	-	r purposes of this subsection, shall be limited to funds appropriated for
44	such fiscal perio	od by the General Assembly in its discretion. During any interim period

after the adoption by the General Assembly of appropriation legislation for a fiscal 1 2 period and prior to the adoption by the General Assembly of appropriation legislation 3 for the next fiscal period, an alternative financing agreement or issue of bonded indebtedness, the payment of which during such interim period has not been provided 4 5 for by appropriation legislation, may be incurred or issued only if, in addition to 6 compliance with the other provisions of this Article, the Director of the Budget shall 7 have filed with the State Treasurer a certificate stating that sufficient unencumbered 8 money is available to make the required payments during such interim period on such 9 alternative financing agreement or issue of bonded indebtedness. Such unencumbered 10 money shall become appropriated and reserved for making such payments upon execution of the alternative financing agreement or issuance of bonded indebtedness, 11 12 subject to the right of the General Assembly to modify or rescind such appropriations. No deficiency judgment shall be rendered against the State in any action for 13 (d)breach of any obligation contained in an alternative financing agreement or issue of 14 15 bonded indebtedness, and the taxing power of the State shall not be pledged directly or 16 indirectly to secure any moneys due under an alternative financing agreement or issue 17 of bonded indebtedness. In the event that the General Assembly does not appropriate 18 sums sufficient to make payments required under an alternative financing agreement or issue of bonded indebtedness, the net proceeds received from the sale or other 19 20 disposition of the property subject to the lien or security interest shall be applied to 21 satisfy such payment obligations in accordance with the deed of trust, security agreement, or other documentation relating to such lien or security interest, and such net 22 23 proceeds are hereby deemed appropriated for the purpose of making such payments. 24 Any net proceeds in excess of the amount required to satisfy the obligations of the State under an alternative financing agreement or issue of bonded indebtedness shall be paid 25 to the State Treasurer for deposit to the General Fund. 26 27 No alternative financing agreement or issue of bonded indebtedness may (e) contain a nonsubstitution clause that restricts the right of the State to: 28 29 Continue to provide a service or activity; or (1)30 (2)Replace or provide a substitute for any energy conservation project 31 financed or purchased thereby. An alternative financing agreement or issue of bonded indebtedness may 32 (f) 33 create a lien or security interest in any one or more or all of the energy conservation projects being financed, and the estimated value of the energy conservation projects 34 35 subject to the lien or security interest need not bear any particular relationship to the 36 principal amount of the agreement or issue. 37 Nothing in this Article shall limit the right of the Council of State to grant (g) 38 multiple liens or security interests in an energy conservation project to the extent not 39 otherwise limited by the terms of other special indebtedness. 40 Special indebtedness may contain such provisions for protecting and (h)enforcing the rights and remedies of the lessor, seller, or other individual or entity 41 42 advancing moneys or providing financing under an alternative financing agreement or 43 the owners of bonded indebtedness as may be reasonable and proper and not in violation 44 of law, including covenants setting forth the duties of the State in respect of the

purposes to which the proceeds of special indebtedness may be applied, the disposition 1 2 and application of the revenues of the State, including taxes, the duties of the State with 3 respect to the capital facilities financed, including, without limitation, the payment of the costs of insurance and maintenance of the capital facilities, the disposition of any 4 5 charges and collection of any revenues and administrative charges, the terms and 6 conditions of the issuance of additional special indebtedness, and the custody, 7 safeguarding, investment, and application of all moneys. 8 "§ 142-66. Alternative financing agreement indebtedness. 9 The State Treasurer, after consultation with the Department of (a) 10 Administration, shall approve all documentation providing for the incurrence of alternative financing agreement indebtedness. 11 12 (b)Any alternative financing agreement may provide for payments thereunder to represent principal and interest components of the cost of the energy conservation 13 14 project to be leased or acquired, such determination to be made by the State Treasurer. 15 Alternative financing agreements may be entered into pursuant to any (c) 16 applicable public or competitive bidding process or any private or negotiated process, to 17 the extent required by applicable law, and if not so required, as may be determined by 18 the Department of Administration after consulting with the State Treasurer. All alternative financing agreements shall be executed on behalf of the State 19 (d)20 by the Department of Administration after having been approved by the State Treasurer. 21 (e) If the State Treasurer determines that it is in the best interest of the State, the State Treasurer may arrange for the delivery of a credit facility to secure payment under 22 23 any alternative financing agreement. The State Treasurer may also provide that 24 payments by the State representing the interest component of the payments to be made under an alternative financing agreement may be calculated based upon a variable 25 26 interest rate. 27 All other conditions set forth elsewhere in this Article with respect to (f)alternative financing agreement indebtedness shall also be satisfied prior to incurring 28 29 any alternative financing agreement indebtedness. 30 To the extent applicable as may be conclusively determined by the State (g) Treasurer, the provisions of G.S. 142-69, 142-70, and 142-71 shall apply to alternative 31 32 financing agreement indebtedness. 33 "§ 142-67. Additional requirements for certificates of participation indebtedness. State Treasurer, after consultation with 34 The the Department of (a) 35 Administration, shall approve the use of an alternative financing agreement in connection with the delivery of certificates of participation by a special corporation. 36 37 The documentation providing for the delivery and sale of certificates of (b)38 participation shall be approved by the State Treasurer. The special corporation, if used, 39 shall request the approval of the State Treasurer in writing and shall furnish such information and documentation relating to the delivery and sale of the certificates of 40 participation as the State Treasurer may request. In determining whether such approval 41 42 shall be granted, the State Treasurer shall consider the factors provided for in G.S. 142-64(d), as well as the effect of the proposed financing upon any scheduled or proposed 43

1	sale of debt obligations by the State or any State agency or by any unit of local			
2	government in the State.			
3	(c) Upon the filing with the State Treasurer of a written request of a special			
4	corporation to sell the certificates of participation, the certificates of participation may			
5	be sold by the State Treasurer in such manner, either at public or private sale, and for			
6	such price or prices as the State Treasurer shall determine to be in the best interest of the			
7	State and to effect the purposes of this Article, provided that the sale shall be approved			
8	by the special corporation. The certificates of participation shall bear interest at such			
9	rate or rates as may be determined by the State Treasurer with the approval of the			
10	special corporation.			
11	(d) Certificates of participation may be delivered pursuant to a trust agreement			
12	with a corporate trustee approved by the State Treasurer, and the provisions of G.S.			
13	142-69(h) shall apply to such trust agreement to the extent applicable.			
14	(e) All other conditions set forth elsewhere in this Article with respect to			
15	certificates of participation indebtedness, including the conditions set forth in G.S. 142-			
16	66, shall also be satisfied prior to incurring any certificates of participation			
17	indebtedness.			
18	" <u>§ 142-68. Bonded indebtedness.</u>			
19	The State Treasurer may, by and with the consent of the Council of State as provided			
20	in this Article, issue and sell at one time or from time to time bonds of the State to be			
21	designated 'State of North Carolina Limited Obligation Bonds, Series' or notes of			
22	the State as provided in G.S. 142-69, for the purpose of providing funds, with any other			
23	available funds, for the uses authorized in this Article.			
24	" <u>§ 142-69. Issuance of bonds and notes.</u>			
24 25	(a) Terms and Conditions. – Bonds or notes may bear the date or dates, may be			
24 25 26	(a) <u>Terms and Conditions. – Bonds or notes may bear the date or dates, may be</u> serial or term bonds or notes, or any combination thereof, may mature in the amounts

24 25 26 27 28 29 30 31 32 33 34 35 36 37 38 39 40 41	 (a) Terms and Conditions. – Bonds or notes may bear the date or dates, may be serial or term bonds or notes, or any combination thereof, may mature in the amounts and at the time or times, not exceeding 10 years from their date or dates, may be payable at the place or places, either within or without the United States of America, in the coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts, may bear interest at the rate or rates, which may vary from time to time, and may be made redeemable before maturity, at the option of the State or otherwise as may be provided by the State, at the price or prices, including a price greater than the face amount of the bonds or notes, and under the terms and conditions, all as may be determined by the State Treasurer, by and with the consent of the Council of State. (b) Signatures; Form and Denomination; Registration. – Bonds or notes may be issued in certificated or uncertificated form. If issued in certificated form, bonds or notes shall be signed on behalf of the State Devenor or shall bear the Governor's facsimile signature, and shall bear the Great Seal of the State or a facsimile of the Great Seal shall be impressed or imprinted on the bonds or notes. If bonds or 			

signature or facsimile signature appears on bonds or notes cease to be the officer before 1 2 the delivery of the bonds or notes, the signature or facsimile signature shall nevertheless 3 have the same validity for all purposes as if the officer had remained in office until delivery of the bonds and notes, and bonds or notes may bear the facsimile signatures of 4 5 persons who at the actual time of the execution of the bonds or notes shall be the proper 6 officers to sign any bond or note although at the date of the bond or note those persons 7 may not have been the officers. The form and denomination of bonds or notes, 8 including the provisions with respect to registration of the bonds or notes and any 9 system for their registration, shall be as the State Treasurer may determine in 10 conformity with this Article; provided, however, that nothing in this Article shall prohibit the State Treasurer from proceeding, with respect to the issuance and form of 11 12 the bonds or notes, under the provisions of Chapter 159E of the General Statutes, the Registered Public Obligations Act, as well as under this Article. 13 14 (c)Manner of Sale; Expenses. - Subject to the approval by the Council of State 15 as to the manner in which bonds or notes shall be offered for sale, whether at public or 16 private sale, whether within or without the United States of America, and whether by 17 publishing notices in certain newspapers and financial journals, mailing notices, inviting 18 bids by correspondence, negotiating contracts of purchase or otherwise, the State Treasurer may sell bonds or notes at one time or from time to time at such rate or rates 19 20 of interest, which may vary from time to time, and at the price or prices, including a 21 price less than the face amount of the bonds or notes, as the State Treasurer determines. All expenses incurred in the preparation, sale, and issuance of bonds or notes shall be 22 23 paid by the State Treasurer from the proceeds of bonds or notes or other available 24 moneys. 25 (d)Application of Proceeds. – The proceeds of any bonds or notes shall be used solely for the purposes for which the bonds or notes were issued and shall be disbursed 26 27 in the manner and under such restrictions, if any, as the Council of State may provide in the resolution authorizing the issuance of, or in any trust agreement securing, the bonds 28 29 or notes. 30 Any additional moneys which may be received by means of a grant or grants from the United States of America or any agency or department thereof or from any other 31 source to aid in financing the cost of an energy conservation project may be disbursed, 32 33 to the extent permitted by the terms of such grant or grants, without regard to any limitations imposed by this Article. 34 35 (e) Notes; Repayment. – By and with the consent of the Council of State, the 36 State Treasurer may borrow money, and execute and issue notes of the State for the borrowed money, but only in the following circumstances and under the following 37 38 conditions: 39 For anticipating the sale of bonds the issuance of which the Council of (1)State shall have approved, if the State Treasurer shall deem it 40 41 advisable to postpone the issuance of the bonds; 42 (2) For the payment of interest on or any installment of principal of any bonds then outstanding, if there shall not be sufficient funds in the 43

1		State treasury with which to pay the interest or installment or principal			
2		as they respectively become due;			
2	(3)	For the renewal of any loan evidenced by notes herein authorized;			
4	$(\underline{4})$	For the purposes authorized in this Article; and			
5	$(\underline{4})$ (5)	For refunding bonds or notes or alternative financing agreement			
6	<u>(5)</u>	indebtedness as authorized by this Article.			
7	Funds deriv	ed from the sale of bonds or notes may be used in the payment of any			
8					
9	bond anticipation notes issued under this Article. Funds provided by the General Assembly for the payment of interest on or principal of bonds shall be used in paying				
10		or principal of any notes and any renewals of any notes, the proceeds of			
11	which shall have been used in paying interest on or principal of the bonds.				
12	(f) <u>Refunding Bonds and Notes. – By and with the consent of the Council of</u>				
12	State, the State Treasurer may issue and sell refunding bonds and notes for the purpose				
14	of refunding bonds or notes or alternative financing agreement indebtedness issued				
15	-	s Article. The refunding bonds and notes may be combined with any			
16	other issues of State bonds and notes similarly secured. Refunding bonds or notes may				
17	be issued at any time prior to the final maturity of the debt or obligation to be refunded.				
18	•	rom the sale of any refunding bonds or notes shall be applied only as			
19	follows:				
20	(1)	To the immediate payment and retirement of the obligations being			
21	<u> </u>	refunded; or			
22	(2)	If not required for the immediate payment of the obligations being			
23	<u> </u>	refunded, the proceeds shall be deposited in trust to provide for the			
24		payment and retirement of the obligations being refunded and to pay			
25		any expenses incurred in connection with the refunding.			
26	Money in ar	ny trust fund may be invested in:			
27	<u>(1)</u>	Direct obligations of the United States government;			
28	<u>(2)</u>	Obligations the principal of and interest on which are guaranteed by			
29		the United States government;			
30	<u>(3)</u>	To the extent then permitted by law, in obligations of any agency or			
31		instrumentality of the United States government; or			
32	<u>(4)</u>	Certificates of deposit issued by a bank or trust company located in the			
33		State, if such certificates shall be secured by a pledge of any of said			
34		obligations described in subdivision (1), (2), or (3) of subsection (e) of			
35		this section having any aggregate market value, exclusive of accrued			
36		interest, equal at least to the principal amount of the certificates so			
37		secured.			
38		section shall be construed as a limitation on the duration of any deposit			
39		e retirement of obligations being refunded but which shall not have			
40		nich shall not be presently redeemable, or if presently redeemable, shall			
41		alled for redemption.			
42		rity. – Payment of the principal of and the interest on bonds and notes			
43	shall be secured as provided in G.S. 142-65.				

Trust Agreement. - In the discretion of the State Treasurer, any bonds and 1 (h) notes issued under the provisions of this Article may be secured by a trust agreement by 2 3 and between the State and a corporate trustee or by a resolution of the Council of State providing for the appointment of a corporate trustee. The corporate trustee may be, in 4 5 either case, any trust company or bank having the powers of a trust company within or 6 without the State. A trust agreement or resolution may provide for security, pledges, 7 and assignments with respect to a trust agreement or resolution as may be permitted 8 under this Article and further provide for the granting of a lien or security interest in the 9 collateral authorized by G.S. 142-65. The trust agreement or resolution may contain 10 those provisions for protecting and enforcing the rights and remedies of the owners of any bonds or notes issued thereunder as may be reasonable and proper and not in 11 12 violation of law, including covenants setting forth the duties of the State in respect of the purposes to which bond or note proceeds may be applied, the disposition and 13 14 application of the revenues or assets of the State, the duties of the State with respect to 15 the energy conservation projects financed, the disposition of any charges and collection of any revenues and administrative charges, the terms and conditions of the issuance of 16 17 additional bonds and notes, and the custody, safeguarding, investment, and application 18 of all moneys. All bonds and notes issued under this Article shall be equally and ratably secured as provided in such trust agreement or resolution, without priority by reasons of 19 20 number, or dates of bonds or notes, execution, or delivery, in accordance with the 21 provisions of this Article and of such trust agreement or resolution; provided, however, that such trust agreement or resolution may provide that bonds or notes issued pursuant 22 23 to this Article shall, to the extent and in the manner prescribed in such trust agreement 24 or resolution, be subordinated and junior in standing, with respect to the payment of principal and interest and to the security of the bonds or notes, to any other bonds or 25 notes. It shall be lawful for any bank or trust company that may act as depositary of the 26 27 proceeds of bonds or notes, revenues, or any other money loaned under this Article to furnish any indemnifying bonds or to pledge such securities as may be required by the 28 29 State Treasurer. Any trust agreement or resolution may set out the rights and remedies 30 of the owners of any bonds or notes and of any trustee, and may restrict the individual rights of action by the owners. In addition, any trust agreement or resolution may 31 32 contain any other provisions as the State Treasurer may deem reasonable and proper for 33 the security of the owners of any bonds or notes. Expenses incurred in carrying out the provisions of any trust agreement or resolution may be treated as a part of the cost of 34 35 any energy conservation project or as an administrative charge and may be paid from 36 the proceeds of the bonds or notes or from any other available funds. 37 "§ 142-70. Variable rate demand bonds and notes. In fixing the details of bonds and notes, the State Treasurer may provide that 38 (a) 39 these bonds and notes may: 40 Be made payable from time to time on demand or tender for purchase (1)41 by the owner of the bonds or notes provided a credit facility supports 42 the bonds or notes, unless the State Treasurer specifically determines 43 that a credit facility is not required upon a finding and determination by the State Treasurer that the absence of a credit facility will not 44

43 44	he State, executors, administrators, trustees, and other fiduciaries may properly and egally invest funds, including capital in their control or belonging to them. Bonds and				

notes and alternative financing agreement indebtedness are hereby made securities or 1 2 obligations that may properly and legally be deposited with and received by any officer 3 or agency of the State or political subdivision of the State for any purpose for which the deposit of bonds, notes, or obligations of the State or any political subdivision is now or 4 5 may hereafter be authorized by law. 6 "§ 142-74. Procurement of energy conservation projects. The provisions of Articles 3, 3B, 3C, 3D, and 8 of Chapter 143 of the General 7 8 Statutes and any other laws or rules of the State that relate to the acquisition and 9 construction of State property shall apply to the financing of energy conservation projects through the use of special indebtedness." 10 Sec. 6. Interpretation of act. (a) Additional method. The foregoing sections of 11 12 this act shall be deemed to provide an additional and alternative method for the doing of 13 the things authorized thereby and shall be regarded as supplemental and additional to 14 powers conferred by other laws, and shall not be regarded as in derogation of any 15 powers now existing. 16 (b) Liberal construction. This act, being necessary for the health and welfare of 17 the people of the State, shall be liberally construed to effect the purposes thereof. 18 (c)Inconsistent provisions. Insofar as the provisions of this act are inconsistent 19 with the provisions of any general laws, or parts thereof, the provisions of this act shall 20 be controlling. 21 (d) Severability. If any provision of this act or the application thereof to any 22 person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of the act which can be given effect without the invalid provision or 23 24 application, and to this end the provisions of this act are declared to be severable. 25 Sec. 7. The one million one hundred nineteen thousand six hundred fifty-two dollars (\$1,119,652) that was received from the United States Department of Energy's 26 27 Stripper Well Litigation (MDL378), appropriated from the Special Reserve for Oil Overcharge Funds to the Department of Economic and Community Development for 28 29 the 1992-93 fiscal year, and allocated for energy conservation programs for hospitals 30 and schools shall be reallocated to the Department of Commerce for the 1993-94 fiscal 31 year for energy conservation programs for hospitals and schools and for energy 32 conservation projects for State facilities pursuant to Part 2 of Article 3B of Chapter 143 of the General Statutes, as enacted by Section 5 of this act. 33 34 Sec. 8. This act becomes effective July 1, 1993.
