A BILL TO BE ENTITLED  
AN ACT TO REWRITE CHAPTER 48 OF THE GENERAL STATUTES RELATING  
TO ADOPTION AS RECOMMENDED BY THE GENERAL STATUTES  
COMMISSION.

The General Assembly of North Carolina enacts:

Section 1. Chapter 48 of the General Statutes is repealed.

Sec. 2. A new Chapter is added to the General Statutes to read:

**"CHAPTER 48.**

**"ADOPTIONS.**

**"ARTICLE 1.**

**"GENERAL PROVISIONS.**

**"§ 48-1-100. Legislative findings and intent; construction of Chapter.**

(a) The General Assembly finds that it is in the public interest to establish a clear judicial process for adoptions, to promote the integrity and finality of adoptions, to encourage prompt, conclusive disposition of adoption proceedings, and to structure services to adopted children, biological parents, and adoptive parents that will provide for the needs and protect the interests of all parties to an adoption, particularly adopted minors.

1       (b) With special regard for the adoption of minors, the General Assembly declares  
2 as a matter of legislative policy that:

3           (1) The primary purpose of this Chapter is to advance the welfare of minors  
4 by (i) protecting minors from unnecessary separation from their original  
5 parents, (ii) facilitating the adoption of minors in need of adoptive  
6 placement by persons who can give them love, care, security, and  
7 support, (iii) protecting minors from placement with adoptive parents  
8 unfit to have responsibility for their care and rearing, and (iv) assuring  
9 the finality of the adoption; and

10          (2) Secondary purposes of this Chapter are (i) to protect biological parents  
11 from ill-advised decisions to relinquish a child or consent to the child's  
12 adoption, (ii) to protect adoptive parents from assuming responsibility  
13 for a child about whose heredity or mental or physical condition they  
14 know nothing, (iii) to protect the privacy of the parties to the adoption,  
15 and (iv) to discourage unlawful trafficking in minors and other unlawful  
16 placement activities.

17       (c) In construing this Chapter, the needs, interests, and rights of minor adoptees  
18 are primary. Any conflict between the interests of a minor adoptee and those of an adult  
19 shall be resolved in favor of the minor.

20       (d) This Chapter shall be liberally construed and applied to promote its underlying  
21 purposes and policies.

22 **"§ 48-1-101. Definitions.**

23 In this Chapter, the following definitions apply:

24           (1) 'Adoptee' means an individual who is adopted, is placed for adoption, or  
25 is the subject of a petition for adoption properly filed with the court.

26           (2) 'Adoption' means the creation by law of the relationship of parent and  
27 child between two individuals.

28           (3) 'Adult' means an individual who has attained 18 years of age, or if under  
29 the age of 18, is either married or has been emancipated under the  
30 applicable State law.

31           (3a) 'Adoption facilitator' means an individual or a nonprofit entity that  
32 assists biological parents in locating and evaluating prospective  
33 adoptive parents without charge.

34           (4) 'Agency' means a public or private association, corporation, institution,  
35 or other person or entity that is licensed or otherwise authorized by the  
36 law of the jurisdiction where it operates to place minors for adoption.  
37 'Agency' also means a county department of social services in this State.

38           (5) 'Child' means a son or daughter, whether by birth or adoption.

39           (6) 'Department' means the North Carolina Department of Human  
40 Resources.

42           (8) 'Guardian' means an individual, other than a parent, appointed by a clerk  
43 of court in North Carolina to exercise all of the powers conferred by

1 G.S. 35A-1241; and also means an individual, other than a parent,  
2 appointed in another jurisdiction according to the law of that jurisdiction  
3 who has the power to consent to adoption under the law of that  
4 jurisdiction.

5 (9) 'Legal custody' of an individual means the general right to exercise  
6 continuing care of and control over the individual as authorized by law,  
7 with or without a court order, and:

8 a. Includes the right and the duty to protect, care for, educate, and  
9 discipline the individual;

10 b. Includes the right and the duty to provide the individual with  
11 food, shelter, clothing, and medical care; and

12 c. May include the right to have physical custody of the individual.

13 (10) 'Minor' means an individual under 18 years of age who is not an adult.

14 (11) 'Party' means a petitioner, adoptee, or any person whose  
15 consent to an adoption is necessary under this Chapter but has not  
16 been obtained.

17 (12) 'Physical custody' means the physical care of and control over an  
18 individual.

19 (13) 'Placement' means transfer of physical custody of a minor to the selected  
20 prospective adoptive parent. Placement may be either:

21 a. Direct placement by a parent or the guardian of the minor; or

22 b. Placement by an agency.

23 (14) 'Preplacement assessment' means a document, whether prepared before  
24 or after placement, that contains the information required by G.S. 48-3-  
25 303 and any rules adopted by the Social Services Commission.

26 (15) 'Relinquishment' means the voluntary surrender of a minor to an agency  
27 for the purpose of adoption.

28 (16) 'Report to the court' means a document prepared in accordance with  
29 G.S. 48-2-501, et seq.

30 (17) 'State' means a state as defined in G.S. 12-3(11).

31 (18) 'Stepparent' means an individual who is the spouse of a parent of a child,  
32 but who is not a legal parent of the child.

33 **"§ 48-1-102. Parent includes adoptive parent.**

34 As used in this Article, the term 'parent' includes one who has become a parent by  
35 adoption.

36 **"§ 48-1-103. Who may adopt.**

37 Any adult may adopt another individual as provided in this Chapter, but spouses may  
38 not adopt each other.

39 **"§ 48-1-104. Who may be adopted.**

40 Any individual may be adopted as provided in this Chapter.

41 **"§ 48-1-105. Name of adoptee after adoption.**

42 When a decree of adoption becomes final, the name of the adoptee shall become the  
43 name designated in the decree.

1 **"§ 48-1-106. Legal effect of decree of adoption.**

2 (a) A decree of adoption effects a complete substitution of families for all legal  
3 purposes after the entry of the decree.

4 (b) A decree of adoption establishes the relationship of parent and child between  
5 each petitioner and the individual being adopted. From the date of the signing of the  
6 decree, the adoptee is entitled to inherit real and personal property by, through, and from  
7 the adoptive parents in accordance with the statutes on intestate succession and has the  
8 same legal status, including all legal rights and obligations of any kind whatsoever, as a  
9 child born the legitimate child of the adoptive parents.

10 (c) A decree of adoption severs the relationship of parent and child between the  
11 individual adopted and that individual's biological or previous adoptive parents. After the  
12 entry of a decree of adoption, the former parents are relieved of all legal duties and  
13 obligations due from them to the adoptee, except that a former parent's duty to make past-  
14 due payments for child support is not terminated, and the former parents are divested of  
15 all rights with respect to the adoptee.

16 (d) Notwithstanding any other provision of this section, neither an adoption by a  
17 stepparent nor a readoption pursuant to G.S. 48-6-102 has any effect on the relationship  
18 between the child and the parent who is the stepparent's spouse.

19 (e) In any deed, grant, will, or other written instrument executed before October 1,  
20 1985, the words 'child', 'grandchild', 'heir', 'issue', 'descendant', or an equivalent, or any  
21 other word of like import, shall be held to include any adopted person after the entry of  
22 the decree of adoption, unless a contrary intention plainly appears from the terms of the  
23 instrument, whether the instrument was executed before or after the entry of the decree of  
24 adoption. The use of the phrase 'hereafter born' or similar language in any such  
25 instrument to establish a class of persons shall not by itself be sufficient to exclude  
26 adoptees from inclusion in the class. In any deed, grant, will, or other written instrument  
27 executed on or after October 1, 1985, any reference to a natural person shall include any  
28 adopted person after the entry of the decree of adoption unless the instrument explicitly  
29 states that adopted persons are excluded, whether the instrument was executed before or  
30 after the entry of the decree of adoption.

31 (f) Nothing in this Chapter deprives a biological grandparent of any visitation  
32 rights with an adopted minor available under G.S. 50-13.2(b1), 50-13.2A, and 50-13.5(j).

33 **"§ 48-1-107. Other rights of adoptee.**

34 A decree of adoption does not divest any vested property interest owned by the  
35 adoptee immediately prior to the decree of adoption including any public assistance  
36 benefit or child support payment due on or before the date of the decree. An adoption  
37 divests any property interest, entitlement, or other interest contingent on an ongoing  
38 family relationship with the adoptee's former family.

39 **"§ 48-1-108. Adoptees subject to Indian Child Welfare Act.**

40 If the individual is an Indian child as defined in the Indian Child Welfare Act, 25  
41 U.S.C. § 1901, et seq., then the provisions of that act shall control the individual's  
42 adoption.

43 **"§ 48-1-109. Which agencies may prepare assessments and reports to the court.**

1 (a) Except as authorized in subsections (b) and (c) of this section, only a county  
2 department of social services in this State or an agency licensed by the Department may  
3 prepare preplacement assessments pursuant to Article 3 of this Chapter or reports to the  
4 court pursuant to Article 2 of this Chapter.

5 (b) A preplacement assessment prepared in another state may be used in this State  
6 only if:

7 (1) The prospective adoptive parent resided in the state where it was  
8 prepared; and

9 (2) The person or entity that prepared it was authorized by the law of that  
10 state to gather the necessary information.

11 An assessment prepared in another state that does not meet the requirements of this  
12 section and G.S. 48-3-303(c) through (h) must be updated by a county department of  
13 social services in this State or an agency licensed by the Department before being used in  
14 this State.

15 (c) An order for a report to the court must be sent to a county department of social  
16 services in this State or an agency licensed by the Department. If the petitioner moves to  
17 a different state before the agency completes the report, the agency shall request a report  
18 from an agency authorized to prepare such reports in the petitioner's new state of  
19 residence pursuant to the Interstate Compact on the Placement of Children, G.S. 110-  
20 57.1, et seq.

27 proceedings commenced under this Chapter exists if, at the commencement of the  
28 proceeding:

29 (1) The adoptee has lived in this State for at least the six consecutive  
30 months immediately preceding the filing of the petition or from birth,  
31 and the prospective adoptive parent is domiciled in this State; or

32 (2) The prospective adoptive parent has lived in or been domiciled in this  
33 State for at least the six consecutive months immediately preceding the  
34 filing of the petition.

35 (c) The courts of this State shall not exercise jurisdiction under this Chapter if at  
36 the time the petition for adoption is filed, a court of any other state is exercising  
37 jurisdiction substantially in conformity with the Uniform Child Custody Jurisdiction Act,  
38 G.S. 50A-1, et seq.

##### 39 "§ 48-2-101. Venue.

40 A petition for adoption may be filed with the clerk of the superior court in the county  
41 in which:

42 (1) A petitioner lives, or is domiciled, at the time of filing;

43 (2) The adoptee lives; or

1           (3) An office of the agency that placed the adoptee is located.

2 **"§ 48-2-102. Transfer, stay, or dismissal.**

3           (a) If the court, on its own motion or on motion of a party, finds in the interest of  
4 justice that the matter should be heard in another county where venue lies under G.S. 48-  
5 2-101, the court may transfer, stay, or dismiss the proceeding.

6           (b) If an adoptee is also the subject of a pending proceeding under Subchapter XI  
7 of Chapter 7A of the General Statutes, then the district court having jurisdiction under  
8 Chapter 7A shall retain jurisdiction until the final order of adoption is entered. The  
9 district court may waive jurisdiction for good cause.

10 **"PART 2. GENERAL PROCEDURAL PROVISIONS.**

11 **"§ 48-2-201. Appointment of attorney or guardian ad litem.**

12           (a) The court may appoint an attorney to represent a parent or alleged parent who  
13 is unknown or whose whereabouts are unknown and who has not responded to notice of  
14 the adoption proceeding as provided in Part 4 of this Article.

15           (b) The court on its own motion may appoint an attorney or a guardian ad litem to  
16 represent the interests of the adoptee in a contested proceeding brought under this  
17 Chapter.

18 **"§ 48-2-202. No right to jury.**

19 All proceedings under this Chapter must be heard by the court without a jury.

20 **"§ 48-2-203. Confidentiality of proceedings under Chapter.**

21 A judicial hearing in any proceeding pursuant to this Chapter shall be held in closed  
22 court. Any information arising from a proceeding under this Chapter or any associated  
23 petition to terminate parental rights or establish paternity shall be held in confidence and  
24 shall not be released without the consent of all of the parties. A willful violation of this  
25 section shall subject the violator and the agency of the violator if the violator is employed  
26 by an agency to a fine of ten thousand dollars (\$10,000) per violation.

27 **"§ 48-2-204. Death of a joint petitioner pending final decree.**

28 When spouses have petitioned jointly to adopt and one spouse dies before entry of a  
29 final decree, the adoption may nevertheless proceed in the names of both spouses. The  
30 name of the deceased spouse shall be entered as one of the adoptive parents on the new  
31 birth certificate prepared pursuant to Article 9 of this Chapter, and for purposes of  
32 inheritance, testate or intestate, the adoptee shall be treated as a child of the deceased.

33 **"§ 48-2-205. Recognition of adoption decrees from other jurisdictions.**

34 A final adoption decree issued by any other state must be recognized in this State.  
35 Where a child has been previously adopted in a foreign country by petitioners seeking to  
36 readopt the child under the laws of North Carolina, the adoption order entered in the  
37 foreign country may be accepted in lieu of the consent of the biological parent or parents  
38 or the guardian of the child to the readoption.

39 **"PART 3. PETITION FOR ADOPTION.**

40 **"§ 48-2-301. Petition for adoption; who may file.**

41           (a) A prospective adoptive parent may file a petition for adoption pursuant to  
42 Article 3 of this Chapter only if a minor has been placed with the prospective adoptive

parent pursuant to Part 2 of Article 3 of this Chapter unless the requirement of placement is waived by the court for cause.

(c) If the individual who files the petition is unmarried, no other individual may join in the petition.

**"§ 48-2-302. Time for filing petition.**

(a) Except for petitions filed pursuant to Articles 4 and 6 of this Chapter, a petition for adoption must be filed no later than 30 days after a minor is placed with the petitioner or this State acquires jurisdiction to hear the petition, whichever is later, unless the court extends the time for filing.

(b) If a petition is not filed in accordance with subsection (a) of this section, any person may notify the county department of social services for appropriate action.

1       (b) After entry of a decree of adoption, omission of any information required by

4 **"§ 48-2-401. Notice by petitioner.**

5       (a) No later than 30 days after a petition for adoption is filed pursuant to Part 3 of

19 relevant to the proposed adoption.

20       (c) In the adoption of a minor, the petitioner shall also serve notice of the filing on:

24 named as the biological or possible biological father of the minor, and  
25 any biological or possible biological fathers who are unknown or whose  
26 whereabouts are unknown, but notice need not be served upon a man  
27 who has executed a consent, a relinquishment, or a notarized statement  
28 denying paternity or disclaiming any interest in the minor, or a man

35       (d) In the adoption of an adult, the petitioner shall also serve notice of the filing on

42 At least 10 days before the date of the hearing or disposition, each petitioner shall file  
43 with the court an affidavit accounting for any payment or disbursement of money or

1 anything of value made or agreed to be made by or on behalf of each petitioner in  
2 connection with the adoption, or pursuant to Article 10, including the amount of each

6 **"§ 48-2-603. Hearing on, or disposition of, petition to adopt a minor.**

7 (a) At the hearing on, or disposition of, a petition to adopt a minor, the court shall  
8 grant the petition upon finding by a preponderance of the evidence that the adoption will

31 adoptee's biological family if required by G.S. 48-3-205; and

33 Chapter.

34 (b) If the Court finds a violation of this Chapter pursuant to Article 10 or of the  
35 Interstate Compact on the Placement of Children, G.S. 110-57.1, et seq., but determines

3 placement of the child was a direct placement under Article 3, the court shall notify the  
4 director of social services of the county in which the petition was filed of the dismissal,  
5 and the director of social services shall be responsible for taking appropriate action for  
6 the protection of the child.

7 **"§ 48-2-605. Hearing on petition to adopt an adult.**

8        (a) At the hearing on a petition to adopt an adult, the prospective adoptive parent

11 attorney authorized in writing to make the appearance.

12        (b) At the hearing, the court shall grant the petition for adoption upon finding by a  
13 preponderance of the evidence all of the following:

6           finds appropriate to consider.

7           (c) A decree of adoption must not contain the name of a former parent of the  
8           adoptee.

9 **"§ 48-2-607. Appeals.**

10           (a) Except as provided in subsections (b) and (c) of this section, after the final  
11 order of adoption is entered, no party to an adoption proceeding nor anyone claiming  
12 under such a party may question the validity of the adoption because of any defect or  
13 irregularity, jurisdictional or otherwise, in the proceeding, but shall be fully bound by the  
14 order. No adoption may be attacked either directly or collaterally because of any  
15 procedural or other defect by anyone who was not a party to the adoption. The failure on  
16 the part of the court or an agency to perform duties or acts within the time required by the  
17 provisions of this Chapter shall not affect the validity of any adoption proceeding.

18           (b) A party to an adoption proceeding may appeal a final decree of adoption by

24 was not obtained may, within six months of the time the omission is or ought reasonably  
25 to have been discovered, move to have the decree of adoption set aside. Any action for  
26 damages against an adoptee or the adoptive parents for fraud or duress in obtaining a  
27 consent or for failure to obtain a necessary consent must be brought within six months of  
28 the time the fraud, duress, or omission is or ought reasonably to have been discovered.

7 before the agency can place the minor.

8           (d) An agency having legal and physical custody of a minor may place the minor  
9 for adoption at any time after a relinquishment is executed, even if only one parent has  
10 executed a relinquishment pursuant to Part 7 of this Article or has had parental rights  
11 terminated, unless the other parent notifies the agency in writing of the parent's  
12 objections before the placement. The agency shall act promptly after accepting a  
13 relinquishment from one parent to obtain the consent or relinquishment of the other  
14 parent or to terminate the rights between the minor and the other parent pursuant to  
15 Article 24B of Chapter 7A of the General Statutes.

16 **"§ 48-3-202. Direct placement for adoption.**

17           (a) In a direct placement, a parent or guardian must personally select a prospective

26 **"§ 48-3-203. Agency placement adoption.**

27           (a) An agency may acquire legal and physical custody of a minor for purposes of  
28 adoptive placement only by means of a relinquishment pursuant to Part 7 of this Article  
29 or by a court order terminating the rights and duties of a parent or guardian of the minor.

30           (b) An agency shall give any individual upon request a written statement of the  
31 services it provides and of its procedure for selecting a prospective adoptive parent for a  
32 minor, including the role of the minor's parent or guardian in the selection process. This  
33 statement must include a schedule of any fee charged by the agency for its services and a  
34 summary of the provisions of this Chapter that pertain to the requirements and  
35 consequences of a relinquishment and to the selection of a prospective adoptive parent.

36           (c) An agency may notify the parent when a placement has occurred and when  
37 an adoption decree is issued.

38           (d) The selection of a prospective adoptive parent for a minor shall be made by the  
39 agency on the basis of a preplacement assessment. The selection may not be delegated,  
40 but may be based on criteria requested by a parent who relinquishes the child to the  
41 agency.

8 within this State as a means of recruiting adoptive parents for minors who have been  
9 legally freed for adoption.

10 (c) Agencies and the Division shall cooperate with similar agencies in other states,  
11 and with national adoption exchanges in an effort to recruit suitable adoptive parents.

12 **"§ 48-3-205. Disclosure of background information.**

13 (a) Notwithstanding any other provision of law, before placing a minor for  
14 adoption, an individual or agency placing the minor, or the individual's agent, must  
15 compile and provide to the prospective adoptive parent a written document containing the  
16 following information:

17 (1) The date of the birth of the minor and the minor's weight at birth and

20 development and well-being;

21 (2) Age of the biological parents in years at the time of the minor's birth;

22 (3) Heritage of the biological parents, which shall consist of nationality,  
23 ethnic background, and race;

26 birth; and

27 (5) General physical appearance of the biological parents.

28 In addition, the written document must also include all reasonably available  
29 nonidentifying information about the health of the minor, the biological parents, and  
30 other members of the biological parents' families that is relevant to the adoption decision  
31 or to the minor's health and development. This health-related information shall include  
32 each such individual's present state of physical and mental health, health and genetic  
33 histories, and information concerning any history of emotional, physical, sexual, or  
34 substance abuse. This health-related information shall also include an account of the  
35 prenatal and postnatal care received by the minor. The information described in this  
36 subsection, if known, shall, upon written request of the minor, be made available to the  
37 minor upon the minor reaching age 18 or upon the minor's marriage or emancipation.

38 (b) Information provided under this section, or any information directly or  
39 indirectly derived from such information, may not be used against the provider or against  
40 an individual described in subsection (a) of this section who is the subject of the  
41 information in any criminal action or any civil action for damages. In addition,  
42 information provided under this section may not be admitted in evidence against the

1 provider or against an individual described in subsection (a) of this section who is the  
2 subject of the information in any other action or proceeding.

3 (c) The agency placing the minor shall receive and preserve any additional health-

12 minor's parents or possible parents.

13 (b) In an agency placement, the agency shall obtain from at least one individual  
14 who relinquishes a minor to the agency an affidavit setting out the information required  
15 in subsection (a) of this section.

17 An interstate placement of a minor for purposes of adoption shall comply with the  
18 Interstate Compact on the Placement of Children, G.S. 110-57.1 et seq.

19 **"PART 3. PREPLACEMENT ASSESSMENT.**

20 **"§ 48-3-301. Preplacement assessment required.**

21 (a) Except as provided in subsection (b) of this section, placement of a minor may  
22 occur only if a written preplacement assessment:

23 (1) Has been completed or updated within the 12 months immediately  
24 preceding the placement; and

25 (2) Contains a finding that the individual who is the subject of the  
26 assessment is suitable to be an adoptive parent, either in general or for a  
27 specific minor.

28 (b) A preplacement assessment is not required when a parent or guardian places a  
29 minor directly with a grandparent, sibling, first cousin, aunt, uncle, great-aunt, great-  
30 uncle, or great-grandparent of the minor.

31 (c) If a direct placement is made in violation of this section:

32 (1) The prospective adoptive parent shall request any preplacement  
33 assessment already commenced to be expedited, and if none has been  
34 commenced, shall obtain a preplacement assessment from an agency as  
35 authorized by G.S. 48-1-109; in either case, the assessment shall include  
36 the fact and date of placement;

37 (2) The court may not enter a decree of adoption until both a favorable

39 and filed, and the court may not order a report to the court for at least 30  
40 days after the preplacement assessment has been completed; and

41 (3) If the person who placed the minor executes a consent before receiving  
42 a copy of the preplacement assessment, G.S. 48-3-608 shall determine  
43 the time within which that person may revoke.

1 **"§ 48-3-302. Request for preplacement assessment.**

2 (a) An individual seeking to adopt may request a preplacement assessment at any  
3 time by an agency authorized by G.S. 48-1-109 to prepare preplacement assessments.

4 (b) An individual requesting a preplacement assessment need not have located a  
5 prospective adoptee when the request is made.

6 (c) An individual may have more than one preplacement assessment or may  
7 request that an assessment, once initiated, not be completed.

8 (d) If an individual is seeking to adopt a minor from a particular agency, the  
9 agency may require the individual to be assessed by its own employee, even if the  
10 individual has already had a favorable preplacement assessment completed by another  
11 agency.

12 (e) If an individual requesting a preplacement assessment has identified a  
13 prospective adoptive child and has otherwise been unable to obtain a preplacement  
14 assessment, the county department of social services must, upon request, prepare or  
15 contract for the preparation of the preplacement assessment. Except as provided in this  
16 subsection, no agency is required to conduct a preplacement assessment unless it agrees  
17 to do so.

18 **"§ 48-3-303. Content and timing of preplacement assessment.**

19 (a) A preplacement assessment shall be completed within 90 days after a request  
20 has been accepted.

21 (b) The preplacement assessment must be based on at least one personal interview  
22 with each individual being assessed in the individual's residence and any report received  
23 pursuant to subsection (c) of this section.

24 (c) The preplacement assessment must, after a reasonable investigation, report on  
25 the following about the individual being assessed:

26 (1) Age and date of birth, nationality, race, or ethnicity, and any religious  
27 preference;

28 (2) Marital and family status and history, including the presence of any  
29 children born to or adopted by the individual and any other children in  
30 the household;

31 (3) Physical and mental health, including any addiction to alcohol or drugs;

32 (4) Educational and employment history and any special skills;

33 (5) Property and income, and current financial information provided by the  
34 individual;

35 (6) Reason for wanting to adopt;

36 (7) Any previous request for an assessment or involvement in an adoptive  
37 placement and the outcome of the assessment or placement;

38 (8) Whether the individual has ever been a respondent in a domestic  
39 violence proceeding or a proceeding concerning a minor who was  
40 allegedly abused, dependent, neglected, abandoned, or delinquent, and  
41 the outcome of the proceeding;

42 (9) Whether the individual has ever been convicted of a crime other than a  
43 minor traffic violation;

1           (10) Whether the individual has located a parent interested in placing a child  
2           with the individual for adoption and a brief, nonidentifying description  
3           of the parent and the child; and

4           (11) Any other fact or circumstance that may be relevant to a determination  
5           of the individual's suitability to be an adoptive parent, including the  
6           quality of the environment in the home and the functioning of any  
7           children in the household.

8           When any of the above is not reasonably available, the preplacement assessment shall  
9           state why it is unavailable.

10          (d) The agency shall conduct an investigation for any criminal record as permitted  
11          by law.

12          (e) In the preplacement assessment, the agency shall review the information  
13          obtained pursuant to subsections (b), (c), and (d) of this section and evaluate the  
14          individual's strengths and weaknesses to be an adoptive parent. The agency shall then  
15          determine whether the individual is suitable to be an adoptive parent.

16          (f) If the agency determines that the individual is suitable to be an adoptive parent,  
17          the preplacement assessment shall include specific factors which support that  
18          determination.

19          (g) If the agency determines that the individual is not suitable to be an adoptive  
20          parent, the replacement assessment shall state the specific concerns which support that  
21          determination. A specific concern is one that reasonably indicates that placement of any  
22          minor, or a particular minor, in the home of the individual would pose a significant risk  
23          of harm to the well-being of the minor.

24          (h) In addition to the information and finding required by subsections (c) through  
25          (g) of this section, the preplacement assessment must contain a list of the sources of  
26          information on which it is based.

27          (i) The Social Services Commission shall have authority to establish by rule  
28          additional standards for preplacement assessments.

29          **"§ 48-3-304. Fees for preplacement assessment.**

30          (a) An agency that prepares a preplacement assessment may charge a reasonable  
31          fee for doing so, even if the individual being assessed requests that it not be completed.  
32          No fee may be charged except pursuant to a written agreement which must be signed by  
33          the individual to be charged prior to the beginning of the assessment. The fee agreement  
34          may not be based on the outcome of the assessment or any adoption.

35          (b) An assessment fee is subject to review by the court pursuant to G.S. 48-2-602  
36          and G.S. 48-2-603 if the person who is assessed files a petition to adopt.

37          (c) The Department shall set the maximum fees, based on the individual's ability  
38          to pay and other factors, which may be charged by county departments of social services.  
39          The Department shall require waiver of fees for those unable to pay. Fees collected  
40          under this section shall be applied to the costs of preparing preplacement assessments and  
41          shall be used by the county department of social services to supplement and not to  
42          supplant appropriated funds.

43          **"§ 48-3-305. Agency disposition of preplacement assessments.**

1 (a) The agency shall give a copy of any completed or incomplete preplacement  
2 assessment to the individual who was the subject of the assessment. If the assessment  
3 contains a finding that an individual is not suitable to be an adoptive parent, the agency  
4 shall contemporaneously file the original with the Division.

5 (b) The agency shall retain a copy of a completed or incomplete preplacement  
6 assessment for at least five years.

7 **"§ 48-3-306. Favorable preplacement assessments.**

8 An individual who receives a preplacement assessment containing a finding that the  
9 individual is suitable to be an adoptive parent shall provide a copy of the assessment to  
10 any person or agency considering the placement of a minor with the individual for  
11 adoption and shall also attach a copy of the assessment to any petition to adopt.

12 **"§ 48-3-307. Assessments completed after placement.**

13 (a) If a placement occurs before a preplacement assessment is completed, the  
14 prospective adoptive parent shall deliver a copy of the assessment when completed,  
15 whether favorable or unfavorable, to the parent or guardian who placed the minor. A  
16 prospective adoptive parent, who cannot after the exercise of due diligence personally  
17 locate the parent or guardian who placed the minor, may deposit a copy of the  
18 preplacement assessment in the United States mail, return receipt requested, addressed to  
19 the address of the parent or guardian given in the consent, and the date of receipt by the  
20 parent or guardian for purposes of G.S. 48-3-608 shall be deemed to be the date of  
21 delivery or last attempted delivery.

22 (b) If a petition for adoption is filed before the preplacement assessment is  
23 completed, the prospective adoptive parent shall attach to the petition an affidavit  
24 explaining why the assessment has not been completed and, upon completion of the  
25 assessment, shall file it with the court in which the petition is pending.

26 **"§ 48-3-308. Response to unfavorable preplacement assessment.**

27 (a) Each agency shall have a procedure for allowing an individual who has  
28 received an unfavorable preplacement assessment to have the assessment reviewed by the  
29 agency. In addition to the authority in G.S. 131D-10.5, the Social Services Commission  
30 shall have authority to adopt rules implementing this section.

31 (b) An individual who receives an unfavorable preplacement assessment may,  
32 after exhausting the agency's procedures for internal review, prepare and file a written  
33 response with the Division and the agency. The Division shall attach the response to the  
34 unfavorable assessment.

35 (c) The Division shall acknowledge receipt of the response but shall have no  
36 authority to take any action with respect to the response.

37 (d) If an unfavorable preplacement assessment is completed and filed with the  
38 Division and a minor has been placed with a prospective adoptive parent who is the  
39 subject of the unfavorable assessment, the Division shall notify the county department of  
40 social services, which shall take appropriate action.

41 (e) An unfavorable preplacement assessment and any response filed with the  
42 Division under this section shall not be public records as set forth in Chapter 132 of the  
43 General Statutes.

2                   **BY HEALTH CARE FACILITY OR ATTENDING**  
3                   **PRACTITIONER FOR PURPOSES OF ADOPTION.**

4                   **"§ 48-3-401. 'Health care facility' and 'attending practitioner' defined.**

5                   As used in this Article:

- 6                   (1)    'Health care facility' includes a hospital and maternity home; and  
7                   (2)    'Attending practitioner' includes a physician, licensed nurse, or other  
8                   licensed professional provider of health care who assists in a birth.

9                   **"§ 48-3-402. Authorization required to transfer physical custody.**

10                  (a)    A health care facility or attending practitioner who has physical custody may  
11                  release a minor for the purpose of adoption to a prospective adoptive parent or agency not  
12                  legally entitled to the custody of the minor if, in the presence of an employee of the  
13                  health care facility or the attending practitioner:

- 14                  (1)    A parent, guardian, or other person or entity having legal custody of the  
15                  minor signs an authorization of the transfer of physical custody; and  
16                  (2)    The authorization states that the release is for the purpose of adoption.

17                  (b)    The health care facility or attending practitioner shall retain the authorization  
18                  described in subsection (a) of this section for at least one year.

19                  **"PART 5. CUSTODY OF MINORS PENDING FINAL DECREE OF ADOPTION.**

20                  **"§ 48-3-501. Petitioner entitled to custody in direct placement adoptions.**

21                  Unless the court orders otherwise, when a parent or guardian places the adoptee  
22                  directly with the petitioner, the petitioner acquires that parent's or guardian's right to legal  
23                  and continuing physical custody of the adoptee and becomes a person responsible for the  
24                  care and support of the adoptee, after the earliest of:

- 25                  (1)    The execution of consent by the parent or guardian who placed the  
26                  adoptee;  
27                  (2)    The filing of a petition for adoption by the petitioner; or  
28                  (3)    The execution of a document by a parent or guardian having legal and  
29                  physical custody of a minor temporarily transferring custody to the  
30                  petitioner, pending the execution of a consent.

31                  **"§ 48-3-502. Agency entitled to custody in placement by agency.**

32                  (a)    Unless the court orders otherwise, during a proceeding for adoption in which  
33                  an agency places the adoptee with the petitioner:

- 34                  (1)    The agency retains legal but not physical custody of the adoptee until  
35                  the adoption decree becomes final; but  
36                  (2)    The agency may delegate to the petitioner responsibility for the care and  
37                  support of the adoptee.

38                  (b)    Before a decree of adoption becomes final, the agency may for cause petition  
39                  the court to dismiss the adoption proceeding and to restore full legal and physical custody  
40                  of the minor to the agency; and the court may grant the petition on finding that it is in the  
41                  best interest of the minor.

42                                   **"PART 6. CONSENT TO ADOPTION.**

43                  **"§ 48-3-601. Persons whose consent to adoption is required.**

1 Unless consent is not required under G.S. 48-3-603, a petition to adopt a minor may  
2 be granted only if consent to the adoption has been executed by:

3 (1) The minor to be adopted if 12 or more years of age;

4 (2) In a direct placement, by:

5 a. The mother of the minor;

6 b. Any man who may or may not be the biological father of the  
7 minor but who:

8 1. Is or was married to the mother of the minor if the minor  
9 was born during the marriage or within 280 days after the  
10 marriage is terminated or the parties have separated  
11 pursuant to a written separation agreement or an order of  
12 separation entered under Chapters 50 or 50B of the  
13 General Statutes or a similar order of separation entered  
14 by a court in another jurisdiction;

15 2. Attempted to marry the mother of the minor before the  
16 minor's birth, by a marriage solemnized in apparent  
17 compliance with law, although the attempted marriage is  
18 or could be declared invalid, and the minor is born during  
19 the attempted marriage, or within 280 days after the  
20 attempted marriage is terminated by annulment,  
21 declaration of invalidity, divorce, or, in the absence of a  
22 judicial proceeding, by the cessation of cohabitation;

23 3. Before the filing of the petition, has legitimated the minor  
24 under the law of any state;

38 attempted marriage is or could be declared invalid;

4           b.     Each individual described in subdivision (2) of this section who  
5                 has not relinquished the minor pursuant to Part 7 of Article 3 of  
6                 this Chapter.

7 **"§ 48-3-602. Consent of incompetent parents.**

8       If a parent as described in G.S. 48-3-601 has been adjudicated incompetent, then the  
9 court shall appoint a guardian ad litem for that parent and a guardian ad litem for the  
10 child to make a full investigation as to whether the adoption should proceed. The  
11 investigation shall include an evaluation of the parent's current condition and any  
12 reasonable likelihood that the parent will be restored to competency, the relationship  
13 between the child and the incompetent parent, alternatives to adoption, and any other  
14 relevant fact or circumstance. If the court determines after a hearing on the matter that it  
15 will be in the best interest of the child for the adoption to proceed, the court shall order  
16 the guardian ad litem of the parent to execute a consent for that parent.

17 **"§ 48-3-603. Persons whose consent is not required.**

21                 competent jurisdiction in another state;  
22           (2)   A man described in G.S. 48-3-601(2), other than an adoptive father, if  
23                 (i) the man has been judicially determined not to be the father of the

25                 to be the father of the minor to be adopted;  
26           (3)   A parent for whose minor child a guardian has been appointed;  
27           (4)   An individual who has relinquished parental rights or guardianship  
28                 powers, including the right to consent to adoption, to an agency  
29                 pursuant to Part 7 of this Article;  
30           (5)   A man who is not married to the minor's birth mother and who, after the  
31                 conception of the minor, has executed a notarized statement denying  
32                 paternity or disclaiming any interest in the minor;  
33           (6)   A deceased parent or the personal representative of a deceased parent's  
34                 estate; or  
35           (7)   An individual listed in G.S. 48-3-601 who has not executed a consent or  
36                 a relinquishment and who fails to respond to a notice of the adoption  
37                 proceeding within 30 days after the service of the notice.  
38       (b)   The court may issue an order dispensing with the consent of:  
39           (1)   A guardian or an agency that placed the minor upon a finding that the  
40                 consent is being withheld contrary to the best interest of the minor; or  
41           (2)   A minor 12 or more years of age upon a finding that it is not in the best  
42                 interest of the minor to require the consent.

43 **"§ 48-3-604. Execution of consent: timing.**

1       (a) A man whose consent is required under G.S. 48-3-601 may execute a consent  
2 to adoption either before or after the child is born.

3       (b) The mother of a minor child may execute a consent to adoption at any time  
4 after the child is born but not sooner.

5       (c) A guardian of a minor to be adopted may execute a consent to adoption at any  
6 time.

7       (d) An agency licensed by the Department or a county department of social  
8 services in this State that places a minor for adoption shall execute its consent no later  
9 than 30 days after being served with notice of the proceeding for adoption.

10       (e) A minor to be adopted who is 12 years of age or older may execute a consent  
11 at any time.

12 **"§ 48-3-605. Execution of consent: procedures.**

13       (a) A consent executed by a parent or guardian or by a minor to be adopted who is  
14 12 years of age or older must conform substantially to the requirements in G.S. 48-3-606  
15 and must be signed and acknowledged under oath before an individual authorized to  
16 administer oaths or take acknowledgments.

17       (b) A parent who has not reached the age of 18 years shall have legal capacity to  
18 give consent to adoption and to release that parent's rights in a child, and shall be as fully  
19 bound as if the parent had attained 18 years of age.

20       (c) An individual before whom a consent is signed and acknowledged under  
21 subsection (a) of this section shall certify in writing that to the best of the individual's  
22 knowledge or belief, the parent, guardian, or minor to be adopted executing the consent:

23           (1) Read, or had read to him or her, and understood the consent;

24           (2) Signed the consent voluntarily;

25           (3) Received or was offered a copy of the consent; and

26           (4) Was advised that counselling services may be available through county  
27 departments of social services or licensed child-placing agencies.

28       (d) A consent by an agency must be executed by the executive head or another  
29 authorized employee and must be signed and acknowledged under oath in the presence of  
30 an individual authorized to administer oaths or take acknowledgments.

31       (e) A consent signed in another state or in another country in accord with the  
32 procedure of that state or country shall not be invalid solely because of failure to comply  
33 with the formalities set out in this Chapter.

34       (f) A consent to the adoption of an Indian child, as that term is defined in the  
35 Indian Child Welfare Act, 25 U.S.C. § 1901 et seq., must meet the requirements of that  
36 Act.

37 **"§ 48-3-606. Content of consent; mandatory provisions.**

5           minor to be adopted by, the identified prospective adoptive parent;
- 6           (5)    The name of a person and an address where any notice of revocation  
7           may be sent;
- 8           (6)    That the individual executing the document understands that after the  
9           consent is signed and acknowledged in accord with the procedures set  
10          forth in G.S. 48-3-605, it may be revoked in accord with G.S. 48-3-608,  
11          but that it is otherwise final and irrevocable and may not be withdrawn  
12          or set aside except under a circumstance set forth in G.S. 48-3-609;
- 13          (7)    That the consent shall be valid and binding and is not affected by any  
14          oral or separate written agreement between the individual executing the  
15          consent and the adoptive parent;
- 16          (8)    That the individual executing the consent has not received or been  
17          promised any money or anything of value for the consent, and has not

19          the adoption of the child except for lawful payments that are itemized  
20          on a schedule attached to the consent;
- 21          (9)    That the individual executing the consent understands that when the  
22          adoption is final, all rights and obligations of the adoptee's former

24          every aspect of the legal relationship between the adoptee and the  
25          former parent or guardian will be terminated;
- 26          (10)   The name and address of the court, if known, in which the petition for  
27          adoption has been or will be filed;
- 28          (11)   That the individual executing the consent waives notice of any  
29          proceeding for adoption;
- 30          (12)   If the individual executing the document is the minor to be adopted or  
31          the person placing the minor for adoption, a statement that the adoption  
32          shall be by a specific named adoptive parent;
- 33          (13)   If the individual executing the document is the person placing the minor  
34          for adoption, that the individual executing the consent has provided the  
35          prospective adoptive parent, or the prospective adoptive parent's  
36          attorney, with the written document required by G.S. 48-3-205; and
- 37          (14)   That the person executing the consent has:
- 38               a.    Received or been offered an unsigned copy of the consent;
- 39               b.    Been advised that counselling services may be available through  
40               county departments of social services or licensed child-placing

43    "§ 48-3-607. Consequences of consent.

1 (a) A consent executed pursuant to G.S. 48-3-605 and G.S. 48-3-606 may be  
2 revoked as provided in G.S. 48-3-608. A consent is otherwise final and irrevocable  
3 except under a circumstance set forth in G.S. 48-3-609.

4 (b) Except as provided in subsection (c) of this section, the consent of a parent,  
5 guardian, or agency that placed a minor for adoption pursuant to Part 2 of this Article  
6 vests legal and physical custody of the minor in the prospective adoptive parent and  
7 empowers this individual to petition the court to adopt the minor.

8 (c) Any other parental right and duty of a parent who executed a consent is not  
9 terminated until either the decree of adoption becomes final or the relationship of parent  
10 and child is otherwise terminated, whichever comes first. Until termination, the minor  
11 remains the child of a parent who executed a consent for purposes of any inheritance,  
12 succession, insurance, arrears of child support, and other benefit or claim that the minor  
13 may have from, through, or against the parent.

14 **"§ 48-3-608. Revocation of consent.**

15 (a) A consent to the adoption of an infant who is in utero or is three months old or  
16 less at the time the consent is given may be revoked within 21 days following the day on  
17 which it is executed, inclusive of weekends and holidays. A consent to the adoption of  
18 any other minor may be revoked within seven days following the day on which it is  
19 executed, inclusive of weekends and holidays. If the final day of the revocation period  
20 falls on a weekend or North Carolina or federal holiday, then the revocation period  
21 extends to the next business day. The individual who gave the consent may revoke by  
22 giving written notice to the person specified in the consent. Notice may be given by  
23 personal delivery, overnight delivery service, or registered or certified mail, return receipt  
24 requested. If notice is given by mail, notice is deemed complete when it is deposited in  
25 the United States mail, postage prepaid, addressed to the person to whom consent was  
26 given at the address specified in the consent.

27 (b) In a direct placement, if:

28 (1) A preplacement assessment is required, and

29 (2) Placement occurs before the preplacement assessment is given to the  
30 parent or guardian who is placing the minor,

31 then that individual's time under subsection (a) of this section to revoke any consent  
32 previously given shall be either five business days after the date the individual receives  
33 the preplacement assessment or the remainder of the time provided in subsection (a) of  
34 this section, whichever is longer. The date of receipt is the earlier of the date of actual  
35 receipt or the date established pursuant to G.S. 48-3-307.

36 (c) If a person who has physical custody places the minor with the prospective  
37 adoptive parent and thereafter revokes a consent pursuant to this section, the prospective  
38 adoptive parent shall, immediately upon request, return the minor to that person. The  
39 revocation restores the right to physical custody and any right to legal custody to the  
40 person who placed the minor and divests the prospective adoptive parent of any right to  
41 legal or physical custody and any further responsibility for the care and support of the  
42 minor. In any subsequent proceeding, the court shall award reasonable attorneys' fees to

1 the person who revoked if the prospective adoptive parent fails upon request to return the  
2 minor.

3 (d) If a person other than a person described in subsection (c) of this section  
4 revokes a consent pursuant to this section and this person's consent is required, the  
5 adoption cannot proceed until another consent is obtained or the person's parental rights  
6 are terminated. The person who revoked consent is not thereby entitled to physical  
7 custody of the minor. If the minor whose consent is required revokes consent, the county  
8 department of social services shall be notified for appropriate action.

9 (e) A second consent to adoption by the same adoptive parents is irrevocable.

10 **"§ 48-3-609. Challenges to validity of consent.**

11 (a) A consent shall be void if:

12 (1) Before the entry of the adoption decree, the individual who executed the  
13 consent establishes by clear and convincing evidence that it was  
14 obtained by fraud or duress;

15 (2) The prospective adoptive parent and the individual who executed the  
16 consent mutually agree in writing to set it aside;

17 (3) The petition to adopt is voluntarily dismissed with prejudice; or

18 (4) The court dismisses the petition to adopt and no appeal has been taken,  
19 or the dismissal has been affirmed on appeal and all appeals have been  
20 exhausted.

21 (b) If the consent of an individual who previously had legal and physical custody  
22 of a minor becomes void under subsection (a) of this section and no grounds exist under  
23 G.S. 48-3-603 for dispensing with this individual's consent, the court shall order the  
24 return of the minor to the custody of that individual and shall dismiss any pending  
25 adoption proceeding. If the court has reasonable cause to believe that the return will be  
26 detrimental to the minor, the court shall not order the return of the minor but shall notify  
27 the county department of social services for appropriate action.

28 (c) If the consent of an individual who did not previously have physical custody of  
29 a minor becomes void under subsection (a) of this section and no ground exists under  
30 G.S. 48-3-603 for dispensing with this individual's consent, the court shall dismiss any  
31 pending proceeding for adoption. If return of the minor is not ordered under subsection  
32 (b) of this section, the court shall notify the county department of social services for  
33 appropriate action.

34 **"§ 48-3-610. Collateral agreements.**

35 If a person executing a consent and the prospective adoptive parent or parents enter  
36 into an agreement regarding visitation, communication, support, and any other rights and  
37 duties with respect to the minor, this agreement shall not be a condition precedent to the  
38 consent itself, failure to perform shall not invalidate a consent already given, and the  
39 agreement itself shall not be enforceable.

40 **"PART 7. RELINQUISHMENT OF MINOR FOR ADOPTION.**

41 **"§ 48-3-701. Individuals who may relinquish minor; timing.**

42 (a) A parent or guardian may relinquish all parental rights or guardianship powers,  
43 including the right to consent to adoption, to an agency. If both parents are married to

1 each other and living together, both parents must act jointly in relinquishing a child to an  
2 agency.

3 (b) The mother of a minor child may execute a relinquishment at any time after the  
4 child is born but not sooner. A man whose consent is required under G.S. 48-3-601 may  
5 execute a relinquishment either before or after the child is born.

6 (c) A guardian may execute a relinquishment at any time.

7 **§ 48-3-702. Procedures for relinquishment.**

8 (a) A relinquishment executed by a parent or guardian must conform substantially  
9 to the requirements in this Part and must be signed and acknowledged under oath before  
10 an individual authorized to administer oaths or take acknowledgments.

11 (b) The provisions of G.S. 48-3-605(b), (c), (e), and (f), also apply to a  
12 relinquishment executed under this Part, except that an individual before whom a  
13 relinquishment is signed and acknowledged shall also certify that an employee of the  
14 agency to which the minor is being relinquished signed a statement indicating the  
15 agency's willingness to accept the relinquishment.

16 **§ 48-3-703. Content of relinquishment; mandatory provisions.**

17 (a) A relinquishment executed by a parent or guardian under G.S. 48-3-701 must  
18 be in writing and state:

19 (1) The date and place of the execution of the relinquishment;

20 (2) The name, date of birth, and permanent address of the individual  
21 executing the relinquishment;

22 (3) The date of birth or the expected delivery date, the sex, and the name of  
23 the minor, if known;

24 (4) The name and address of the agency to whom the minor is being  
25 relinquished;

26 (5) That the individual voluntarily consents to the permanent transfer of  
27 legal and physical custody of the minor to the agency for the purposes  
28 of adoption, and

29 a. The placement of the minor for adoption with a prospective  
30 adoptive parent selected by the agency; or

31 b. The placement of the minor for adoption with a prospective  
32 adoptive parent selected by the agency and agreed upon by the  
33 individual executing the relinquishment;

34 (6) That the individual executing the relinquishment understands that after  
35 the relinquishment is signed and acknowledged in the manner provided  
36 in G.S. 48-3-702, it may be revoked in accord with G.S. 48-3-706 but  
37 that it is otherwise final and irrevocable except under the circumstances  
38 set forth in G.S. 48-3-707;

39 (7) That the relinquishment shall be valid and binding and shall not be  
40 affected by any oral or separate written agreement between the  
41 individual executing the consent and the agency;

42 (8) That the individual executing the relinquishment understands that when  
43 the adoption is final, all rights and duties of the individual executing the

1 relinquishment with respect to the minor will be extinguished and all  
2 other aspects of the legal relationship between the minor child and the  
3 parent will be terminated;

4 (9) That the individual executing the relinquishment has not received or  
5 been promised any money or anything of value for the relinquishment of  
6 the minor, and has not received or been promised any money or  
7 anything of value in relation to the relinquishment or the adoption of the  
8 minor except for lawful payments that are itemized on a schedule  
9 attached to the relinquishment;

10 (10) That the individual executing the relinquishment waives notice of any  
11 proceeding for adoption;

12 (11) That the individual executing the relinquishment has provided the  
13 agency with the written document required by G.S. 48-3-205, or that the  
14 individual has provided the agency with signed releases that will permit  
15 the agency to compile the information required by G.S. 48-3-205; and

16 (12) That the individual executing the relinquishment has:

17 a. Received or been offered an unsigned copy of the  
18 relinquishment;

19 b. Been advised that counseling services are available through the  
20 agency to which the relinquishment is given; and

21 c. Been advised of the right to employ independent legal counsel.

22 **"§ 48-3-704. Content of relinquishment; optional provisions.**

23 In addition to the mandatory provisions listed in G.S. 48-3-703, a relinquishment may  
24 also state that the relinquishment may be revoked upon notice by the agency that an  
25 adoption by a specific prospective adoptive parent, named or described in the  
26 relinquishment is not completed, or if the agency and the person relinquishing the minor  
27 mutually agree to rescind the relinquishment before placement with a prospective  
28 adoptive parent occurs.

29 **"§ 48-3-705. Consequences of relinquishment.**

30 (a) A relinquishment executed pursuant to G.S. 48-3-702 through G.S. 48-3-704  
31 may be revoked as provided in G.S. 48-3-706 and is otherwise final and irrevocable  
32 except under a circumstance set forth in G.S. 48-3-707.

33 (b) Upon execution, a relinquishment by a parent or guardian entitled under G.S.  
34 48-3-201 to place a minor for adoption:

35 (1) Vests legal and physical custody of the minor in the agency; and

36 (2) Empowers the agency to place the minor for adoption with a prospective  
37 adoptive parent selected in the manner specified in the relinquishment.

38 (c) A relinquishment terminates:

39 (1) Any right and duty of the individual who executed the relinquishment  
40 with respect to the legal and physical custody of the minor;

41 (2) The right to consent to the minor's adoption; and

42 (3) The duty to support the minor.

1       (d) Except as provided in subsection (c) of this section, parental rights and duties  
2 of a parent who executed a relinquishment are not terminated until the decree of adoption  
3 becomes final or the parental relationship is otherwise legally terminated, whichever  
4 occurs first. Until termination the minor remains the child of a parent who executed a  
5 relinquishment for purposes of any inheritance, succession, insurance, arrears of child  
6 support, and other benefit or claim that the minor may have from, through, or against the  
7 parent.

8 **"§ 48-3-706. Revocation of relinquishments.**

9       (a) A relinquishment of an infant who is in utero or is three months old or less at  
10 the time the relinquishment is executed may be revoked within 21 days following the day  
11 on which it is executed, inclusive of weekends and holidays. A relinquishment of any  
12 other minor may be revoked within seven days following the day on which it is executed,  
13 inclusive of weekends and holidays. If the final day of the period falls on a weekend or a  
14 North Carolina or federal holiday, then the revocation period extends to the next business  
15 day. The individual who gave the relinquishment may revoke by giving written notice to  
16 the agency to which the relinquishment was given. Notice may be given by personal  
17 delivery, overnight delivery service, or registered or certified mail, return receipt  
18 requested. If notice is given by mail, notice is deemed complete when it is deposited in  
19 the United States mail, postage prepaid, addressed to the agency at the agency's address  
20 as given in the relinquishment.

21       (b) If a person who has physical custody relinquishes a minor and thereafter  
22 revokes a relinquishment pursuant to this section, the agency shall upon request return the  
23 minor to that person. The revocation restores the right to physical custody and any right  
24 to legal custody to the person who relinquished the minor and divests the agency of any  
25 right to legal or physical custody and any further responsibility for the care and support  
26 of the minor. In any subsequent proceeding, the court may award the person who  
27 revoked reasonable attorneys' fees from a prospective adoptive parent with whom the  
28 minor was placed who refuses to return the minor and from the agency if the agency fails  
29 to cooperate in securing the minor's return.

30       (c) If a person other than a person described in subsection (b) of this section  
31 revokes a relinquishment pursuant to this section and this person's consent is required, the  
32 agency may not give consent for the adoption and the adoption cannot proceed until  
33 another relinquishment or a consent is obtained or parental rights are terminated. The  
34 person who revoked the relinquishment is not thereby entitled to physical custody of the  
35 minor.

36       (d) A second relinquishment for placement with the same adoptive parent selected  
37 by the agency and agreed upon by the person executing the relinquishment, or a second  
38 general relinquishment for placement by the agency with any adoptive parent selected by  
39 the agency, is irrevocable.

40 **"§ 48-3-707. Challenges to validity of relinquishments.**

41       (a) A relinquishment shall become void if, before the entry of the adoption decree,  
42 the individual who executed the relinquishment establishes by clear and convincing  
43 evidence that it was obtained by fraud or duress.

1 (b) A relinquishment may be revoked upon the happening of a condition expressly  
2 provided for in the relinquishment pursuant to G.S. 48-3-704.

3 (c) If the relinquishment of an individual who previously had legal and physical  
4 custody of a minor is set aside under subsection (a) or (b) of this section and no grounds  
5 exist under G.S. 48-3-603 for dispensing with this individual's consent, the court shall  
6 order the return of the minor to the custody of that individual, and shall dismiss any  
7 pending proceeding for adoption. If the court has reasonable cause to believe that the  
8 return will be detrimental to the minor, the court shall not order the return of the minor  
9 but shall notify the county department of social services for appropriate action.

10 (d) If the relinquishment of an individual who did not previously have physical  
11 custody of a minor is set aside under subsection (a) or (b) of this section, and no grounds  
12 exist under G.S. 48-3-603 for dispensing with this individual's consent, the court shall  
13 dismiss any pending proceeding for adoption. If return of the minor is not ordered under  
14 subsection (c) of this section, the court shall notify the county department of social  
15 services for appropriate action.

#### 17 **"ADOPTION OF A MINOR STEPCHILD BY STEPPARENT.**

#### 18 **"§ 48-4-100. Application of Article.**

19 This Article shall apply to the adoption of minors by their stepparents.

#### 20 **"§ 48-4-101. Who may file a petition to adopt a minor stepchild.**

21 A stepparent may file a petition under this Article to adopt a minor who is the child of  
22 the stepparent's spouse if:

23 (1) The parent who is the spouse has legal and physical custody of the  
24 child, and the child has resided primarily with this parent and the  
25 stepparent during the six months immediately preceding the filing of the  
26 petition;

27 (2) The spouse is deceased or incompetent but, before dying or being  
28 adjudicated incompetent, had legal and physical custody of the child,  
29 and the child has resided primarily with the stepparent during the six  
30 months immediately preceding the filing of the petition; or

31 (3) For cause, the court permits a stepparent who does not meet the  
32 requirements of subdivisions (1) and (2) of this section to file a petition.

#### 33 **"§ 48-4-102. Consent to adoption of stepchild.**

34 Except under circumstances described in G.S. 48-3-603, a petition to adopt a minor  
35 stepchild may be granted only if consent to the adoption has been executed by the  
36 adoptee if 12 or more years of age; and

37 (1) The adoptee's parents as described in G.S. 48-3-601; or

38 (2) Any guardian of the adoptee.

39 The consent of an incompetent parent may be given pursuant to the procedures in G.S.  
40 48-3-602.

#### 41 **"§ 48-4-103. Execution and content of consent to adoption by stepparent.**

42 (a) A consent executed by a parent who is the stepparent's spouse:

- 1           (1) Must be signed and acknowledged before an individual authorized to  
2           administer oaths or take acknowledgments;
- 3           (2) Must be in writing and state or contain:
- 4           a. The statements required by G.S. 48-3-606, except for those  
5           required by subdivisions (4), (9), (12), and (13) of that section;
- 6           b. That the parent executing the consent has legal and physical  
7           custody of the child and is voluntarily consenting to the adoption  
8           of the child by the stepparent;
- 9           c. That the adoption will not terminate the legal relation of parent  
10           and child between the parent executing the consent and the child;  
11           and
- 12           d. That the adoption will terminate the legal relation of parent and  
13           child between the adoptee and the adoptee's other parent,  
14           including all right of the adoptee to inherit as a child from or  
15           through the other parent, and will extinguish any existing court  
16           order of custody, visitation, or communication with the adoptee,  
17           except that the other parent will remain liable for past-due child  
18           support payments unless legally released from this obligation.
- 19       (b) A consent executed by a minor stepchild's parent who is not the stepparent's  
20       spouse:
- 21           (1) Must be signed and acknowledged before an individual authorized to  
22           administer oaths or take acknowledgments; and
- 23           (2) Must be in writing and state or contain:
- 24           a. The statements required by G.S. 48-3-606, except for those  
25           required by subdivisions (4), (9), (12), and (13) of that section;
- 26           b. That the parent executing the consent is voluntarily consenting  
27           to:
- 28               1. The transfer of any right the parent has to legal or physical  
29               custody of the child to the child's other parent and  
30               stepparent, and
- 31               2. The adoption of the child by the stepparent; and
- 32           c. That the adoption will terminate the legal relation of parent and  
33           child between the adoptee and the parent executing the consent,  
34           including all rights of the adoptee to inherit as a child from or  
35           through the parent, and will extinguish any court order of  
36           custody, visitation, or communication with the adoptee, except  
37           that the parent executing the consent will remain liable for past-  
38           due child support payments unless legally released from this  
39           obligation.
- 40       (c) A consent executed by the guardian of a minor stepchild:
- 41           (1) Must be signed and acknowledged before an individual authorized to  
42           administer oaths or take acknowledgments; and
- 43           (2) Must be in writing and state or contain:

- 1           a.     The statements required by G.S. 48-3-606, except for those  
2           required by subdivisions (4), (9), (12), and (13) of that section;  
3           b.     A statement that the guardian is voluntarily consenting to:  
4                 1.     The transfer of any right the guardian has to legal or  
5                 physical custody of the adoptee to the adoptive stepparent;  
6                 and  
7                 2.     The adoption of the adoptee by the stepparent;  
8           c.     That the adoption will not terminate the legal relation of parent  
9           and child between a parent who is or was the stepparent's spouse  
10           and the adoptee;  
11           d.     That the adoption will terminate the legal relation of parent and  
12           child between the adoptee and a parent who is not or has not been  
13           the stepparent's spouse, including all right of the adoptee to  
14           inherit from or through that parent, and will extinguish any court  
15           order of custody, visitation, or communication with the adoptee,  
16           except that a parent whose relation to the adoptee is terminated  
17           by the adoption will remain liable for past-due child support  
18           payments unless legally released from this obligation.

19           (d)    G.S. 48-3-608(a) applies to consents executed pursuant to subsections (a)  
20           through (c) of this section. Unless so revoked, the consent is final and irrevocable except  
21           under a circumstance set forth in G.S. 48-3-609.

22           (e)    A consent executed by an adoptee in a proceeding for adoption by a stepparent  
23           must be signed and acknowledged under oath before an individual authorized to  
24           administer oaths or take acknowledgments. The minor may revoke the consent at any  
25           time before the decree is entered by filing written notice with the court in which the  
26           petition is pending.

27           **"§ 48-4-104. Report to the court.**

28           Whenever a petition is filed for adoption of a minor stepchild by a stepparent, the  
29           court shall order an agency to prepare a report to the court as provided in Part 5 of Article  
30           2 of this Chapter to determine if the adoption will be in the adoptee's best interest.

31           **"§ 48-4-105. Visitation awards to grandparents pursuant to Chapter 50 of the**  
32           **General Statutes.**

33           (a)    An adoption under this Article does not terminate or otherwise affect visitation  
34           rights awarded to a biological grandparent of a minor pursuant to G.S. 50-13.2.

35           (b)    An adoption under this Article does not affect the right of a biological  
36           grandparent to petition for visitation rights pursuant to G.S. 50-13.2A or G.S. 50-13.5(j).

37                                 **"ARTICLE 5.**

38                                 **"ADOPTION OF ADULTS.**

39           **"§ 48-5-100. Application of Article.**

40           This Article shall apply to the adoption of adults, including married and emancipated  
41           minors.

42           **"§ 48-5-101. Who may file for a petition to adopt an adult.**

1 (a) An adult may adopt another adult, except for the spouse of the adopting adult,  
2 pursuant to this Article.

3 (b) If a prospective adoptive parent is married, both spouses must join in the  
4 petition unless the prospective adoptive parent is the adoptee's stepparent or unless the  
5 court waives this requirement for cause.

6 **"§ 48-5-102. Consent to adoption.**

7 (a) Consent to the adoption of an adult is required only of:

8 (1) The adult being adopted; and

9 (2) The spouse of the petitioner in an adoption by the adult's stepparent,  
10 unless the court waives this requirement for cause.

11 (b) The consent of the adult being adopted must:

12 (1) Be in writing and be signed and acknowledged before an individual  
13 authorized to administer oaths or take acknowledgments;

14 (2) State that the adult agrees to assume toward the adoptive parent the  
15 legal relation of parent and child and to have all of the rights and be  
16 subject to all of the duties of that relationship; and

17 (3) State that the adult understands the consequences the adoption may have  
18 for rights of inheritance, property, or support, including the loss of  
19 nonvested inheritance rights which existed prior to the adoption and the  
20 acquisition of new inheritance rights.

21 (c) The consent of the spouse of the petitioner in a stepparent adoption:

22 (1) Must be in writing and be signed and acknowledged before an  
23 individual authorized to administer oaths or take acknowledgments; and

24 (2) Must state that the spouse:

25 a. Consents to the proposed adoption;

26 b. Understands that the adoption may diminish the amount the  
27 spouse might take from the petitioner through intestate  
28 succession or by dissenting to the petitioner's will and may also  
29 diminish the amount of other entitlements that may become due  
30 the spouse and any other children of the petitioner through the  
31 petitioner; and

32 c. Believes the adoption will be in the best interest of the adult  
33 being adopted and the prospective adoptive parent.

34 (d) Anyone who gives a consent under this Article may revoke the consent at any  
35 time before the entry of the decree of adoption by delivering a written notice of  
36 revocation to the individual to whom the consent was given. If a petition to adopt has  
37 been filed, the notice of revocation shall also be filed with the clerk of court in the county  
38 where the petition is pending.

39 **"§ 48-5-103. Adoption of incompetent adults.**

40 (a) If an adult being adopted has been adjudicated incompetent, then that adult's  
41 guardian shall have authority to consent in place of that adult.

42 (b) The consent of the guardian must:

- 1           (1) Be in writing and signed and acknowledged before an individual  
2 authorized to administer oaths or take acknowledgments;  
3           (2) State that the guardian understands that the adoption will terminate the  
4 legal relationship of parent and child between the adult being adopted  
5 and the adult's former parents, including all rights of the adult to inherit  
6 as a child from or through the former parents, unless the adoption is by a  
7 stepparent, in which case the adoption will terminate the legal  
8 relationship of parent and child between the adult and the parent who is

14           (4) State that the guardian consents to the proposed adoption and believes  
15 the adoption will be in the best interest of the adult; and

17 the guardian's rights, duties, and powers.  
18       (c) In any adoption of an adult who has been adjudicated incompetent, the court

13 **"ARTICLE 8. [RESERVED]"**

14 **"ARTICLE 9.**

15 **"CONFIDENTIALITY OF RECORDS AND DISCLOSURE OF INFORMATION.**

16 **"§ 48-9-101. Records defined.**

17 For purposes of this Article, 'records' means any petition, affidavit, consent or  
18 relinquishment, transcript or notes of testimony, deposition, power of attorney, report,  
19 decree, order, judgment, correspondence, document, invoice, receipt, certificate, or other  
20 printed, written, microfilmed or microfiched, video-taped or tape-recorded material or  
21 electronic data processing records regardless of physical form or characteristics  
22 pertaining to a proceeding for adoption under this Chapter.

23 **"§ 48-9-102. Records confidential and sealed.**

24 (a) All records created or filed in connection with an adoption, except the decree  
25 of adoption, and on file with or in the possession of the court, an agency, the State, a  
26 county, an attorney, or other provider of professional services, are confidential and may  
27 not be disclosed or used except as provided in this Chapter.

28 (b) During a proceeding for adoption, records shall not be open to inspection by  
29 any person except upon an order of the court finding that disclosure is necessary to  
30 protect the interest of the adoptee.

31 (c) When a decree of adoption becomes final, all records and all indices of records  
32 on file with the court, an agency, or this State shall be retained permanently and sealed.  
33 Sealed records shall not be open to inspection by any person except as otherwise  
34 provided in this Article.

35 (d) Records must be sent by the clerk of superior court to the Division in the  
36 following order:

37 (1) Within 10 days after the petition is filed with the clerk of the superior  
38 court, a copy of the petition giving the date of the filing of the original  
39 petition and the original of each consent and relinquishment must be  
40 filed by the clerk with the Division.

41 (2) Within 10 days after the decree of adoption is entered, the clerk must  
42 file with the Division the additional documents filed pursuant to G.S.

1           48-2-305, any report to the court, any additional documents submitted  
2           and orders entered, and a copy of the final order.

3       (e)   The Division must cause the papers and reports related to the proceeding to be  
4       permanently indexed and filed.

5       (f)   The Division shall transmit a report of the adoption of a minor and any name  
6       change to the State Registrar if the minor was born in this State, or to the appropriate  
7       official responsible for issuing birth certificates or their equivalent if the minor was not  
8       born in this State.

9       (g)   In the adoption of an adult born in this State in which the name of the adoptee  
10       is changed, the clerk of superior court shall, within 10 days after the decree of adoption is  
11       entered, send the State Registrar a copy of the final order, any separate order of name  
12       change, and a report in a form acceptable to the State Registrar containing sufficient  
13       information for a new birth certificate. In the adoption of an adult who was not born in  
14       this State, the clerk shall transmit a copy of the final order and any other required  
15       information to the adoptee.

16       **"§ 48-9-103. Release of nonidentifying information.**

17       (a)   An adoptive parent, an adoptee who is an adult at the time of the request, or a  
18       minor adoptee who is a parent or an expectant parent may request a copy of any  
19       document prepared pursuant to G.S. 48-3-205 and a copy of any additional  
20       nonidentifying health-related information about the adoptee's original family that has  
21       been submitted to a court, agency, or the Division. A minor seeking treatment pursuant  
22       to G.S. 90-21.1 may request that a copy of this information be sent to the treating  
23       physician.

24       (b)   If a request under this section is made to the agency that placed the adoptee or  
25       prepared the report to the court, the agency shall furnish the individual making the  
26       request or the treating physician named by a minor making the request with a copy of any  
27       relevant report or information that is included in the sealed records of the agency. If a  
28       request under this section is made to the court that issued the decree of adoption, the  
29       court shall refer the individual to the Division, or, if known to the court, the agency that  
30       placed the adoptee or prepared the report to the court. The Division may refer the  
31       individual to the agency that prepared the report to the court. If the agency no longer  
32       exists, the Division may furnish the information to an agency convenient to the  
33       requesting party.

34       (c)   Any report or information released under this section shall be edited by the  
35       sender to exclude the name, address, or other information that could reasonably be  
36       expected to lead directly to the identity of an adoptee at birth or an adoptee's parent at the  
37       adoptee's birth or other member of the adoptee's original family and shall contain an  
38       express reference to the confidentiality provisions of this Chapter.

39       (d)   An individual who is denied access to a report or information requested under  
40       this section may petition the clerk of original jurisdiction for review of the reasonableness  
41       of the denial.

42       (e)   If the court or the agency receives information from an adoptee's former parent  
43       or from an adoptee's former relative about a health or genetic condition that may affect

1 the health of the adoptee or the adoptee's child, an appropriate employee shall make a  
2 reasonable effort to contact and forward the information to an adoptee who is 18 or more  
3 years of age, or an adoptive parent of an adoptee who is under 18 years of age.

4 (f) Nothing in this section shall prohibit an agency from disclosing nonidentifying  
5 information about the adoptee's present circumstances, in the nature of information  
6 required under G.S. 48-3-205, to a former parent, an adult sibling, or the guardian of a  
7 minor sibling on request.

8 (g) The Department shall prescribe a reasonable procedure for verifying the  
9 identity, age, or other relevant characteristics of an individual who requests or provides a  
10 report or information under this section and the Department, the court, or agency may  
11 charge a reasonable fee for locating and making copies of a report or information.

12 (h) No request under this section shall be made to the State Registrar of Vital  
13 Statistics.

14 **"§ 48-9-104. Release of identifying information.**

15 No person or entity shall release from any records retained and sealed under this  
16 Article the name, address, or other information that reasonably could be expected to lead  
17 directly to the identity of an adoptee, an adoptive parent of an adoptee, an adoptee's  
18 parent at birth, or an individual who, but for the adoption, would be the adoptee's sibling  
19 or grandparent, except upon order of the court for cause pursuant to G.S. 48-9-105.

20 **"§ 48-9-105. Action for release of identifying and other nonidentifying information.**

21 (a) Any information necessary for the protection of the adoptee or the public in or  
22 derived from the records, including medical information not otherwise obtainable, may  
23 be disclosed to an individual who files a written motion in the cause before the clerk of  
24 original jurisdiction. In hearing the petition, the court shall give primary consideration to  
25 the best interest of the adoptee, but shall also give due consideration to the interests of the  
26 members of the adoptee's original and adoptive family.

27 (b) The movant must serve a copy of the motion, with written proof of service,  
28 upon the Department and the agency that prepared the report for the court. The clerk  
29 shall give at least five days' notice to the Department and the agency of every hearing on  
30 this motion, whether the hearing is before the clerk or a judge of the district court; and the  
31 Department and the agency shall be entitled to appear and be heard in response to the  
32 motion.

33 (c) In determining whether cause exists for the release of the name or identity of  
34 an individual, the court shall consider:

35 (1) The reason the information is sought;

36 (2) Any procedure available for satisfying the petitioner's request without  
37 disclosing the name or identity of another individual, including having  
38 the court appoint a representative to contact the individual and request  
39 specific information;

40 (3) Whether the individual about whom identifying information is sought is  
41 alive;

42 (4) To the extent known, the preference of the adoptee, the adoptive  
43 parents, the adoptee's parents at birth, and other members of the

1 adoptee's original and adoptive families, and the likely effect of  
2 disclosure on these individuals;

3 (5) The age, maturity, and expressed needs of the adoptee;

4 (6) The report or recommendation of any individual appointed by the court  
5 to assess the request for identifying information; and

6 (7) Any other factor relevant to an assessment of whether the benefit to the  
7 petitioner of releasing the information sought will be greater than the  
8 benefit to any other individual of not releasing the information.

9 (d) An individual who files a motion under this section may also ask the court to  
10 authorize the release by the State Registrar of a certified copy of the adoptee's original  
11 certificate of birth.

12 **"§ 48-9-106. Release of original certificate of birth.**

13 Upon receipt of a certified copy of a court order issued pursuant to G.S. 48-9-105  
14 authorizing the release of an adoptee's original certificate of birth, the State Registrar  
15 shall give the individual who obtained the order a copy of the original certificate of birth  
16 with a certification that the copy is a true copy of a record that is no longer a valid  
17 certificate of birth.

18 **"§ 48-9-107. New birth certificates.**

19 (a) Upon receipt of a report of the adoption of a minor from the Division, or the  
20 documents required by G.S. 48-9-102(g) from the clerk of superior court in the adoption  
21 of an adult, or a report of an adoption from another state, the State Registrar shall prepare  
22 a new birth certificate for the adoptee that shall contain the adoptee's full adoptive name,  
23 sex, state of birth, and date of birth; the full name of the adoptive father, if applicable; the  
24 full maiden name of the adoptive mother, if applicable; and any other pertinent  
25 information consistent with this section as may be determined by the State Registrar. The  
26 new certificate shall contain no reference to the adoption of the adoptee and shall not  
27 refer to the adoptive parents in any way other than as the adoptee's parents.

28 (b) In an adoption by a stepparent, the State Registrar shall prepare a new birth  
29 certificate pursuant to subsection (a) of this section except:

30 (1) The adoptive parent and the parent whose relation with the adoptee  
31 remains unchanged shall be listed as the adoptee's mother and father on  
32 the new birth certificate; and

33 (2) The city and county of birth of the adoptee shall be the same on the new  
34 birth certificate as on the original certificate.

35 The names of the adoptee's parents shall not be changed as provided in subdivision  
36 (1) of this subsection if the petitioner, the petitioner's spouse, the adoptee if age 12  
37 or older, and any living parent whose parental rights are terminated by the adoption  
38 jointly file a request that the parents' names not be changed with the court prior to the  
39 entry of the adoption decree. The Division shall send a copy of this request with its  
40 report to the State Registrar or other appropriate official in the adoption of a minor  
41 stepchild, and the clerk of superior court shall send a copy with the documents required  
42 by G.S. 48-9-102(g) in the adoption of an adult stepchild.

1       (c) The State Registrar shall seal the original certificate of birth and all records in  
2 the possession of that office pertaining to the adoption. These records shall not be  
3 unsealed except as provided in this Article. The State Registrar shall provide certified  
4 typed copies or abstracts of the new certificate of birth of an adoptee prepared pursuant to  
5 subsection (a) of this section to the adoptee, the adoptive parents, and the adoptee's  
6 spouse, brothers, and sisters. For purposes of this subsection, 'parent', 'brother', and  
7 'sister' shall mean the adoptee's adoptive parent, brother, or sister and shall not mean a  
8 former parent, brother, or sister.

9       (d) At the time of preparing the new birth certificate pursuant to subsection (a) of  
10 this section, the State Registrar shall notify the register of deeds or appropriate official in  
11 the health department in the county of the adoptee's birth to remove the adoptee's birth  
12 certificate from the records and forward it to the State Registrar for retention under seal  
13 with the original certificate of birth in the State Registrar's office. The register of deeds  
14 shall also delete all index entries for that birth certificate. The State Registrar shall not  
15 issue copies of birth certificates for adoptees to registers of deeds. Only the State  
16 Registrar shall issue certified copies of such records, and these copies shall be prepared  
17 as prescribed in subsection (c) of this section.

18       (e) The State Registrar may by rule prescribe requirements for reports of adoptions  
19 from other states.

20 **"§ 48-9-108. Restoration of original birth certificates if a decree of adoption is set**  
21 **aside.**

22 If a final decree of adoption is set aside, the court shall send a certified copy of the  
23 order within 10 days after it becomes final to the State Registrar if the adoptee was born  
24 in this State or to the appropriate official responsible for issuing birth certificates or their  
25 equivalent if the adoptee was not born in this State. The court shall also send a copy to  
26 the Division. If the adoptee desires to have the adoptive name shown on the original  
27 birth certificate when it is restored, the order must include this directive. Upon receipt of  
28 such an order, the State Registrar shall seal the certificate issued under this section and  
29 restore the adoptee's original certificate of birth. This sealed file may subsequently be  
30 opened only by direction of a valid court order pursuant to G.S. 48-9-105 and G.S. 48-9-  
31 106.

32 **"§ 48-9-109. Certain disclosures authorized.**

33 Nothing in this Article shall be interpreted or construed to prevent an employee of a  
34 court, agency, or any other person from:

- 35       (1) Inspecting permanent, confidential, or sealed records, other than records  
36 maintained by the State Registrar, for the purpose of discharging any  
37 obligation under this Chapter;  
38       (2) Disclosing the name of the court where a proceeding for adoption  
39 occurred, or the name of an agency that placed an adoptee, to an  
40 individual described in G.S. 48-9-104 who can verify his or her identity;  
41 or  
42       (3) Disclosing or using information contained in permanent and sealed  
43 records, other than records maintained by the State Registrar, for

1 counselor, certified social worker, fee-based practicing pastoral  
2 counselor or other licensed professional counselor, or an employee of an  
3 agency;

4 (4) Ordinary living expenses of a mother during the pregnancy and for no  
5 more than six weeks after the birth;

6 (5) Expenses incurred in ascertaining the information required under G.S.  
7 48-3-205 about an adoptee and the adoptee's biological family;

8 (6) Legal services, court costs, and traveling or other administrative  
9 expenses connected with an adoption, including any legal service  
10 connected with the adoption performed for a parent who consents to the  
11 adoption of a minor or relinquishes the minor to an agency; and

12 (7) Preparation of the preplacement assessment and the report to the court.

13 (b) A birth parent, or another person acting on the parent's behalf, may receive or  
14 accept payments authorized in subsection (a) of this section; or a provider of a service  
15 listed in subsection (a) of this section may receive or accept payments for that service.

16 (c) A payment authorized by subsection (a) of this section may not be made  
17 contingent on the placement of the minor for adoption, relinquishment of the minor,  
18 consent to the adoption, or cooperation in the completion of the adoption. Except as  
19 provided in subsection (d) of this section, if the adoption is not completed, a person who  
20 has made payments authorized by subsection (a) of this section may not recover them;  
21 but neither is this person liable for any further payment unless the person has agreed in a  
22 signed writing with a provider of a service to make this payment regardless of the  
23 outcome of the proceeding for adoption.

24 (d) A prospective adoptive parent may seek to recover a payment if the parent or  
25 other person receives or accepts it with the fraudulent intent to prevent the proposed  
26 adoption from being completed.

27 (e) An agency may charge or accept a reasonable fee or other compensation from  
28 prospective adoptive parents. In assessing a fee or charge, the agency may take into  
29 account the income of adoptive parents and may use a sliding scale related to income in  
30 order to provide services to persons of all incomes.

31 **"§ 48-10-104. Failure to disclose nonidentifying information.**

32 An adoptive parent, an adoptee, or any person who is the subject of any information  
33 required under G.S. 48-3-205 or authorized for release under Article 9 of this Chapter  
34 may bring a civil action for equitable or monetary relief or both against a person who  
35 fraudulently or intentionally misrepresents or fails to disclose information required under  
36 G.S. 48-3-205 or Article 9 of this Chapter.

37 **"§ 48-10-105. Unauthorized disclosure of information.**

38 (a) Except as authorized in G.S. 48-3-205 or in Article 9 of this Chapter, no  
39 identifying or nonidentifying information contained in a report or records described  
40 therein may be disclosed by present or former employees or officials of the court, an  
41 agency, the State, a county, an attorney or other provider of professional services, or any  
42 person or entity who wrongfully obtains such a report or records.

1       (b) A person who knowingly makes an unauthorized disclosure of identifying  
2 information is guilty of a Class 1 misdemeanor.

3       (c) The district court may enjoin from further violations any person who makes an  
4 unauthorized disclosure.

5       (d) Notwithstanding the penalties provided in subsection (b) of this section, an  
6 individual who is the subject of any of this information may bring a civil action for  
7 equitable or monetary relief or both against any person or entity who makes an  
8 unauthorized disclosure of the information."

9       Sec. 3. G.S. 7A-289.23 reads as rewritten:  
10 **"§ 7A-289.23. Jurisdiction.**

11       The district court shall have exclusive original jurisdiction to hear and determine any  
12 petition relating to termination of parental rights to any child who resides in, is found in,  
13 or is in the legal or actual custody of a county department of social services or licensed  
14 child-placing agency in the district at the time of filing of the petition. The court shall  
15 have jurisdiction to terminate the parental rights of any parent irrespective of the age of  
16 the parent. The parent has the right to counsel and to appointed counsel in cases of  
17 indigency unless the parent waives the right. The fees of appointed counsel shall be  
18 borne by the Administrative Office of the Courts. In addition to the right to appointed  
19 counsel set forth above, a guardian ad litem shall be appointed in accordance with the  
20 provisions of G.S. 1A-1, Rule 17, to represent a parent in the following cases:
