(1) ~~The State should protect the growing number of children who are placed in day-care-child care facilities or in child-care arrangements when these children are under the supervision and in the care of persons other than their parents, grandparents, guardians or full-time custodians during the day.~~ by ensuring that these facilities provide a physically safe and healthy environment where the developmental needs of these

1 children are met and where these children are cared for by qualified persons of good
2 moral character.

11 enhanced standards which operators may comply with on a voluntary basis; registration of

21 There is established within the Department of Human Resources a special unit to deal
22 primarily with violations involving child abuse and neglect in child ~~day-care~~
23 arrangements. The Child ~~Day-Care~~ Commission shall make rules for the investigation of

25 neglect is substantiated, pursuant to G.S. 110-88(6a), 110-105, and ~~110-105.1-110-105.2.~~"

26 Section 59. G.S. 143B-168.14 reads as rewritten:
27 "**§ 143B-168.14. Local partnerships; conditions.**

28 (a) In order to receive State funds, the following conditions shall be met:

29 (1) Each local demonstration project shall be coordinated by a new local
30 partnership responsible for developing a comprehensive, collaborative,
31 long-range plan of services to children and families in the service-
32 delivery area. The board of directors of each local partnership shall
33 consist of members including representatives of public and private
34 nonprofit health and human service agencies, ~~day-child care~~ providers,
35 the business community, foundations, county and municipal
36 governments, local education units, and families. The Department, in
37 cooperation with the North Carolina Partnership, may specify in its
38 requests for applications the local agencies that shall be represented on a
39 local board of directors. No existing local, private, nonprofit 501(c)(3)
40 organization, other than one established on or after July 1, 1993, and
41 that meets the guidelines for local partnerships as established under this
42 Part, shall be eligible to apply to serve as the local partnership for the
43 purpose of this Part.

1 (2) Each local partnership shall agree to adopt procedures for its operations
2 that are comparable to those of Article 33C of Chapter 143 of the

5 by the Department.

6 (3) Each local partnership shall adopt procedures to ensure that all

10 517.

11 (4) Each local partnership shall participate in the uniform, standard fiscal
12 accountability plan developed and adopted by the North Carolina

17 Section 60. G.S. 143B-168.15 reads as rewritten:

18 **§ 143B-168.15. Use of State funds.**

19 (a) State funds allocated to local projects for services to children and families shall
20 be used to meet assessed needs, expand coverage, and improve the quality of these
21 services. The local plan shall address the assessed needs of all children to the extent
22 feasible. It is the intent of the General Assembly that the needs of both young children
23 below poverty who remain in the home, as well as the needs of young children below
24 poverty who require services beyond those offered in child care settings, be addressed.
25 Therefore, as local partnerships address the assessed needs of all children, they should
26 devote an appropriate amount of their State allocations, considering these needs and other
27 available resources, to meet the needs of children below poverty and their families.

28 (b) Depending on local, regional, or statewide needs, funds may be used to support
29 activities and services that shall be made available and accessible to providers, children,
30 and families on a voluntary basis. Of the funds allocated to local partnerships that are
31 designated by the Secretary for direct services, seventy-five percent (75%) shall be used
32 for any one or more of the following activities and services:

33 (1) Child ~~day~~ care services, including:

- 34 a. Child ~~day~~ care subsidies to reduce waiting lists;
35 b. Raising the county child ~~day~~ care subsidy rate to the State market
36 rate, if applicable, in return for improvements in the quality of
37 child ~~day~~ care services;
38 c. Raising the income eligibility for child ~~day~~ care subsidies to
39 seventy-five percent (75%) of the State median family income;
40 d. Start-up funding for child ~~day~~ care providers;
41 e. Assistance to enable child ~~day~~ care providers to conform to
42 licensing and building code requirements;
43 f. Child ~~day~~ care resources and referral services;

- 1 g. Enhancement of the quality of child ~~day~~-care provided;
- 2 h. Technical assistance for child ~~day~~-care providers;
- 3 i. Quality grants for child ~~day~~-care centers or family child ~~day~~-care
- 4 homes;
- 5 j. Expanded services or enhanced rates for children with special
- 6 needs;
- 7 k. Head Start services;
- 8 l. Development of comprehensive child ~~day~~-care services that
- 9 include child health and family support;
- 10 m. Activities to reduce staff turnover;
- 11 n. Activities to serve children with special needs;
- 12 o. Transportation services related to providing child ~~day~~-care
- 13 services;
- 14 p. Evaluation of plan implementation of child ~~day~~-care services; and
- 15 q. Needs and resources assessments for child ~~day~~-care services.
- 16 (2) Family- and child-centered services, including early childhood
- 17 education and child development services, including:
- 18 a. Enhancement of the quality of family- and child-centered
- 19 services provided;
- 20 b. Technical assistance for family- and child-centered services;
- 21 c. Needs and resource assessments for family- and child-centered
- 22 services;
- 23 d. Home-centered services; and
- 24 e. Evaluation of plan implementation of family- and child-centered
- 25 services.
- 26 (3) Other appropriate activities and services for child ~~day~~-care providers and
- 27 for family- and child-centered services, including:
- 28 a. Staff and organizational development, leadership and
- 29 administrative development, technology assisted education, and
- 30 long-range planning; and
- 31 b. Procedures to ensure that infants and young children receive
- 32 needed health, immunization, and related services.
- 33 (c) Long-term plans for local projects that do not receive their full allocation in the
- 34 first year, other than those selected in 1993, should consider how to meet the assessed
- 35 needs of low-income children and families within their neighborhoods or communities.
- 36 These plans also should reflect a process to meet these needs as additional allocations and
- 37 other resources are received.
- 38 (d) State funds designated for start-up and related activities may be used for capital
- 39 expenses or to support activities and services for children, families, and providers. State
- 40 funds designated to support direct services for children, families, and providers shall not
- 41 be used for major capital expenses unless the North Carolina Partnership approves this
- 42 use of State funds based upon a finding that a local partnership has demonstrated that (i)
- 43 this use is a clear priority need for the local plan, (ii) it is necessary to enable the local

1 partnership to provide services and activities to underserved children and families, and
2 (iii) the local partnership will not otherwise be able to meet this priority need by using
3 State or federal funds available to that local partnership. The funds approved for capital
4 projects in any two consecutive fiscal years may not exceed ten percent (10%) of the total
5 funds for direct services allocated to a local partnership in those two consecutive fiscal
6 years.

7 (e) State funds allocated to local partnerships shall not supplant current
8 expenditures by counties on behalf of young children and their families, and maintenance
9 of current efforts on behalf of these children and families shall be sustained. State funds
10 shall not be applied without the Secretary's approval where State or federal funding
11 sources, such as Head Start, are available or could be made available to that county.

12 (f) Local partnerships may carry over funds from one fiscal year to the next,
13 subject to the following conditions:

14 (1) Local partnerships in their first year of receiving direct services funding
15 may, on a one-time basis only, carry over any unspent funds to the
16 subsequent fiscal year.

17 (2) Any local partnership may carry over any unspent funds to the
18 subsequent fiscal year, subject to the limitation that funds carried over
19 may not exceed the increase in funding the local partnership received
20 during the current fiscal year over the prior fiscal year.

21 (g) Not less than thirty percent (30%) of each local partnership's direct services
22 allocation shall be used to expand child ~~day~~-care subsidies. To the extent practicable,
23 these funds shall be used to enhance the affordability, availability, and quality of child
24 ~~day~~-care services as described in this section."
