**AN ACT TO APPROPRIATE FUNDS TO INCREASE AND SUSTAIN THE  
CAPACITY OF NONPROFIT HOUSING DEVELOPERS TO PRODUCE  
AFFORDABLE HOUSING AND STRENGTHEN COMMUNITIES.**

The General Assembly of North Carolina enacts:

Section 1. There is appropriated from the General Fund to the North Carolina Housing Finance Agency the sum of two million five hundred thousand dollars (\$2,500,000) for the 1998-99 fiscal year to be allocated to community-based nonprofit low-income housing development and technical assistance organizations. These funds shall be used to support the development of housing affordable to persons of low income, for direct grants to new and existing housing development and technical assistance organizations to support operations and project activities, and for administrative and other operational purposes that expand the capacity of these organizations to provide affordable housing and associated comprehensive services and programs.

Section 2. The North Carolina Housing Finance Agency shall adopt temporary rules pursuant to G.S. 150B-21.1 within 90 days of the effective date of this act governing the eligibility of applicants, application procedures, eligibility requirements, criteria and standards for awarding grants, and performance standards for continued

1 funding and shall make available to the general public and interested parties adequate  
2 opportunity for input into the rule-making process.

3           Section 3. The North Carolina Housing Finance Agency shall report every six  
4 months to the Joint Legislative Commission on Governmental Operations on the use of  
5 these funds allocated pursuant to this act. The Agency shall not use these funds for its  
6 own administrative purposes.

7           Section 4. For purposes of this act, the term "community-based nonprofit low-  
8 income housing development and technical assistance organization" means a nonprofit  
9 corporation chartered pursuant to section 501(c)(3) of the Internal Revenue Code, which  
10 has as a major purpose the development and improvement of housing that is affordable to  
11 persons of low income; serves the community in which it is located; is neither controlled  
12 by, nor under the direction of, individuals or entities seeking to derive profit or gain from  
13 the organization; and maintains accountability to low-income community residents  
14 through board membership or other formal processes for input into the organization's  
15 housing decision-making process. For purposes of this act, the term "low-income" refers  
16 to persons and families whose incomes do not exceed eighty percent (80%) of the area
