The General Assembly of North Carolina enacts:

Section 1. G.S. 90-187.3(a) reads as rewritten:

"(a) The Board may issue a license without written examination, other than the written North Carolina license examination, to applicants already licensed in another state provided the applicant presents evidence satisfactory to the Board that:

5 (5) The licensure requirements in the other state are substantially equivalent
6 to those required by this ~~State~~, ~~and State~~.

8 Carolina license examination."

9 Section 2. G.S. 90-187.3 is amended by adding a new subsection to read:

11 applicant was not required by the state in which he or she is licensed to complete the
12 certification program developed and currently administered by the Educational
13 Commission for Foreign Veterinary Graduates of the American Veterinary Medical
14 Association or its predecessor program, the Board may consider the following in
15 determining whether the applicant should be licensed in this State:

16 (1) The length of time the applicant has been licensed in the other state, but
17 the applicant shall have been licensed and engaged in the practice of
18 veterinary medicine for at least 10 years.

28 Section 3. This act is effective when it becomes law. Section 2 of this act shall
29 expire on July 1, 2001.
