1 A BILL TO BE ENTITLED
2 AN ACT TO CREATE AN INCOME TAX CREDIT FOR TAXPAYERS INVESTING
3 IN AGRIBUSINESS ENTERPRISES THAT ADD VALUE TO RAW, NORTH
4 CAROLINA GROWN AGRICULTURAL COMMODITIES.

5 The General Assembly of North Carolina enacts:

6 Section 1. Chapter 105 of the General Statutes is amended by adding a new
7 Article to read:

8 **"ARTICLE 3E.**

9 **"VALUE-ADDED AGRIBUSINESS TAX CREDIT.**

10 **"§ 105-129.40. Credit for investment in value-added agribusiness.**

11 (a) A taxpayer who invests in a qualified North Carolina value-added agribusiness
12 shall be entitled to a credit against the income tax imposed under Article 4 of this Chapter
13 in the amount of twenty-five percent (25%) of the amount invested. Investments in a
14 qualified North Carolina value-added agribusiness may include cash and in-kind
15 contributions of machinery and equipment, real property, or facilities. To be eligible for
16 the credit, contributions of machinery and equipment, real property, or facilities shall be
17 directly related to the agribusiness.

18 (b) The amount of the credit allowed shall not exceed fifty percent (50%) of the
19 tax against which it is claimed for the taxable year, or fifty thousand dollars (\$50,000).

1 reduced by the sum of all credits allowed against the tax except tax payments made by or
2 on behalf of the taxpayer. This limitation applies to the cumulative amount of credit,
3 including carryforwards claimed by the taxpayer under this Article against the tax for the
4 taxable year. Any unused portion of the credit may be carried forward for the succeeding
5 10 years.

6 (c) The following definitions apply in this Article:

7 (1) 'Commercial entity' means (i) an agricultural marketing cooperative
8 established pursuant to Subchapter V of Chapter 54 of the General
9 Statutes or (ii) a person producing raw agricultural products.

10 (2) 'Person' means a natural person, partnership, or corporation that earns
11 less than two hundred fifty thousand dollars (\$250,000) in annual gross
12 income from the production of raw agricultural products.

13 (3) 'Qualified North Carolina value-added agribusiness' means a
14 commercial entity operating in this State that uses, processes, refines, or
15 packages raw agricultural products in a manner that increases the value
16 of the raw agricultural products on the market.

17 (d) To claim a credit allowed by this Article, the taxpayer shall provide any
18 information required by the Secretary of Revenue. Every taxpayer claiming a credit under
19 this Article shall maintain and make available for inspection by the Secretary of Revenue
20 any records the Secretary considers necessary to determine and verify the amount of the
21 credit to which the taxpayer is entitled. The burden of proving eligibility for the credit
22 and the amount of the credit shall rest upon the taxpayer, and no credit shall be allowed to
23 a taxpayer that fails to maintain adequate records or to make them available for
24 inspection.

25 (e) The total amount of all tax credits allowed to taxpayers under this section for
26 contributions made in a calendar year may not exceed two million dollars (\$2,000,000).
27 The Secretary must calculate the total amount of tax credits claimed from the applications
28 filed under this section. If the total amount of tax credits claimed for contributions made
29 in a calendar year exceeds two million dollars (\$2,000,000), the Secretary must allow a
30 portion of the credits claimed by allocating a total of two million dollars (\$2,000,000) in
31 tax credits in proportion to the size of the credit claimed by each taxpayer. If a credit is
32 reduced pursuant to this subsection, the Secretary must notify the taxpayer of the amount
33 of the reduction of the credit on or before December 31 of the year the application was
34 filed. The Secretary's allocations based on applications filed pursuant to this section are
35 final and will not be adjusted to account for credits applied for but not claimed."

36 Section 2. This act becomes effective July 1, 2000, and shall apply to
37 investments made in qualified North Carolina value-added agribusinesses on or after that
38 date.
