H 610. COMPENSATE COUNTIES WITH STATE PARKS. *TO COMPENSATE COUNTIES FOR THE COSTS OF STATE RECREATION LANDS*. Requires state to provide annual payments to counties in which land is owned by the state and used as a state park, forest, lake, nature preserve, wildlife refuge, wildlife management area, or for any other public recreational use. Annual payments for fiscal year 2001-2002 must be in the amount of $2.00 per acre. In subsequent fiscal years, this amount will increase by the same percentage amount the US consumer price index increased in the preceding calendar year. Effective July 1, 2001.
