H 1328. AIRPORT CORRIDOR OFFICIAL MAP ACT. TO ENACT THE AIRPORT CORRIDOR OFFICIAL MAP ACT. Adds new Art. 10 to GS Ch. 63 authorizing governing board of city or county for any airport or of regional airport authority to adopt an airport corridor official map after public hearing and notice as provided in act. Provides that once map is filed with register of deeds, no building permit or subdivision approval may be granted in corridor. Does not apply to building permits issued before the filing of the map if size of building is not increased and type of occupancy not changed. Provides that within one year of filing map, work must begin on environmental impact statement or preliminary engineering and that failure to so act constitutes abandonment of the airport corridor. Sets out procedure for granting variances and sets out procedure for advance acquisition of right-of-way within the transportation corridor. Effective Dec. 1, 2001.
