S 1020. ENFORCE GUN LAWS AT GUN SHOWS. TO INCREASE THE ENFORCEMENT OF GUN LAWS AT GUN SHOWS. Adds new Art. 54C ("Gun Shows") to GS Ch. 14. Requires that a gun show promoter pay a \$100 application fee to the sheriff of the county where the show will be held. The sheriff is to determine whether the applicant would qualify for a gun permit under GS 14-404 and if so, issue the gun show permit. Thirty days before the show, the promoter must provide the sheriff with specified information concerning vendors at the show, and the promoter must ensure that sales of guns at the show are to licensed purchasers. Sales of guns at shows may be made only by sellers licensed under federal law. Violations are Class 1 misdemeanors. Effective Dec. 1, 2001.
