26 credited to the Fund annually. All money collected by the Commissioner pursuant to
27 G.S. 20-37.02 shall be remitted to the State Treasurer and held in the Fund. Money held

37 (a) The Commissioner shall establish and operate an electronic system that can
38 be used to verify drivers licenses and identification cards issued by the Division and the
39 dates of birth on these documents in order to facilitate access to drivers license
40 information by retailers and persons holding ABC permits to prevent the utilization of
41 fictitious identification for the purpose of underage purchases of certain age-restricted
42 products or to commit certain crimes.

2 pursuant to subsection (a) of this section shall allow a retailer, as defined in G.S.
3 105-164.3(14), a person who holds an ABC permit, as defined in G.S. 18B-101(2), or an
4 agent of the retailer or a person holding an ABC permit, to verify the validity of a
5 drivers license or identification card issued by the Division and the date of birth of the
6 person issued the drivers license or identification card. The Commissioner shall make
7 drivers license and identification card information available in a read-only format, and
8 the information to be made available shall not exceed the information contained on the
9 face of the drivers license. The Division shall not keep a record of the inquiry. The
10 retailer or a person holding an ABC permit may retain such information as is necessary

36 18 years, the person shall be guilty of a Class 2 misdemeanor; provided, however, that it
37 shall not be unlawful to distribute tobacco products or cigarette wrapping papers to an
38 employee when required in the performance of the employee's duties. Retail distributors
39 of tobacco products shall prominently display near the point of sale a sign in letters at
40 least five-eighths of an inch high which states the following:

A person engaged in the sale of tobacco products shall demand proof of age from a prospective purchaser if the person has reasonable grounds to believe that the prospective purchaser is under 18 years of age. Failure to demand proof of age as required by this subsection is a Class 2 misdemeanor if in fact the prospective purchaser is under 18 years of age. Proof that the defendant demanded, was shown, and reasonably relied upon proof of age in the case of a retailer, or any other documentary or written evidence of age in the case of a nonretailer, or that the defendant relied on the electronic system established and operated by the Division of Motor Vehicles pursuant to G.S. 20-37.02, shall be a defense to any action brought under this subsection. Retail distributors of tobacco products shall train their sales employees in the requirements of this law."

SECTION 6. The electronic system to be established pursuant to Section 4 of this act shall not be operated by the Commissioner until such time as the Drivers License Technology Fund contains sufficient funds to meet the purposes of Section 4 of this act and only for so long as adequate funds are available to operate the electronic system. Sections 1 through 3 of this act become effective December 1, 2001, and apply to offenses committed on or after that date. The remainder of this act is effective when it becomes law.
