S 2. DRIVERS LICENSE MEDICAL CERTIFICATION. TO ALLOW CERTAIN APPLICANTS FOR DRIVERS LICENSES TO SUBMIT MEDICAL CERTIFICATES FROM OUT-OF-STATE PHYSICIANS. Currently GS 20-9(g)(2) prohibits the issuance of a driver's license to applicants with physical or mental disabilities that the Division of Motor Vehicles determines will interfere with the operation of a motor vehicle, but provides that in making this determination DMV may consider a certification by a NC physician that the applicant's disability is controlled. Bill amends that sub-section to permit certification by an out-of-state physician when the applicant resides in a county bordering another state.
