A BILL TO BE ENTITLED
AN ACT RELATING TO STATE GOVERNMENT INFORMATION
TECHNOLOGY SECURITY.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 147-33.82(f) reads as rewritten:

"(f) The head of each State agency shall cooperate with the State Chief Information Officer in the discharge of his or her duties by:

- (1) Providing the full details of the agency's information technology and operational ~~requirements~~requirements and of all the agency's information technology security incidents within 24 hours of confirmation.
- (2) Providing comprehensive information concerning the information technology security employed to protect the agency's information technology.
- (3) Forecasting the parameters of the agency's projected future information technology security needs and capabilities.
- (4) Designating an agency liaison in the information technology area to coordinate with the State Chief Information Officer. The liaison shall be subject to a criminal background report from the State Repository of Criminal Histories, which shall be provided by the State Bureau of Investigation upon its receiving fingerprints from the liaison. If the liaison has been a resident of this State for less than five years, the background report shall include a review of criminal information from both the State and National Repositories of Criminal Histories. The criminal background report shall be provided to the State Chief Information Officer and the head of the agency. In addition, all personnel in the Office of State Auditor who are responsible for information technology security reviews pursuant to G.S.

1 147-64.6(c)(18) shall be subject to a criminal background report from
2 the State Repository of Criminal Histories, which shall be provided by
3 the State Bureau of Investigation upon receiving fingerprints from the
4 personnel designated by the State Auditor. For designated personnel
5 who have been residents of this State for less than five years, the
6 background report shall include a review of criminal information from
7 both the State and National Repositories of Criminal Histories. The
8 criminal background reports shall be provided to the State Auditor.

9 The information provided by State agencies to the State Chief Information Officer
10 under this subsection is protected from public disclosure pursuant to G.S. 132-6.1(c)."

11 **SECTION 2.** Article 3D of Chapter 147 of the General Statutes is amended
12 by adding a new section to read:

13 **"§ 147-33.89. Business continuity planning.**

14 (a) Each State agency shall develop and continually review and update as
15 necessary a business and disaster recovery plan with respect to information technology.
16 Each agency shall establish a disaster recovery planning team to develop the disaster
17 recovery plan and to administer implementation of the plan. In developing the plan, the
18 disaster recovery planning team shall do all of the following:

19 (1) Consider the organizational, managerial, and technical environments in
20 which the disaster recovery plan must be implemented.

21 (2) Assess the types and likely parameters of disasters most likely to occur
22 and the resultant impacts on the agency's ability to perform its mission.

23 (3) List protective measures to be implemented in anticipation of a natural
24 or man-made disaster.

25 (b) Each State agency shall submit its disaster recovery plan on an annual basis
26 to the Information Resource Management Commission and the State Chief Information
27 Officer."

28 **SECTION 3.** This act is effective when it becomes law.
