1 A JOINT RESOLUTION RECOGNIZING THE IMPORTANCE OF MILITARY  
2 BASES LOCATED IN THIS STATE TO ALL NORTH CAROLINIANS AND  
3 EXPRESSING THE GENERAL ASSEMBLY'S INTENT TO SUPPORT  
4 PROGRAMS AND STRATEGIES THAT PREVENT ENCROACHMENT UPON  
5 MILITARY INSTALLATIONS, AS RECOMMENDED BY THE JOINT SELECT  
6 COMMITTEE ON MILITARY AFFAIRS.

7       Whereas, North Carolina is the home of Fort Bragg, and the XVIII Airborne  
8 Corps, with the 82<sup>nd</sup> Airborne Division as the Army's premier force to project power  
9 anywhere in the world on little or no notice; and

10       Whereas, Fort Bragg is the home of the U.S. Army Special Operations  
11 Command, the U.S. Army John F. Kennedy Special Warfare Center and School, and of  
12 all Army Special Forces soldiers; and

13       Whereas, Pope Air Force Base and the 317<sup>th</sup> Airlift Wing play a vital role in  
14 our nation's defense by providing the means to deliver troops and equipment wherever  
15 needed in the world; and

16       Whereas, North Carolina is the home of Camp Lejeune, one of the nation's  
17 largest Marine Corps bases, and provides the training necessary to keep the Marines in a  
18 high state of readiness for any mission; and

19       Whereas, North Carolina is the home of Seymour Johnson Air Force Base,  
20 the base of an active air combat wing that can deploy worldwide on short notice and  
21 immediately generate combat power; and

22       Whereas, North Carolina is the home of the largest Marine Corps air station  
23 in the world, Cherry Point Marine Corps Air Station, and is the home of the 2d Marine  
24 Corps Aircraft Wing, the Naval Air Depot, and the Marine Corps Air Station at New  
25 River; and

26       Whereas, North Carolina is the home of several United States Coast Guard  
27 stations, including the United States Coast Guard Air Station at Elizabeth City, with

1 missions that include search and rescue, international ice patrol, maritime law  
2 enforcement, aids to navigation, and environmental response, and

3       Whereas, North Carolina ranks high in the United States with 4.5 percent of  
4 the total military payroll, and that defense spending in the 2002 federal fiscal year in  
5 North Carolina was approximately \$6.7 billion; and

6       Whereas, the military in North Carolina materially affects North Carolina's  
7 economy, generating approximately \$18 billion per year, and the loss of any military  
8 presence in North Carolina would have a tremendous negative impact on jobs and tax  
9 revenues in the entire State of North Carolina; and

10       Whereas, both the State of North Carolina and conservation entities have a  
11 long and historic partnership with the federal government, with the goal of preserving  
12 and protecting areas needed by the military bases to conduct training and to maintain  
13 operational readiness; and

14       Whereas, in 1995, an innovative, first-of-its-kind agreement with the Army  
15 was put into place that helped prevent urban sprawl and alleviate training area shortfalls  
16 near Fort Bragg; and

17       Whereas, a partnership with the Marine Corps has resulted in the purchase of  
18 a 2,500 acre tract of land, which borders Camp Lejeune on two sides, that had been  
19 slated for residential development; and

20       Whereas, a 38,000 acre tract that spans nine counties was purchased in the  
21 Onslow Bight, an important coastal plain landscape conservation area where Camp  
22 Lejeune is located; and

23       Whereas, land near Seymour Johnson Air Force Base was recently purchased  
24 through local government efforts, and a moratorium was placed on new development in  
25 the accident potential zone; and

26       Whereas, it is in the best interests of North Carolina and the federal  
27 government to continue the close relationships that have developed, and to continue to  
28 work together to provide for, and to expand, the military presence in North Carolina;  
29 and

30       Whereas, the North Carolina General Assembly, recognizing the importance  
31 of the military in North Carolina, created the North Carolina Advisory Commission on  
32 Military Affairs in 2001 with the purpose of advising the Governor and Secretary of  
33 Commerce on the existing military infrastructure in North Carolina, and to promote new  
34 military missions and economic opportunities for the State and its citizens; Now,  
35 therefore,

36 Be it resolved by the House of Representatives, the Senate concurring:

37       **SECTION 1.** The General Assembly expresses its appreciation to the

4           **SECTION 4.** The General Assembly states its commitment to take measures  
5 necessary to avoid any closure of military installations or the realignment of military  
6 missions that would have a negative impact on the State and its citizens.

7           **SECTION 5.** The Secretary of State shall transmit a certified copy of this  
8 resolution to the elected representatives to the Congress of the United States from the  
9 State of North Carolina.
