41	"§ 105-129.52.	Tax election; cap.
42		Election. – The credits allowed in this Article are allowed against the
43		vied in Article 3 of this Chapter or the income taxes levied in Article 4
44		The taxpayer must elect the tax against which a credit will be claimed

1	when filing the return on which the first installment of the credit is claimed. This
2	election is binding. Any carryforwards of a credit must be claimed against the same tax.
3	(b) Cap. – If the credit allowed in G.S. 105-129.57 for a small business exceeds
4	the amount of tax against which it is claimed for the taxable year reduced by the sum of
5	all credits allowable, the excess is refundable to the taxpayer at the election of the
6	taxpayer. The refundable excess is governed by the provisions governing a refund of an
7	overpayment by the taxpayer of the tax imposed in this Part. In computing the amount
8	of tax against which multiple credits are allowed, nonrefundable credits are subtracted
9	before refundable credits. Any other credit allowed in this Article may not exceed the
10	amount of tax against which it is claimed for the taxable year, reduced by the sum of all
11	other credits allowed against that tax, except tax payments made by or on behalf of the
12	taxpayer. This limitation applies to the cumulative amount of credit, including
13	carryforwards, claimed by the taxpayer under this Article against each tax for the
14	taxable year. Any unused portion of a credit allowed in this Article may be carried
15	forward for the succeeding 15 years.
16	"§ 105-129.53. Substantiation.
17	To claim a credit allowed by this Article, the taxpayer must provide any information
18	required by the Secretary. Every taxpayer claiming a credit under this Article must
19	maintain and make available for inspection by the Secretary any records the Secretary
20	considers necessary to determine and verify the amount of the credit to which the
21	taxpayer is entitled. The burden of proving eligibility for a credit and the amount of the
22	credit rests upon the taxpayer, and no credit may be allowed to a taxpayer that fails to
23	maintain adequate records or to make them available for inspection.
24	" <u>§ 105-129.54. Reports.</u>
25	The Department of Revenue must report to the Revenue Laws Study Committee and
26	to the Fiscal Research Division of the General Assembly by May 1 of each year the
27	following information for the 12-month period ending the preceding April 1:
28	(1) The number of taxpayers that claimed each credit allowed in this
29	Article.
30	(2) The amount of each credit claimed.
31	(3) The total cost to the General Fund of the credits claimed.
32	" <u>§ 105-129.55. General credit for increasing research and development.</u>
33	A taxpayer that claims for the taxable year a federal income tax credit under section
34	41(a) of the Code for increasing research activities is allowed a credit equal to five
35	percent (5%) of the State's apportioned share of the taxpayer's expenditures for
36	increasing research activities. The State's apportioned share of a taxpayer's expenditures
37	for increasing research activities is the excess of the taxpayer's qualified research
38	expenses for the taxable year over the base amount, as determined under section 41 of
39	the Code, multiplied by a percentage equal to the ratio of the taxpayer's qualified North
40	Carolina research expenses for the taxable year to the taxpayer's total qualified research
41	expenses for the taxable year.
42	" <u>§ 105-129.56. Alternative credit for increasing research and development.</u>
43	A taxpayer that claims the alternative incremental credit under section $41(c)(4)$ of
44	the Code for increasing research activities is allowed a credit equal to twenty-five

1	percent (25%) o	of the State's apportioned share of the federal credit claimed. The State's
2		are of the federal credit claimed is the amount of the alternative
3	incremental cre	dit the taxpayer claimed under section 41(c)(4) of the Code for the
4	taxable year m	ultiplied by a percentage equal to the ratio of the taxpayer's qualified
5	North Carolina	research expenses for the taxable year to the taxpayer's total qualified
6	research expens	es for the taxable year. For the purpose of this section, the amount of the
7	alternative incre	mental credit claimed by a taxpayer is determined without regard to any
8	reduction electe	d under section 280C(c) of the Code.
9	" <u>§ 105-129.57.</u>	Credit for North Carolina research and development.
10	<u>A taxpayer</u>	that has qualified North Carolina research expenses, basic research
11	payments to a N	North Carolina research university for research in this State, or both for
12	the taxable year	is allowed a credit equal to the sum of (i) twenty-five percent (25%) of
13	the basic researce	ch payments to a North Carolina research university for research in this
14	State plus (ii)	a percentage of the qualified North Carolina research expenses,
15	determined as p	rovided in this section. If part of the taxpayer's qualified North Carolina
16	research expense	ses qualifies under subdivision (3) of this section and the remainder
17	qualifies under	subdivision (4) of this section, the applicable percentages apply
18	separately to each	ch part of the expenses.
19	<u>(1)</u>	Small business If the taxpayer was a small business as of the last
20		day of the taxable year, the applicable percentage is five percent (5%).
21		The credit under this section for a small business is refundable at the
22		election of the taxpayer as provided in G.S. 105-129.52.
23	<u>(2)</u>	Midsize business If the taxpayer was a midsize business as of the
24		last day of the taxable year, the applicable percentage is five percent
25		<u>(5%).</u>
26	<u>(3)</u>	Low-tier business If either of the following conditions are met, the
27		applicable percentage is five percent (5%):
28		a. The qualified North Carolina research was performed in an
29		enterprise tier one, two, or three area.
30		b. The taxpayer has purchased or leased, and placed in service in
31		an enterprise tier one, two, or three area, more than seven
32		million dollars (\$7,000,000) worth of real property, machinery
33		and equipment as defined in G.S. 105-129.2, or both.
34	<u>(4)</u>	Other research To the extent the taxpayer does not qualify under
35		subdivision (1), (2), or (3) of this section, the applicable percentage is
36		one percent (1%)."
37	SECT	FION 2. This act becomes effective for taxable years beginning on or
38	after January 1,	2003.
