Short Title: Develop Regional Water Supplies.

(Public)

Sponsors: Senator Shaw.

Referred to:

A BILL TO BE ENTITLED

AN ACT TO ESTABLISH THE REGIONAL WATER SUPPLY AUTHORITY TO ASSIST CUMBERLAND COUNTY, MOORE COUNTY, THE CITY OF SHELBY, THE CITY OF STATESVILLE, AND CERTAIN OTHER DROUGHT STRICKEN COMMUNITIES WITH THE DEVELOPMENT AND FUNDING OF REGIONAL WATER SUPPLY SYSTEMS, TO DIRECT THE DEPARTMENT OF ENVIRONMENT AND NATURAL RESOURCES TO CONDUCT AN ENGINEERING STUDY AND REPORT OF A PROPOSED DAM AND RESERVOIR TO BE LOCATED ON THE CAPE FEAR RIVER IN CUMBERLAND COUNTY, AND TO DIRECT THE DEPARTMENT OF ENVIRONMENT AND NATURAL RESOURCES TO APPLY FOR A GRANT TO FUND THE PLANNING, DEVELOPMENT, AND CONSTRUCTION OF REGIONAL WATER SUPPLY SYSTEMS.

The General Assembly of North Carolina enacts:

SECTION 1. Chapter 162A of the General Statutes is amended by adding a new article to read:

"Article 2A.

"Regional Water Supply Authority.

"§ 162A-24.1. Regional Water Supply Authority.

There is created within the Department of Environment and Natural Resources the Regional Water Supply Authority. The purpose of the Authority is to assist with the development and funding of regional water supply systems that shall serve the areas of Cumberland County, Moore County, the City of Shelby, the City of Statesville, and any other area of the State that the Secretary of Environment and Natural Resources has certified either has a serious public health hazard related to the water supply system, or that a drought emergency is present or imminent in the community. Priority designation for any State funding available for water supply planning, development, or construction

1 shall be given to the local governments assisted by the Regional Water Supply
2 Authority. The Department of Environment and Natural Resources, the Department of
3 Health and Human Services, the Department of Administration, the Department of
4 Commerce, and the Department of Agriculture and Consumer Services shall notify the
5 Authority when State or federal funds are available for the development of regional
6 water supplies to ensure that the local governments served by the Authority are
7 provided priority with regard to possible funding sources. The Regional Water Supply
8 Authority shall also assist in fulfilling the functions set out in G.S. 162A-23 for the local
9 governments identified in this section."

10 **SECTION 2.** The Department of Environment and Natural Resources shall,
11 pursuant to G.S. 143-355(b), conduct an engineering study and report of a proposed
12 water resources project consisting of constructing and establishing a dam and reservoir
13 to be located on the Cape Fear River in Cumberland County for the purpose of
14 establishing a regional public drinking water supply. The Department shall develop for
15 budget and planning purposes estimates of the costs of the proposed project. The
16 Department shall request the North Carolina Congressional Delegation to apply to the
17 Congress of the United States for appropriations for this water resources development
18 project.

19 **SECTION 3.** The Department of Environment and Natural Resources shall
20 apply for a grant from the Clean Water Management Trust Fund under Article 13A of
21 Chapter 113 of the General Statutes to assist local governments served by the Regional
22 Water Supply Authority to plan, develop, and construct regional water supply systems.

23 **SECTION 4.** The Department of Environment and Natural Resources shall
24 use available funds for the study and report under Section 2 of this act and to apply for
25 the grant under Section 3 of this act.

26 **SECTION 5.** The Department of Environment and Natural Resources shall
27 use any State or federal funds available for water resources development projects to
28 assist in constructing and establishing regional water supply systems for local
29 governments served by the Regional Water Supply Authority.

30 **SECTION 6.** This act is effective when it becomes law.
