**H 151. ZERO-BASED BUDGETING. TO PROVIDE FOR ZERO-BASED BUDGETING.** Requires that the Director of the Budget subject every program in state government to a zero-based budget review at least once every five years and that Director direct agencies to prepare and submit a zero-based budget plan that contains information as delineated by act. Further requires that in 2005 Governor submit a zero-based budget for agencies with expenditures of at least 20% of the General Fund budget. Provides that approximately one-fifth of the budget shall be subject to zero-based budgeting in each year beginning in 2007.
