S 362. PHASE OUT COUNTY SHARE/SPECIAL ASSISTANCE. *TO PHASE OUT THE COUNTY SHARE OF THE COST OF THE STATE-COUNTY SPECIAL ASSISTANCE PROGRAM IN CERTAIN COUNTIES CONDITIONED UPON THE COUNTY MAINTAINING LOCAL FUNDING LEVELS FOR PUBLIC SCHOOL STUDENTS*. As title indicates, effective July 1, 2006, reduces the county share of the nonfederal costs of Medicaid services paid to adult care homes under the State-County Special Assistance Program for certain qualifying counties by 10% each fiscal year that the county achieves its per-student expense appropriation from preceding fiscal year, and until the county share reaches 0%. Defines "qualifying county" as a county in which the county share of nonfederal costs exceeds 1% of county expenditures, and county expenditures of county funds do not exceed $100,000 in fiscal year. Requires a 10% decrease in the amount the county share is reduced, and a 10% increase in the county share for counties that have attained 0% share status, if a qualifying county fails to maintain its per-student expense appropriation for a fiscal year.
