S 768. NC HEALTH CHOICE/CONTROL UTILIZATION & COST. TO CONTROL UTILIZATION AND COST IN THE NC HEALTH CHOICE PROGRAM. Enacts new GS 108A-70.21(i) to require that the Dep't of Health and Human Services utilize the Community Care of North Carolina network to provide primary care case management and disease management services to Health Choice Program enrollees. Costs to be paid from Program funds. Payments made to physicians and networks must be equal to the level of compensation paid by the Medical Assistance Program for similar services. Dep't must report on progress of case management activities to the Senate Appropriations Committee on Health and Human Services, the House Appropriations Subcommittee on Health and Human Services, and the Fiscal Research Division no later than October 1, 2005.
