March 24, 2005

**S 1008. 911 CENTERS FUND ACCESS.** *TO AMEND THE PUBLIC SAFETY TELEPHONE ACT*. Amends GS 62A-4 to provide that the monthly 911 charge on telephone service may be assessed no earlier than 60 days after any change to the enabling county or city ordinance. Amends GS 62A-8 to allow funds from Emergency Telephone System Fund to be used for training (defined in bill), continuing education, certifications and recertification of PSAP staff and support personnel related to call intake and call processing, and installation and maintenance of security and environmental health systems relating to operation of communications center. Prohibits funds from being used for lease emergency vehicles. Effective July 1, 2005.
