**S 1062. HIGHWAYS DISTRIBUTION FORMULA MODIFIED.** *TO MODIFY THE DISTRIBUTION FORMULA FOR FUNDS EXPENDED ON THE INTRASTATE SYSTEM AND TRANSPORTATION IMPROVEMENT PROGRAM PROJECTS*. As title indicates. Amends GS 136-17.2A(b) to change formula for allocation of funds subject to GS 136-17.2A(b) to the seven distribution regions throughout the State that are specified in GS 136-17.2A(a). Until 90% of the mileage of the Intrastate System projects listed in GS 136-179 is completed, Secretary of Dep't of Transportation is to calculate a tentative percentage share of the funds for each distribution region, by multiplying the total estimated amount by a factor based (1) 17.5% (was, 25%) on the estimated number of miles to complete the Intrastate System projects in that region compared to the estimated number of miles to complete the total System; (2) 65% (was 50%) on the estimated population of the region compared to the total estimated population of the State; and (3) 17.5% (was, 25%) on the fraction one-seventh, which provides an equal share based on the number of regions. Effective July 1, 2005.
